La sentencia errónea en el proceso penal Max Hirschberg, 2023-12-12 Presento aquí un ensayo de análisis de la sentencia penal errónea y, con ello, de una patología sistemática de la formación de la sentencia penal, tema que, por extraño que parezca, no ha sido aún objeto de trabajo alguno. Puede decirse, sin embargo, que una criminalística que no contenga un estudio científico de las sentencias erróneas semeja a una enciclopedia de medicina en la que no se traten las patologías general y especial. El descuido de que ha sido objeto hasta ahora este trágico problema se vincula estrechamente con otra falla decisiva de la psicología criminal en Alemania. Aunque ha acumulado datos valiosos para el estudio de la psicología del

delincuente y la psicología de las deposiciones, ha eludido por completo, por no decir esquivado con temor, su problema central: la psicología del juez. Max Hirschberg.
