

Books On The Rolling Stones

Mick Jagger,Charlie Watts

According to the Rolling Stones Mick Jagger,Charlie Watts,2003 Members of the band offer an inside chronicle of their careers as musicians, songwriters, performers, and colleagues, discussing the evolution of their music and their lives.

The True Adventures of the Rolling Stones Stanley Booth,Greil Marcus,2014-10-01 Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 tour across the United States, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the 1960s. In Booth's afterword, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Updated to include a foreword by Greil Marcus, this 30th anniversary edition is for Rolling Stones fans everywhere.

Rolling Stones Chris Murray,2002 Photographs from twenty world-class photographers celebrate the forty-year career of the Rolling Stones.

The Sun & the Moon & the Rolling Stones Rich Cohen,2016 Rich Cohen enters the Stones epic as a young journalist on the road with the band and quickly falls under their sway—privy to the jokes, the camaraderie, the bitchiness, the hard living. Inspired by a lifelong appreciation of the music that borders on obsession, Cohen's chronicle of the band is informed by the rigorous views of a kid who grew up on the music and for whom the Stones will always be the greatest rock 'n' roll band of all time.

Who Are the Rolling Stones? Dana Meachen Rau,Who HQ,2017-04-04 Follow the bad boys of rock and roll from their beginnings in London to their unparalleled success around the world. Starting out over fifty years ago, the Rolling Stones took the music of the blues and blended it into rock and roll to create their own unique sound. Decades later, they are still hard at work, recording and playing live to massive crowds of adoring fans. *Who Are the Rolling Stones?* captures the excitement of the Stones on their journey to become the greatest rock-and-roll band in the world.

The Mammoth Book of the Rolling Stones Sean Egan,2013-06-20 'The greatest rock 'n' roll band in the world!' This vainglorious introduction given to The Rolling Stones on stage by an excitable roadie was almost immediately accepted as a simple statement of fact. It was already evident that Mick Jagger, Keith Richards and Co. were, as their first manager Andrew Loog Oldham had claimed, 'a way of life'. The Stones' defiance of convention made them the figureheads of a questioning new generation, and drove the Establishment to imprison them. This enduring rebel aura and the unmistakable craft evident in classic records such as Satisfaction, Honky Tonk Women and Brown Sugar ensured subsequent generations of diehard fans, establishing the band as the biggest box office attraction the world has ever seen. The Mammoth Book of The Rolling Stones provides a comprehensive collection of reviews, analysis, interviews and exposés - both archive and contemporary, favourable and critical, concise and epic - of these extraordinary cultural icons as they pass the astonishing milestone of 50 years as rock's pre-eminent band.

The Rolling Stones Book, Etc Rolling Stones,1964

The Rolling Stones: Unzipped The Rolling Stones,Anthony DeCurtis,2021-10-12 An intimate and comprehensive volume tracing the incredible musical career and creative life of the Rolling Stones. "As well as going back through our history we wanted everyone to experience and feel exactly what it's like to be in the Rolling Stones." For almost 60 years the Rolling Stones have helped shape popular culture around the world. Unzipped traces their impact and influence on rock music, art, design, fashion, photography, and filmmaking. Packed with evocative archive photos, artworks, outtakes, and memorabilia, this stunning book immerses readers in the world of the Stones. Peppered throughout with insightful new commentary by Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood, this volume also features a compelling introduction by Anthony De Curtis, as well as essays by Buddy Guy, Don Was, Anna Sui, John Varvatos, Martin Scorsese, Shephard Fairey, Patrick Woodroffe, and Willie Williams. In addition to stills from films, videos, and documentary footage, vivid photographic sections showcase the Stones' musical instruments, their stage clothing, album cover designs, notebooks with lyrics, and tape boxes from the original recording sessions. Bold, glamorous, and captivating, Unzipped is the perfect showcase for "the greatest rock 'n' roll band in the world."

Rolling Stone 50 Years of Covers Jann S. Wenner,2018-05-08 For the past 50 years, the covers of Rolling Stone have depicted the icons of popular culture—from John Lennon, Bob Dylan, the Rolling Stones, Madonna, and Steve Martin to Rihanna, Louis C.K., Adele, Radiohead, and Barack Obama—cementing their legendary and influential status. No other magazine has the illustrious history and prestige of having defined popular culture from the birth of rock and roll to the present. This fantastic collection is newly revised and updated to include the covers from all 50 years of Rolling Stone history. With an updated introduction by Jann S. Wenner as well as new excerpts from the magazine and quotes from photographers and their celebrity subjects, this nostalgic journey down the memory lane of music, entertainment, and

politics is irresistible.

Rolling Stones Steve Appleford, 2010 Throughout the late 1960s and 1970s, Mick Jagger and Keith Richards wrote and recorded at a pace that most of the young bands would consider unimaginable. This book covers their classic output from 1964's *The Rolling Stones* to 1976's *Black and Blue*. Throughout the late 1960s and 1970s, Mick Jagger and Keith Richards wrote and recorded at a pace that most of today's young bands would consider unimaginable. And although there have been numerous books and articles written about the Rolling Stones, none has systematically analysed their music and explained the stories behind their songs. *The Rolling Stones* is an essential companion to one of the legendary rock repertoires of the past 40 years, and covers their entire classic output from 1964's *The Rolling Stones* to 1976's *Black and Blue*.

