Jo's Journey S.E. Smith,2013-09-15 Jo Strauss was committed to two things in her life – her family and her life as an acrobat/high-wire performer. Her life was orderly, in control, and she was finally settling down in one place so she could spend more time with her parents instead of moving all over the world every few weeks. To celebrate her and younger sister Star's one year anniversary away from the circus, they planned to meet River Knight, their childhood friend and sister of the heart, for a vacation in the mountains in North Carolina. Everything went as planned until she and her sisters were kidnapped. Now, she has been transported to another world. Aliens, warships, battles, and a certain male were not in the carefully detailed plans she had mapped out for her life. Manota Ja Kel Coradon is the second son of the ruling House of Kassis. He is known as the dark brother, a reputation that he lives up to. He has fought hard to protect his family and the people of Kassis, sometimes sacrificing parts of his soul to do so. His knowledge, skills, and development of weaponry are legendary. His skill as a warrior brings shivers of fear to his opponents. He never gives mercy to those who stand in his way. Manota is in total control of his world until one slender, feisty alien female crashes through the shields he has placed around his heart. She is fearless, determined, and stubborn. She absolutely refuses to cower before him, no matter how much he growls! He is determined to protect her and claim her as his own, but there is one little problem – she will not agree to accept his claim unless he returns to Earth for her parents. Now, he has even bigger problems – that come in all different shapes, sizes, and species! Jo and Star's parents aren't the only ones coming back to Kassis – so is the whole circus! Traitors, pirates, and Mimes are just the tip of the iceberg. Manota is about to learn that the prophecy from centuries ago is true. His mate is just as much of a warrior as he is and she comes with backup when an old enemy attacks! A NY Times and USA Today bestselling author, the internationally acclaimed S.E. Smith presents a new story with her signature humor and unpredictable twists! Exciting adventure, hot romance, and iconic characters have won her a legion of fans. Over TWO MILLION books sold!

Cristoforo Willie Thomas,2004 At the beginning of the seventeenth century, the French and the English turned their attention to the northerly climes of the New World. With the naïve and benevolent complicity of Native tribes, they penetrated, awestruck, the wild Eden that had been inhabited for centuries by Kanadyens, Wanabakis, and Gaspégois. In only fifty years, the foreigners took possession of those territories, calling them New France and New England. Cristoforo recounts the rollicking adventures of Europeans in the New World, who did their best to recreate the Old World despite their intentions of leaving it behind forever. It is a Baroque tale, a pell-mell mixture of fictional and historical characters. The Puritan John Winthrop, makes a pact with the cunning Father Joseph in La Rochelle. A young Irishman, riased as a Native, dies in the conflagration of Drogheda in one of Oliver Cromwell's fanatical missions after witnessing the horrible death of his boon companion, the Pequot sagamore, Sassacus. A camel leads an astonishing pilgrimage through the forests of Acadia while his master loses his head-and his body-in the streets of Paris. The heroic era of France, England, and savage North America is revealed in fantastic episodes by an undeluded fur merchant with an imagination as original as it is fertile, and who happens to have been bo without legs.

Marija Gimbutas Rasa Navickaitė, 2022-12-23 This book is a biography and reception history of the Lithuanian-American archaeologist Marija Gimbutas (1921-1994). It presents the first transnational account of Gimbutas’ life based on historical research, and an original examination of the impact of her ideas in various feminist contexts, both academic and popular. At the core of this book is a success story of an Eastern European woman who survived both Soviet and Nazi occupations of her homeland, lived as a displaced person in postwar Germany, and built her career and scholarly authority within the androcentric American academia. At the same time, it is also a story of a controversy, which followed Gimbutas’ theory of Old Europe – a prehistoric civilization, characterized by peacefulness, egalitarianism, women’s leadership, and the worship of the Great Goddess. First introduced in 1974, this theory inspired women’s movements worldwide, but was harshly criticized by other archaeologists. This book examines the various intellectual contexts (feminist, nationalist, theoretical) in which Gimbutas’ ideas were formed, received, and interpreted, as well as appropriated for different political goals. This timely study will appeal to scholars and students in the following fields: history of archaeology, prehistoric archaeology, gender studies, feminist studies, women’s history, Baltic studies, and religion and spirituality. In Love with a Handsome Sailor Richard M. Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti, French author Julien Viaud (1850-1923) produced a series of fictions that sympathetically portrayed male same-sex desire and its accompanying societal conflicts. Due to the constraints of the time, Viaud had to develop various strategies for discussing his subject covertly; his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime, which included his election to the French Academy at age forty-one. Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud, chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public. In so doing, Berrong asserts that Viaud's development of a homosexual identity undermined and realigned dominant constructions of masculinity, presented the need for gay community, and elaborated the role of literature for gay men. The first book-length gay reading of Viaud's corpus, this work will make an important contribution not only to the study of Viaud, but also to the study of gay and lesbian history, culture, and literature.

From Survival to Fulfilment Paul Valent,2020-03-31 First published in 1998. Paul Valent sees that the dialectic is not between life and death but between life and trauma. This text theorizes that the big issues of life can now be approached through the science of traumatology. Through communication with, and observation of, people whose lives have been stretched under stress or disrupted by trauma, the fulfilling components of their lives can be defined, oriented and categorized. It introduces the theory on the back of clinical and historical material, examining the current state of such concepts as stress, trauma, defences, memories, post post-traumatic stress disorder, and other illnesses. It should be of interest to those in the healing professions or to those who work with traumatized individuals, lawyers, social workers, clergy and those in the humanities in general.

On Writing and Publishing Lillian Cui Garcia,2021-12-29 In this memoir, the author looks back to how even as she grew up thinking and speaking Cebuano, a major language in the Philippines, she somehow found her first literary voice in the

poems she wrote in English, the language of instruction in the educational system she attended. She traces how her poetic self-expression in English soon evolved into writing personal essays through high school and college and how this progressed into writing academic articles to keep her teaching position at a university in the Philippines. She then narrates how her academic writing background incalculably facilitated her career as a government researcher and college instructor during more than 3 decades of her 43-year permanent residency in Canada. Interweaving the stories of her writing experience with recollections of family and work-life in the Philippines and Canada, she draws her journey to a full circle with her once again writing literary pieces and putting them together in the three memoirs she had self-published since 2019.

Rape Cultures and Survivors Tuba Inal, Merrill D. Smith, 2018-07-11 An in-depth treatment in two volumes of the historical and cultural contexts of rape and rape culture, this set discusses both victims and perpetrators internationally during war and peace times and examines the treatment of survivors. Historically, women, men, and children have all suffered sexual violence, during wartime and peacetime as well as inside and outside their homes. This two-volume title focuses on survivors of rape in a variety of social and cultural contexts. It examines different people who are victimized in a variety of situations (including in war and prisons) and studies the particularities of rape cultures that are intertwined with ethnic cultures and hatreds and other forms of conflictual social, political, and economic relations. In the introduction, the editors define rape and rape culture and provide historical and cultural context for the information presented throughout the volumes, the first of which primarily focuses on the causes and manifestations of rape cultures; the second considers the consequences of rape cultures for survivors of sexual assault. In both volumes, contributors provide case studies elucidating the experiences of a variety of victims—young, old, male, female, straight, and LGBT—in diverse locations around the world to help readers understand how truly pervasive and portentous rape culture is.
