When students know how to write Book Hooks and have access to an easy-to-use system for allowing students to share Book Hooks, the result is greatly increased reading through the power of peer recommendations. This book not only supplies a detailed plan for teaching appeal terms and Book Hook writing, but it also provides two extensive appendices containing all the black line masters and forms needed to implement these lessons. As a result, practitioners will be able to enhance their students' reading culture through increased sharing of reading—and most importantly, by empowering students with the ability to clearly define their reading preferences.

UnSouled Neal Shusterman, 2014-10-14 After the destruction of the Graveyard, Connor and Lev are on the run, seeking a woman who may be the key to bringing down unwinding forever while Cam, the rewound boy, tries to prove his love for Risa by bringing Proactive Citizenry to its knees.

The corrupt company is planning to mass-produce rewind teen soldiers, and to keep their profitable plans from being interrupted, they've been suppressing technology that could make unwinding completely unnecessary. When Conner, Risa, and Lev uncover these startling secrets, enraged teens march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens is growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the ground and put every adult in them before a firing squad. Can the persecuted teens get the justice they deserve without dooming America to a divided and violent future?

Downsiders Neal Shusterman,2012-02-21 Beneath the sewer grates and manholes of the city lies a strange and secret world called the Downside. Every Downsider knows that it's forbidden to go Topside, and most fear a collision of the two worlds. But fourteen-year-old Talon is curious about what goes on above ground, and one day he ventures out in search of medicine for his ailing sister. There he meets Lindsay, who is as curious about Talon's world as he is about hers. When Lindsay visits the Downside for the first time, she marvels at the spirit of the Downsiders, and the way they create works of

art from topside trash, like old subway tokens and forgotten earrings. As awed as she is by the Downside, however, she also questions its origins, and when she finds out that this fantastic world is not all it appears to be, she is determined to tell Talon the truth. Then a construction accident threatens to crush Talon's world, and his loyalty is put to the test. Can the truth save the Downside, or will it destroy an entire civilization? The Schwa was Here Neal Shusterman, 2006-03-02 They say his clothes blend into the background, no matter where he stands. They say a lot of things about the Schwa, but one thing's for sure: no one ever noticed him. Except me. My name is Antsy Bonano, and I was the one who realized the Schwa was "functionally invisible" and used him to make some big bucks. But I was also the one who caused him more grief than a friend should. So if you all just shut up and listen, I'll tell you everything there is to know about the Schwa, from how he got his name, to what really happened with his mom. I'll spill everything. Unless, of course, "the Schwa Effect" wipes him out of my brain before I'm done....
