Atria Books: A Booklovers Sampler Jamie McGuire, Tina Reber, Raine Miller, K.A. Tucker, Katja Millay, Colleen Hoover, 2013-04-23 You've heard of love at first sight—but have you experienced love at first read? Introducing six of the most talented new voices in contemporary women's fiction. Prepare to fall head over heels for... Beautiful Disaster by Jamie McGuire Abby Abernathy is a good girl, who could bring the ultimate bad boy to his knees...but not before the secrets of her own dark past come back to haunt her. Love Unscripted by Tina Reber Taryn Mitchell is nursing a recent heartbreak, and content to keep her distance from men for a while...until Hollywood's most sought after actor walks into her small-town pub and turns her world upside down. Naked by Raine Miller Brynne Bennett is an American art student in London swept up in a torrid love affair with a sexy, successful businessman—who proves to be as domineering in the bedroom as he is in the boardroom. One Tiny Lie by K.A. Tucker After navigating the death of her parents and her older sister's self-destructive phase, smart and stable Livie thinks Princeton should be a breeze—but Jell-O shots, a party-animal roommate she can't say "no" to, and Ashton, the gorgeous but arrogant captain of the men's rowing team were definitely not part of the plan... The Sea of Tranquility by Katja Millay A story of first love—and forever love: In the midst of a bustling high school, a fragile girl and a lonely boy find each other. As they grow closer, the attraction between them grows, too—but can either of them risk losing the friendship that's saved them from their troubled pasts for a romance that might just shape their future? Slammed by Colleen Hoover The unexpected death of her father has left Layken feeling lost and invisible—until she meets Will, her new neighbor and a passionate poet. Sparks soon fly...but a shocking discovery could bring their relationship to a slamming halt before it's even fully begun.

God-Shaped Hole Tiffanie DeBartolo, 2017-05-16 God-Shaped Hole will change you as a reader, writer and human. It is rare books like this one that remind me why I fell in love with the written word.—Colleen Hoover When I was twelve, a fortune teller told me that my one true love would die young and leave me all alone... It's a dark prediction, but Beatrice Jordan never really believed in true love anyway. So, no harm done. She's accepted her lot in life: living in Los Angeles as an artist, not letting herself get too attached to anyone. It's not perfect, but nothing is. Until fate intervenes. It's a simple personal ad: I am seeking a friend for the end of the world... Eleven little words that change Beatrice's life irrevocably. Because they lead her to Jacob Grace, an unpredictable writer looking for something he can't name. Both of their worlds shift

that day and what follows is a love story unlike any other; brimming with creativity and passion, as two lost souls find themselves in each other. From hole-in-the-wall record stores to late night phone calls, together, Beatrice and Jacob transcend the loneliness of their lives. But dark realities and secrets soon rise to the surface, as does Beatrice's fear of an inescapable fate. Despite it all, this is a story of real love: the kind that breaks you and remakes you, the kind that changes you forever. The kind of love worth having, even if it's short lived, even if you know you might lose it. *God Shaped Hole* is a brand new kind of love story, introducing dreamers to a quintessentially raw romance and inspires everyone to live and love as vividly as possible—the perfect book club or beach read for fans of *The Girl He Used to Know* by Tracey Garvis Graves, *In Five Years* by Rebecca Serle, and *More Than Words* by Jill Santopolo. Praise for *God-Shaped Hole*: This generation's Love Story.—Kirkus If Holden Caulfield were a twenty-seven-year-old woman living in LA, this is the book he'd write, or read. It's very fast and very funny, and at its core it's that rarest of things—a truly convincing love story.—Dave Eggers With wit and humor, the author brings these characters and their quirky, artsy friends alive. Bottom Line: You'll dig it—People

All The Stars Above Us Jyerrmou, 2022-03-25 Stacey Roger is a 20-year-old girl from California. Just a simple and normal girl who wants to enjoy her teenager life. When you have a brain tumor, can you still enjoy life even if you know that you are about to die in a few weeks? Stacey never thought that someone could bring back the happiness in her life. And the one who brought that back was someone who she didn't expect. William Macneil. A guy who has the same condition as Stacey but has the opposite outlook to his condition. Stacey thinks that her tumor is a burden in her life while William believes that it is a sign for him to enjoy his life. Is love at a complicated time possible? Is it okay to love someone who you know you would leave soon or might leave you soon?

Thorns of reality Crows Bones , 2025-05-11 She has been dead to me since the day I found out the truth behind her

absence. They told me they couldn't lie to me, but it was better if they did. They had to continue the lie, at least until the day I was strong enough to bear the truth.

Romance Market Trends Aisha Khan, AI, 2025-02-19 Romance Market Trends offers a deep dive into the business and social science behind one of the most commercially successful, yet often misunderstood, book genres. Examining the romance genre's financial performance, readership, and sub-genre evolution, the book reveals key insights into why romance consistently dominates bestseller lists. For example, the book highlights how the genre's continuous adaptation to evolving social norms and reader expectations, such as shifting attitudes toward relationships and gender roles, directly impacts its market trends. The book takes a data-driven approach, using sales statistics and reader surveys to analyze the romance market's dynamics. It explores consumer behavior and strategic decision-making in the publishing industry, and studies the influence of social trends on readership preferences. Beginning with foundational concepts and key metrics, the book progresses through an examination of financial performance, readership demographics, and sub-genre trends to provide practical guidance for industry professionals.

