

Female Homosexuality In Ancient Greece And Rome

Emma Southon

Female Homosexuality in Ancient Greece and Rome Sandra Boehringer, 2021-09-06 This groundbreaking study, among the earliest syntheses on female homosexuality throughout Antiquity, explores the topic with careful reference to ancient concepts and views, drawing fully on the existing visual and written record including literary, philosophical, and scientific documents. Even today, ancient female homosexuals are still too often seen in terms of a mythical, ethereal Sapphic love, or stereotyped as Amazons or courtesans. Boehringer's scholarly book replaces these clichés with rigorous, precise analysis of iconography and texts by Sappho, Plato, Ovid, Juvenal, and many other lyric poets, satirists, and astrological writers, in search of the prevailing norms, constraints, and possibilities for erotic desire. The portrait emerges of an ancient society to which today's sexual categories do not apply—a society before sexuality—where female homosexuality looks very different, but is nonetheless very real. Now available in English for the first time, *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin. This book will be of value to students and scholars of ancient sexuality and gender, and to anyone interested in histories and theories of sexuality.

Homosexuality in Greece and Rome Thomas K. Hubbard, 2003-05-12 Important primary texts on homosexuality in ancient Greece and Rome are translated into modern, explicit English and collected together in this comprehensive sourcebook. Covering an extensive period, the volume includes writings by Plato, Sappho, Aeschines, Catullus and Juvenal.

Sex and the Ancient City Andreas Serafim, George Kazantzidis, Kyriakos Demetriou, 2022-05-09 This volume aims to revisit, further explore and tease out the textual, but also non-textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality, i.e. sexual practices, in Greco-Roman antiquity. Sexual practices refers to a part of the overarching notion of sexuality: specifically, the acts of sexual intercourse, the erogenous capacities and genital functions of male and female body, and any other physical or biological actions that define one's sexual identity or orientation. This volume aims to approach not simply the acts of sexual intercourse themselves, but also their legal, social, political, religious, medical, cultural/moral and interdisciplinary (e.g. emotional, performative) perspectives, as manifested in a range of both textual and non-textual evidence (i.e. architecture, iconography, epigraphy, etc.). The insights taken from the contributions to this volume would enable researchers across a range of disciplines – e.g. sex/gender studies, comparative literature, psychology and cognitive neuroscience – to use theoretical perspectives, methodologies and conceptual tools to frame the

sprawling examination of aspects of sexuality in broad terms, or sexual practices in particular.

The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7 Michael Gagarin, 2010

Gay and Lesbian Communities the World Over Rita J. Simon, Alison M. Brooks, 2009-12-30 *Gay and Lesbian Communities the World Over* examines the treatment and status of gays and lesbians in 21 countries around the world. The countries included are Canada, the United States, Argentina, Brazil, Great Britain, France, Germany, Italy, Sweden, Hungary, Poland, Russia, Israel, Egypt, Iran, Nigeria, South Africa, India, China, Japan, and Australia. The book explores the history of homosexuality dating back to ancient Greece and Rome, as well as attitudes toward gays and lesbians within the world's most prominent religions, the arts, literature, and film. This investigation is unique due to its comprehensive and innovative analysis of a wide range of topics concerning gay and lesbian communities across a large number of countries. The authors report on the rights of gay and lesbian citizens in the countries listed above, as for example the right to marry, adopt, serve in the military, hold certain occupational positions. They also describe the status of gay and lesbian citizens as for example, the legality of homosexuality and sanctioned punishments. When available, public opinion data are reported on how respondents feel about gays and lesbians in their country as well as their opinions on what rights should be afforded to this group. Data are reported on respondents' opinions on allowing gay marriage, civil unions, adoption, and allowing gays to openly serve in the military. The representative sample of countries in this study will help scholars get a better sense of the status of gays and lesbians across the globe.

