Biblical Quotes from A Course in Miracles Reinterpreted Gene Skaggs Jr., 2011-09-15 The popular spiritual teaching known A Course in Miracles (ACIM) presents a radically new vision of Christianity, using many of the familiar terms and

ideas of that old time religion in refreshingly different ways. In a number of places, the Course refers to specific quotes from the Bible and reinterprets them in a new light. This handy compilation of Biblical references made in the Course is compiled by veteran ACIM teacher Gene Skaggs Jr., who presents each Bible quote with the Course's reinterpretation followed by brief, explanatory remarks of his own. An essential guidebook for anyone trying to understand the new vision of Christianity presented by A Course in Miracles.

Confessions of a Covid 19 Survivor Mildred L. Norwood Fisher,2022-06-17 Confessions of a COVID-19 Survivor is written by Mildred L. Norwood-Fisher. It is the heartfelt story of the pain, suffering, fear, and anxiety that overwhelmed her when she found herself suddenly cast into the excruciating valley of COVID-19. While passing through the valley, she was overwhelmed but eventually rejoiced because of an unexpected victory. In the valley, there were many ups and downs. Many dark days and even darker nights. So many days all she had was her past because her present looked bleak, and it appeared that there would be no future beyond the valley, which within itself was a terrifying thought. Mildred felt trapped in the dark valley of despair. Many times, she felt as if there were no escaping the valley because the walls of the endless pathway were crushing in on her. The dryness in the valley had taken her breath away. She couldn't breathe. Every attempt to do so was an act of manual labor. You will also walk with Mrs. Smith as she found herself trapped in the valley in total agony when her firstborn, her only son, Matthew, was tossed into the fiery furnace of COVID-19, left there to die, and that he did. Mrs. Smith found herself locked inside herself. You see, a parent is not supposed to bury her child, yet that was exactly what she was left to do, and there was no escaping that horrible reality. That day, time stopped, and she could not move beyond that even if she tried. You will witness a family that was moved by faith through fate to God's faithfulness. This book unleashes the power of God, the manifestation of the Holy Spirit as the healing hands of God are revealed. I pray that this book will inspire, encourage, and bless you as I have truly attempted to give testimony to the faithfulness of our God, "How great is thou faithfulness?"

Muzzled Michael Smerconish,2007-03-11 Sick of the total BS of rampant PC? This brazen, furiously funny book is the

antidote to today's poison of political correctness. With humor andchutzpah, attorney, commentator, and popular radio host Michael Smerconish takes on today's oversensitive culture with a collection of entertaining, outlandish anecdotes about PC gone wild-stories that are hilarious, horrifying, and unbelievably true. Why are sports leagues handing out trophies to losers? Why are little old grandmas hired to guard 200-pound prisoners? Why are newborn babies and old men with walkers singled out at the airport while likely terrorists are ushered through security with ease? This book shows through these absurdities that today's atmosphere of censorship and multiculturalism is paving the way for serious threats to our cultural identity and national security: It's one thing for the forces of political correctness to muzzle our day-to-day lives here at home in the US, quite another when that same cancer metastasizes into the war on terror. We must eradicate the PC disease. Our sanity-and our very lives-depend on it. Michael Smerconish talks the talk: If you say unpopular things, watch out! Using vivid examples of PC rubbish, Muzzled will lead you into a world that would terrify Rod Serling. An entertaining and provocative book. -Bill O'Reilly Reads like fiction, too bad it's true. -Nelson DeMille, novelist, author of Night Fall and The General's Daughter The PC virus is out of control . . . and it's worse than you think! In this entertaining and important book, Michael Smerconish chronicles just how mindless things have gotten in politically correct America. He tells fascinating stories that will make you laugh . . . right up until the time they make you scream. Thanks to the PC crowd, we are all living in The United States of the Absurd. -Bernard Goldberg, journalist and author of 100 People Who Are Screwing Up America, Arrogance, and Bias I really squirm whenever I find myself agreeing with Smerconish. (I know the feeling is mutual.) I did a lot of squirming while reading this provocative book. All true liberals and conservatives must agree with Smerconish that the PC muzzles must be removed so that people can decide based on the marketplace of ideas. -Alan Dershowitz, Felix Frankfurter Professor of Law, Harvard and author of Preemption I don't often find myself on the same side of the political barricades as Michael Smerconish. But Muzzled is a witty, provocative, and timely book. Even when Michael is wrong, which is often, he draws you in and keeps you reading. -Arianna Huffington, author of Pigs at the Trough and Fanatics and Fools In Muzzled, my American Blood Brother of status-quo-obliterating defiance, Michael Smerconish, once again smokes out the cockroaches of political correctness . . . Muzzled is a great title for a book that I am convinced every American school kid should read and be tested on. If a new generation doesn't grow some intellectual balls, our Once Great Nation will continue to repeat horrific mistakes and pay the price . . . Read it. Live it. -Ted Nugent, rock star, author, television personality, and hunter extraordinaire
