In the bustling heart of New York, Carmen has it all—a high-profile career, a loving family, and a home straight out of a magazine. But as her 40th looms, her life begins to unravel. Meanwhile, in the quiet of Maine, Carmen's best friend Ally, a

spirited marine biologist, confronts her own crisis as she faces the fallout from a doomed affair with her boss. With her romantic life in shambles and her professional life no better, Ally relocates to Portland, Oregon, hoping for a fresh start and one last chance at love. There have been scientific theories which propose that human mental function is simply a result of electrical impulse passing from cell to cell, generating reaction which triggers perception and thought. Some psychologists and psychiatrists say, 'If one cannot see it, hear it or touch, taste or smell it, it does not exist.' But others in these professions are certain the processes and products of the human mind go far beyond the nervous system to include the unexpected and the unexplainable. This first-time author presents possibilities reminiscent of Stephen King's early work. You are given a look into the mind of a killer. You are entertained as you seek to understand it. You are kept rapt throughout this delightfully creepy and horrific plot until the end, a real kicker. Now you have it figured out . or do you? -Dr. Tom Michel, psychologist (ret)

Small Town Perfect Boxed Set 5 Mary Campisi, 2019-07-08 Small town romantic women's fiction with love, hope, second chances, and a happy ending! Note from Mary: I love secondary characters: writing them, reading about them, even watching them on the big screen. Secondary characters support the "stars"; make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the "spotlight". That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set Five contains Not Your Everyday Housewife and A Family Affair: The Gift. I invite you to follow their journey! Not Your Everyday Housewife A wise and humorous tale of living large after 40 as women finally make peace with themselves—wrinkles, blubber, neuroses, exes, and all. Three women embark on a month-long "discovery" journey and uncover quite a few tidbits along the way...one bottle of Clairol Midnight will not cover a full head of red hair, and never talk to men wearing polyester pants hiked up with a tan belt. But most of what they unearth is about themselves—who they are, what they really want, what they really don't want. The center of controversy is a Maid-for-You mixer, which symbolizes a boring, routine suburban life with no second chances—then along comes insight in the form of Tula Rae, a sixty-something salsa-dancing, Dalai Lama-quoting, four-time widow in Spandex and a gray braid who gives them a different perspective on life, love, do-overs, and the real reason a man buys his woman a Maid-for-You mixer, which she says is all about S-E-X. A Family Affair: The Gift Only one thing is missing from Tess and Daniel "Cash" Casherdon's perfect life—a child. Oh, how they long for one to make their life complete. But what is it people say about being careful what you wish for...? Their wish will come true, but not in the way they think. Daniel Casherdon's past is about to catch up with him. It's bad enough when a woman arrives in Magdalena with a nine-year-old boy she claims is his, but confessing to a terminal illness and asking Tess and Cash to raise the boy when she's gone? Well, that's going to require a big leap of faith that won't be easy or without repercussions. How can anyone refuse a dying mother such a heartbreaking request? Tess is torn between doing

right by the child and acknowledging that another woman has given the man she loves something she may never be able to—a child. As the woman pulls Cash closer into her emotional circle, it is Tess who becomes the outsider, and soon she wonders if the woman has secrets she's not telling. More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples. The newcomer may look and act like the girl next door, but something isn't right, and Pop Benito is going to gather ammunition and find out what that something is. But he'd better do it fast, before it's too late. Small Town Perfect Series: Boxed Set 1 includes Pulling Home and A Family Affair: The Promise Boxed Set 2 includes The Way They Were and A Family Affair: The Secret Boxed Set 3 includes Simple Riches and A Family Affair: Winter Boxed Set 4 includes Paradise Found and A Family Affair: The Wish Boxed Set 5 includes Not Your Everyday Housewife and A Family Affair: The Gift Boxed Set 6 includes The Butterfly Garden and A Family Affair: The Return

Being Strategic Erika Andersen, 2009-05-26 STRATEGY? TACTICS? CONFUSED? How many times have you sat in a meeting and heard someone use the word strategic? As in: We're not being very strategic about X. or We need a strategic plan for project Y. And, if your organization is like most, everyone in the meeting nods wisely, the meeting drones on, people endlessly debate how to approach the situation at hand, with - generally - no one the wiser as to what strategic really means. Next time, respond: Being strategic means consistently making those core directional choices that will best move us toward our hoped-for future. Is this what we're doing? Everybody talks about strategy, but there is a big gap between discussing strategy, defining strategy and actually being strategic -- so you can accomplish something. This book helps you approach business—and life—strategically, explaining what strategy is, why it's important, and how to do it. Being Strategic offers you

a step-by-step model and skills for strategic thought and action that are broadly applicable and thoroughly practical: • First, get clear about the problem you're trying to solve • Then, figure out where you're starting from • Now, imagine your castle on the hill, the future you want to create. • Identify the trolls under the bridge; the obstacles in your path • Next, outline the path to the castle: your core strategies and the tactics for implementing them. • Re-evaluate your strategy and your tactics as conditions change Framed around the story of 13th-century Welsh nobles building an actual castle, and weaving in dozens of real-life examples from her practice, which has helped restaurateur Danny Meyer and many others, noted consultant Erika Andersen offers a complete course in turning around a business, or a life.
