Tokens Rachel O'Dwyer, 2023-10-03 Longlisted for the Financial Times Schroders Business Book of the Year Award 2023 BEST BOOK OF THE YEAR: GQ, Los Angeles Times, Wired The essential guide to this new landscape of NFTs, Web3, Crypto and DAOs and a warning of the political consequences of what happens when platform capitalism comes for the money in your pocket Wherever you look, money is being re-placed by tokens. Digital platforms are issuing new kinds of money-like things: phone credit, shares, gift vouchers, game tokens, customer data—the list goes on. But what does it mean when online platforms become the new banks? What new types of control and discrimination emerge when money is tied to specific apps or actions, politics or identities? Tokens opens up this new and expanding world. Exploring the history of extra-monetary economies, Rachel O'Dwyer shows that private and grassroots tokens have always haunted the real economy. But as the large tech platforms issue new money-like instruments, tokens are suddenly everywhere. Amazon's Turk workers are getting paid in gift cards. Online streamers trade in wishlists. Foreign remittances are sent via phone credit. Bitcoin, gift cards, NFTs, customer data, and game tokens are the new money in an evolving economy. It is a development challenging the balance of power between online empires and the state. Tokens may offer a flexible even subversive route to compensation. But for the platforms themselves they can be a means of amassing frightening new powers. An essential read for anyone concerned with digital money, inequality, and the future of the economy.

Am I Crazy? Chad Prather, 2021-10-12 The World needs Chad Prather more than ever. He's a throwback to a saner and more fun-loving America. His rants are OUR rants. — Charlie Kirk Chad Prather — “a modern-day Will Rogers” — is just your friendly neighborhood cowboy philosopher, gazing into the sweet tea leaves at the bottom of his cowboy hat, pondering a most fundamental question: “Am I crazy? Or is the world crazy...?” Chad finds life amusing, baffling, sometimes heartwarming, and downright interesting, and wants to share personal stories and witty observations on the hasty growth of insanity within the folds of society, and inspire critical thinking about the state of our modern culture. In this series of humorous essays — reminiscent of the rants he is famous for doing from his truck in Texas — Chad takes on all the problems he has with the modern age, and also talks about some of the problems that we have with each other. Problems with kids, problems with spouses, problems with our bosses at work, and of course problems with all those other jackwagons we work with. What are some of the basic things you need to know if you’re going to survive marriage and parenthood? Whatever happened to decency, hard work, and a sharing of the basic values that made us great in the first place? When did it become unfashionable to believe in God, to go to church on Sunday, or to send our “thoughts and prayers” toward those having a difficult time? When did it become child abuse to spank your kids, instead of child abuse to avoid it? Why do we have such visceral reactions to politics when — by and large — we know so little about how it actually works? When is social media going to finally stop messing around and just bring the full-on possession? And why is it that, as we march further and further along the road of progress — growing our collective knowledge and technological means of dealing with life along the way — we seem to be regressing socially at an equally break-neck pace? AM I CRAZY?: An Unapologetic Patriot Takes on the Insanity of Today’s Woke World explores human misbehavior and stupidity in all its naked splendor with laugh-out-loud humor.