The Cambridge World History of Sexualities: Volume 2, Systems of Thought and Belief Merry E. Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume II focuses on systems of thought and belief in the history of world sexualities, ranging from early humans to contemporary approaches. Comprising eighteen chapters, this volume opens with a chapter on the evolutionary legacy and then delves into the sexualities of ancient Egypt, the Near East, Greece, and Rome, continuing with pre-modern South Asia, China, and Japan, Africa, the Americas, and Oceania. Chapters include an examination of sexuality in the religious traditions of Buddhism, Judaism, Christianity, and Islam, and also look at more recent approaches, including scientific sex, sexuality in socialism and Marxism, and the intersections between sexuality, feminism, and post-colonialism.

Ancient Greece and Rome Keith Hopwood, 1995 Sir Thomas Fairfax, not Oliver Cromwell, was creator and commander of Parliament's New Model Army from 1645 to 1650. Although Fairfax emerged as England's most successful commander of the 1640s, this book challenges the orthodoxy that he was purely a military figure, showing how he was not apolitical or disinterested in politics. The book combines narrative and thematic approaches to explore the wider issues of popular allegiance, puritan religion, concepts of honour, image, reputation, memory, gender, literature, and Fairfax's relationship with Cromwell. 'Black Tom' delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading, yet most neglected, participants. It is the first modern academic study of Fairfax,

making it essential reading for university students as well as historians of the seventeenth century. Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally.

A History of the Roman Empire in 21 Women Emma Southon, 2023-09-07 Rome as you've never seen it before – brazenly unconventional, badly behaved and ever so feminine. 'Hugely entertaining and illuminating' —Elodie Harper, author of *The Wolf Den* A WATERSTONES BEST HISTORY BOOK OF 2023 Here's how the history of the Roman Empire usually goes... We kick off with Romulus murdering his brother, go on to Brutus overthrowing Tarquin, bounce through an appallingly tedious list of battles and generals and consuls, before emerging into the political stab-fest of the late Republic. After 'Et tu, Brute?', it runs through all the emperors, occasionally nodding to a wife or mother to show how bad things get when women won't do as they're told, until Constantine invents Christianity only for Attila the Hun to come and ruin everything. Let's tear up this script. The history of Rome and its empire is so much more than these 'Important Things'. In this alternative history, Emma Southon tells another story about the Romans, one that lives through Vestal Virgins and sex workers, business owners and poets, empresses and saints. Discover how entrepreneurial sex worker Hispala Faecenia uncovered a conspiracy of treason, human sacrifice and Bacchic orgies so wild they would make Donna Tartt blush, becoming one of Rome's unlikeliest heroes. Book yourself a table at the House of Julia Felix and get to know Pompeii's savviest businesswoman and restaurateur. Indulge in an array of locally sourced delicacies as you take in the wonderful view of Mount Vesuvius... what could possibly go wrong? Join the inimitable Septimia Zenobia, who – after watching a series of incompetent, psychopathic and incompetently psychopathic emperors almost destroy the Empire – did what any of us would do. She declared herself Empress, took over half the Roman Empire and ran it herself.

"Montanism" in the Roman World Peter Lampe, Heidrun E. Mader, 2024-11-18 The early Christian movement known as Montanism referred to itself as the New Prophecy. This collected volume, featuring contributions from the first-ever symposium on the New Prophecy, examines the origins of the Phrygian New Prophecy during the pandemic under Marcus Aurelius, its debated presence in North Africa and its relation to Tertullian, its relationship with mainstream Christians in Asia, its female leaders, and its echoes in the writings of Lucian of Samosata, Celsus, Origen, Eusebius, Epiphanius, and Honorius's legislation. The book concludes with a systematic-theological reflection for today's churches and William Tabbernee's bibliography. Contributions by Heidrun E. Mader, Bernard Doherty, Peter Lampe, David E. Wilhite, Andrew McGowan, Petr Kitzler, Megan DeVore, Barbara Crostini, Ronald E. Heine, Ilaria L.E. Ramelli, Maria Dell'Isola, Andrzej Wypustek, Geoffrey D. Dunn, Alistair C. Stewart, and Gyula Homoki.