The Battle for Trust David Ryback, PhD, 2025-08-26 I Applaud The Work You Are Doing On the Vital Subject of Trust--The Thread That Holds Everything Together. -SCOTT PELLEY, 60 MINUTES REPORTER, CBS Need and Purpose of The Battle for Trust: Why It's Unique The decisions to trust—or not—are pervasive throughout our everyday lives. Whether or not we trust others, for example, depends on many factors, and they all have a history. The battle to trust or mistrust, as experienced at the personal, political and cultural levels, are revealed in this well-documented story. This book illuminates the nature of trust, a deeply abstract and critically important concept. The purpose here is to reveal to you what trust is as a psychological, political, and cultural phenomenon and how its deep roots, within each of us, guide our feelings toward how we experience it in our daily lives. What is so unique about this book? Here are five solid answers. This book: Begins by exploring the evolutionary origins of trust, its psychological and neuroscientific aspects. This is a brand new focus for a history of trust, backed up, later in the book, by deep research on how early primates dealt with conspiracies. Offers a fresh perspective of trust. It takes the development of language, from written to printed to digital, as a framework for understanding the history of the battle for trust over the ages. Offers a new analysis of trust with its various dimensions, from interpersonal, institutional, political, conspiratorial and tribal, to name a few. Deals with the scary times that come with the current issue of trust. The political climate is very uncertain. The overriding question is whether democracy will survive, not only in the US but across the globe as well. At home, we are facing resentment and violence in our political scene as never before. This book provides a framework to face the challenges of gossip, misinformation and conspiracy theories squarely and directly. Explores the advent of generative AI chatbots such as ChatGPT, GPT-4o, DeepSeek and Gemini which further complicate the issue of trust, especially with the abuse of deepfakes. This history takes a hard look at the substantial effect of the Age of

Mistrust in our social media culture.

Feminist Perspectives on Law and Literature Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality, and vice versa: intersectional feminist perspectives are extremely valuable in the study of law and literature. Of course, neither feminist nor intersectional approaches are new in and of themselves: for decades, literary scholarship has studied the impact of particular constellations of gender, race, and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood. However, research at the intersection of law,

literature and feminism has so far been limited and insular. Bringing together more than twenty international researchers from related disciplines, this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship. From reproductive and (trans-)gender justice in law and literature to feminist practices that intervene in judicial discourse, this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts. The volume's commitment to intersectionality fittingly extends to its very make up: the contributors were selected to represent a diverse range of positions in terms of their gender, career stage and nationality.

Space, Place, and Bestsellers Lisa Fletcher, Elizabeth Leane, 2024-06-30 From airport bookstores to deckchairs, as audiobooks downloaded by commuters, and on Kindles and other portable devices, twenty-first century bestsellers move in old and new ways. This Element examines the locations and mobilities of the contemporary bestseller as a multi-format commercial object. It employs paratextual, textual, and site-based analysis of the spatiality of bestsellers and considers the centrality of geography to the commercial promise of these books. *Space, Place, and Bestsellers* provides analysis of the spatial logic of bestseller lists, evidence-rich accounts of the physical and digital retail sites through which bestsellers flow, and new interpretations of how affixing the label 'bestseller' individual authors and titles generates industrial, social, and textual effects. Through its multi-layered analysis, this Element offers a new model for studying the spatiality of popular fiction.

Her promising path forward is derailed, however, when she discovers that Chris isn't who she thinks he is, and she must search inside herself to learn how to truly stand on her own. In her debut novel, *Somewhere Above It All*, author Holli Fawcett Clayton takes us on a breathless expedition through nature and brilliantly captures the restorative power of human connection in her poignant portrayal of Marren's struggle with grief. Readers will be captivated by Marren's riveting journey to overcome her painful past and find the happiness she longs for.

The Routledge Companion to Media Audiences Annette Hill, Peter Lunt, 2024-09-27 The Routledge Companion to Media Audiences captures the ways in which audiences and audience researchers are adapting to emerging social, cultural, market, technical and environmental conditions. Bringing together 40 original essays, this anthology explores how our constantly changing encounters with media are complex, contradictory and increasingly commercialized in the modern world. Each specially commissioned chapter by both early-career and experienced international scholars surveys new conceptualizations and constitutions of audiences, and assesses key issues, themes and developments within the field. As such, this companion cements itself as an indispensable guide for students and researchers who seek a comprehensive overview and source of inspiration for a diverse range of topics in media audiences. The Routledge Companion to Media Audiences is an accessible, landmark tool which enhances our understanding of how media is utilized through advanced empirical research and methodological enquiry. It is a must-read for media studies, communication studies, cultural studies, humanities and social science scholars and students.

Media and Propaganda in an Age of Disinformation Nelson Ribeiro, Barbie Zelizer, 2025-03-19 A critical and timely collection that argues for the centrality of propaganda in discussions about the contemporary media landscape and its informational ecosystems. This book explores how "propaganda," a foundational concept within media and communication studies, has recently been replaced by alternative terms (disinformation, misinformation, and fake news) that fail to capture the continuities and disruptions of ongoing strategic attempts to (mis)guide public opinion. Edited by Nelson Ribeiro and Barbie Zelizer, the collection highlights how these concepts must be understood as part of a long legacy of propaganda and not just as new phenomena that have emerged in the context of the digital media environment. Chapters explore the

strategies and effects of propaganda through a variety of globally diverse case studies, featuring both democracies and autocratic regimes, and highlight how only by understanding propagandistic forms and strategies can we fully begin to understand how public opinion is being molded today by those who resort to deception and falsehood to gain or keep hold of power. An important resource for students and scholars of media and communication studies and those who are studying and/or researching media and propaganda, media and power, disinformation, fake news, and political communication. The Open Access version of this book, available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons [Attribution-Non Commercial-No Derivatives (CC BY-NC-ND)] 4.0 license
