

On Fait Comme Si

Jacques Bénigne Bossuet (évêque)

Ateliers ludiques, créatifs et pédagogiques pour une nouvelle ère Valérie Dartevelle,

Oeuvres complètes François de Salignac de La Mothe- Fénelon, 1848

The Mother in/and French Literature ,2021-11-22 The essays in this volume investigate maternity and the figure of the mother in French literature from France, Switzerland, Quebec and Africa, from the seventeenth century to the present. Drawing on cultural history, psychoanalysis, and feminist theory, as well as more traditional methods, they present maternity as a source of frustration and of joy, mothers as repressed and revered, daughters as wounded and loving, sons as domineering and dependent. Indeed, few things are simple where mothers — and especially where writing about mothers — are concerned.

Animaux solitaires Bruce Holbert, Jean-Paul Gratias, 2017-02-11 Comté de l'Okanogan, État de Washington, 1932.

Russell Strawl, ancien officier de police, reprend du service pour participer à la traque d'un tueur laissant dans son sillage des cadavres d'Indiens minutieusement mutilés. Ses recherches l'entraînent au cœur des plus sauvages vallées de l'Ouest, là où les hommes qui n'ont pas de sang sur les mains sont rares et où le progrès n'a pas encore eu raison de la barbarie. De vieilles connaissances croisent sa route, sinistres échos d'une vie qu'il avait laissée derrière lui, tandis que se révèlent petit à petit les noirs mystères qui entourent le passé du policier et de sa famille. À l'instar des romans de Charles Portis ou de Cormac McCarthy, *Animaux solitaires* mêle avec brio les codes du western et ceux des plus grands romans noirs. Un premier roman remarquable dont on ne pourra oublier le héros mélancolique qui rêve d'imposer la justice aux confins de la civilisation. Quel que soit le prix à payer.

From Hell to Love Anna Wendell, 2020-12-02 Elle est sauvage, insaisissable et solitaire. Il est têtue, insolent... et il adore les défis. Nouveau pays, nouvelle langue, nouveaux potes. On peut dire que c'est l'année du changement pour Ethan... Fini les conneries, il va devoir assurer s'il veut se faire une place dans cette école de cinéma parisienne. Mais, dès le premier cours, il a eu la mauvaise idée de s'asseoir à côté d'elle... Léa. Avec son regard foudroyant, son ton agressif et son allure provocante, cette nana est à la fois un grand bol d'air frais et une claque en pleine figure. Depuis, Ethan ne pense plus qu'à apprivoiser sa bouche pulpeuse et explorer son corps svelte. Car, derrière la colère, il a vu dans les yeux de cette fille une

lueur sauvage, puissante. Celle du désir. Alors, même si elle est sans doute une bombe à retardement, Ethan a déjà fait son choix : il mettra tout en œuvre pour la désamorcer... au risque d'exploser avec elle. A propos de l'auteur Maman solo originaire de Bourgogne, Anna Wendell connaît un parcours hétéroclite qui enrichit son imagination. En 2015, l'idée de son premier roman lui tombe dessus sans prévenir. Dès lors, cette infatigable romantique n'a plus cessé d'écrire et a fait de sa passion son métier.

Encyclopédie méthodique , 1792

Le 'Verbe' au cinéma Boulou Ebanda de B'éri, 2013 Un essai, politique, sur l'oralité dans un corpus de films d'Afrique noire francophone de 1950 à 2000. Dans un langage clair, l'auteur illustre comment dans les sociétés de l'écriture, le texte engagerait l'Homme et que cette écriture aurait imposé un genre, un style et des modes de production de sens qui sont propres à ces sociétés de l'écriture d'où, par exemple, la naissance du langage cinématographique formalisé. Ainsi il se demande ce qui arriverait à une analyse de film calquée sur ce langage dont les articulations discursives ne sont pas nécessairement en adéquation avec la mysticité de la parole qui, elle, engagerait véritablement l'Homme en Afrique noire? Qu'arrive-t-il à l'analyse quand l'image d'une parole détourne le sens prescrit dans les modes opératoires du langage cinématographique des sociétés de l'écrit ? Comment le cinéma, à travers la technique audiovisuelle, devient-il une technologie par excellence capable de nous faire voir la nature mystique et culturelle de cette parole ?