World-Changing Women Paul Chrystal, 2025-03-31 Highlights 150 influential women from pre-classical civilizations, ancient Egypt, and Israel, reshaping history by defying patriarchal norms. Countless books have been written about prominent women in Greece and Rome, so we know all about Medea, Sappho, Lucretia, Boudica and Cleopatra and their

significant actions and achievements. This book extends the invaluable story of women in early history to pre-classical civilizations, ancient Egypt and Israel to include prominent women in those civilizations as well, thus introducing them, and their roles and places in their respective societies and social histories, to a wide audience. The aim of this book is to demonstrate how 150 women (most little known) significantly influenced, informed and changed the worlds in which they lived. We show how a small, disparate body of women in each of these periods, united by their determination and strength of mind, were able to break free from the norms and values of the patriarchal societies which confined and restricted them to make a valuable difference to their individual societies, cultures, politics and foreign policies; in so doing they have changed perceptions of women and the role women were subsequently allowed to play. Some of the women are well known, others less so. The book reinforces the reputations of those who have endured popularity over the centuries and, where necessary, realigns those reputations after years of prejudice and the vicissitudes of sexism, misogyny, Hollywood and sensationalist literature. For those who have been written out of mainstream history and relegated to footnotes at best, this is a chance to re-introduce them and the impact they have made on their and our world. Their relative anonymity does not mean that they are less important - on the contrary, they are equally significant and the more we know about them, the better if we want a rounded picture of the civilizations to which they contributed so much. Each chapter is followed by suggestions for further reading to encourage further research.

LUX: Studies in Greek and Latin Literature Myrto Aloumpi, Antony Augoustakis, 2024-10-21 This volume of essays in honor of Lucia Athanassaki offers a great variety of chapters on a number of topics in Greek and Latin literature and genres, from Greek epic and lyric poetry to Greek drama and late antiquity, Greek historiography, and Latin lyric poetry.

A History of Medicine: Roman medicine Plinio Prioreschi, 1996

What does the Bible Really Teach About Homosexuality? Denmark Hill, 2015-04-17 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us - the skeptic, the seeker, the certain, and the confused - to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike - offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

300,000 Kisses Seán Hewitt, Luke Edward Hall, 2023-10-10 A landmark illustrated anthology of queer Greek and Roman love stories that reclaim and celebrate homosexual love and sensuality, from artist Luke Edward Hall and award-winning poet Seán Hewitt. For centuries, evidence of queer love in the ancient world has either been ignored or suppressed. Even

today, only a few narratives are widely known: the wild romance of Achilles and Patroclus; the yearning love of Sappho's lyrics; and the three genders introduced in Plato's Symposium. Yet there is a rich literary tradition of queer Greek and Roman love that extends far beyond the prudish translations of these familiar handful of stories. In *300,000 Kisses*, award-winning poet Seán Hewitt and renowned designer Luke Edward Hall collect these stories—including some of the most beautiful and moving in the classical canon—and bring them to vivid life. Alongside celebrated works by Homer, Sappho, Ovid and Catullus, they include a wide range of rarely anthologized sources: raunchy poems, thoughtful dialogues, philosophical treatises, and even a graffiti text salvaged from the ruins of Pompeii. Through Hewitt's contemporary translations and Hall's vibrant illustrations, we encounter relationships that are by turns heartfelt and nourishing, unrequited and lustful, toxic and crude, tender and fulfilling. A groundbreaking anthology that seeks to change the way we see the ancient world, *300,000 Kisses* is a fascinating journey through love in all its forms.

Ancient Greece and Rome: Rome-Zeus Carroll Moulton, 1998 Presents a history of ancient Greece and Rome as well as information about the literature and daily life of these early civilizations.

Foucault, Sexuality, Antiquity Sandra Boehringer, Daniele Lorenzini, 2022-06-23 *Foucault, Sexuality, Antiquity*, published for the first time in English, takes an interdisciplinary approach to exploring how the work of Michel Foucault has influenced studies of ancient Greece and Rome. Foucault's *The History of Sexuality* has had a profound and lasting impact across the humanities and social sciences. In the two volumes dedicated to pagan antiquity, Foucault provided scholars with new questions for addressing ancient Greek and Roman societies, and an original epistemological framework for thinking about eroticism and about the processes by which individuals are led to recognize themselves as the subjects of their desires. Now, decades later, the scholars in this volume explore Foucault's role in shaping and reorienting discussions of antiquity in the fields of philosophy, gender studies, and psychoanalysis, among others. A multidisciplinary exploration of Foucault's work and its relationship to our understanding of ancient Greco-Roman societies, *Foucault, Sexuality, Antiquity* will be of interest to students and scholars in classical studies, philosophy, gender studies, and ancient history.

The Oxford Classical Dictionary Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the 'Oxford Classical Dictionary' is the ultimate reference on the classical world containing over 6,200 entries. The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English.

Truth in the Late Foucault Paul Allen Miller, 2024-05-30 The first full treatment of truth as a core philosophical concept in the late Foucault, this volume examines his work on the ancient world and the early church. Each essay features a deep examination as to how the topics of truth and sexuality intersect with and focus on Foucault's engagement with ancient philosophy and thought. *Truth in the Late Foucault* offers readings on Plato, Artemidorus, Cicero, Sophocles and the Stoics,

and pays close attention to Cassian, Paulinus of Nola, and early Christian practices of confession. With the publication of the long-awaited volume 4 of the *History of Sexuality: Confessions of the Flesh*, the shape of the final Foucault is now brought into stark relief. As well as looking at ancient thought, the contributors explore Foucault's work in relation to philosophers such as Gadamer, Heidegger, Derrida and Descartes. Foucault's long-running and often contentious dialogue with psychoanalysis, on the relation between truth and the subject, is also examined. Each essay not only makes an important statement, but also is part of an interconnected arc of topics and understanding, covering both the ancient and modern periods. This book reveals that Foucault's concern with antiquity raises questions deeply pertinent to the present moment.

Tolerance of Uncertainty John Bancroft, 2014-08-13 Late in his life, the author came to realize that there was much in his world that was uncertain. How should he deal with that? In this book, he explores how some scientists have tolerated uncertainty and goes on to consider uncertainty in relation to our morals. The subjugation of women has been a major moral problem through history, characterized by certainty. In his view, this has fostered many other immoralities (e.g. slavery). He then reviews the world's main religions. To what extent have they accepted uncertainty, and how have they dealt with sex and women? How do individuals cope with religious uncertainty? By the end of the book, he makes the clear distinction between unknowability (reflecting the limitations of our comprehension, which we should respect) and uncertainty (which is more relevant to our day-to-day experiences, which we need to cope with and tolerate). For this purpose, he proposes models of reality that we could use, assessing the extent that they have been helpful and modifying them as necessary. He sees this modelism as having general significance, and to illustrate this, he proposes a radical model for incorporating both women and men into our society: a two-team approach. Tolerance of uncertainty is of fundamental importance to us all. Certainty is often problematic and should be viewed with caution.

What Does the Bible Really Teach about Homosexuality? Kevin DeYoung, 2015-04-16 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Female Homosexuality In Ancient Greece And Rome Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you

can explore and download free Female Homosexuality In Ancient Greece And Rome PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it

possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Female Homosexuality In Ancient Greece And Rome PDF

books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Female Homosexuality In Ancient Greece And Rome free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Female Homosexuality In Ancient Greece And Rome Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. Female Homosexuality In Ancient Greece And Rome is one of the best book in our library for free trial. We provide copy of Female Homosexuality In Ancient Greece And Rome in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Female Homosexuality In Ancient Greece And Rome. Where to download Female Homosexuality In Ancient Greece And Rome online for free? Are you looking for Female Homosexuality In Ancient Greece And Rome PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Female Homosexuality In Ancient Greece And Rome. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress.

If you are looking for free books then you really should consider finding to assist you try this. Several of Female Homosexuality In Ancient Greece And Rome are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Female Homosexuality In Ancient Greece And Rome. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your

computer, you have convenient answers with Female Homosexuality In Ancient Greece And Rome To get started finding Female Homosexuality In Ancient Greece And Rome, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Female Homosexuality In Ancient Greece And Rome So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Female Homosexuality In Ancient Greece And Rome. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Female Homosexuality In Ancient Greece And Rome, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Female Homosexuality In Ancient

Greece And Rome is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Female Homosexuality In Ancient Greece And Rome is universally compatible with any devices to read.