Little Book of the Rolling Stones Malcolm Croft, 2019 Filled with quotes from all facets of the Rolling Stones' career, from celebrity fans and musical collaborators, to friends, rivals and journalists who have followed the band for more than 50 years.

The Rolling Stone Illustrated History of Rock & Roll Anthony ed DeCurtis, James Henke, Holly George-Warren, 1992 Discusses the evolution of rock music from its earliest origins to today's most influential musical styles and performers

The Rolling Stones All the Songs Philippe Margotin, Jean-Michel Guesdon, 2016-10-25 Comprehensive visual history of the World's Greatest Rock & Roll Band as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since *Voodoo Lounge*. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song *Smoke on the Water* or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on *Street Fighting Man*.

The Rolling Stones Marie Cahill, 1990 Illustrated with over 125 color and black and white photographs, *The Rolling Stones: a Pictorial History* follows the Rolling Stones from their early days at the Crawdaddy Club, through the late 1960s and early 1970s when they made musical history with their grand slam of albums - *Beggars Banquet*, *Let it Bleed*, *Sticky Fingers* and *Exile on Main Street* - and finally up to their triumphant 1989 *Wheels* tour.

Rolling Stones Worldwide Christoph Maus,2006

According to the Rolling Stones The Rolling Stones,2009-05-20 For the first time in paperback—and in a great reading edition—here is the real story of the Rolling Stones, as told by the Stones themselves. In their own words, Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood get right to the heart of what makes the Stones the Stones, as musicians, songwriters, and performers, describing how their music has evolved, and revealing frankly how their own lives have helped or hindered their music-making. The Stones' own stories are complemented by insider reflections from key players in their story over the years. Also included are 64 pages of vintage photographs. For fans, here's proof that you can sometimes get what you want. (People)

The Rolling Stones: Fifty Years Christopher Sandford,2012-04-26 In 1962 Mick Jagger was a bright, well-scrubbed boy (planning a career in the civil service), while Keith Richards was learning how to smoke and to swivel a six-shooter. Add the mercurial Brian Jones (who'd been effectively run out of Cheltenham for theft, multiple impregnations and playing blues guitar) and the wryly opinionated Bill Wyman and Charlie Watts, and the potential was obvious. During the 1960s and 70s the Rolling Stones were the polarising figures in Britain, admired in some quarters for their flamboyance, creativity and salacious lifestyles, and reviled elsewhere for the same reasons. Confidently expected never to reach 30 they are now approaching their seventies and, in 2012, will have been together for 50 years. In *The Rolling Stones*, Christopher Sandford tells the human drama at the centre of the Rolling Stones story. Sandford has carried out interviews with those close to the Stones, family members (including Mick's parents), the group's fans and contemporaries - even examined their previously unreleased FBI files. Like no other book before *The Rolling Stones* will make sense of the rich brew of clever invention and opportunism, of talent, good fortune, insecurity, self-destructiveness, and of drugs, sex and other excess, that made the Stones who they are.

The True Adventures of the Rolling Stones Stanley Booth,1994-01

The Best of the Rolling Stones Rolling Stones,1974

Counting Down the Rolling Stones Jim Beviglia,2016 Publisher Synopsis: The third in Beviglia's Counting Down series (after books about Bob Dylan and Bruce Springsteen) enumerates the Rolling Stones' 100 best songs, as determined by the author. It's a book for hard-core Stones fans, especially those with a fairly extensive knowledge of music. For each song, the author tells us which album it's from, comments on the themes and writing of the song, and provides a capsule analysis of the musical performance. As with all lists of 'bests, ' the point here is for readers to make their own lists, disagreeing with gusto. Still, Beviglia includes lots of the Stones' classics ('Jumpin' Jack Flash, ' 'Gimme Shelter, ' '(I Can't Get No) Satisfaction, ' 'You Can't Always Get What You Want, ' and 'Get Off of My Cloud, ' among them), but the order in which they appear is sure to spark debate (as will the author's choice for number 100) ... [D]efinitely a must for devoted Stones fans, who come in all ages.

Booklist After fascinating and insightful looks at the songs of Bob Dylan and Bruce Springsteen, music writer Beviglia provides a strong look at the 100 finest songs of the Rolling Stones. Beviglia unearths 'numerous surprises and musical gems' that he hadn't previously heard-which makes for much of the book's appeal. His look at the relatively overlooked song 'Tops, ' from 1981, listed at #87, is an excellent description of how the song's musical 'veering back and forth between the playfulness of the verses and the refrains' mirrors the 'push and pull' of Mick Jagger's provocative lyrical role playing. But listing 'Honky Tonk Women'-one of the Stones' most famous and memorable songs-at #46 is bound to strike even halfhearted Stones listeners as odd, even if he does justifiably list 'Jumpin' Jack Flash' at #1. Still, regardless of his rankings, Beviglia's writing will inspire readers to turn up the volume. Publishers Weekly If you are a fan of radio's countdown shows, like the iconic one done by the late Casey Kasem, you will love Jim Beviglia's latest book offering, *Counting Down The Rolling Stones: Their 100 Finest Songs*. This volume is a very detailed effort to chronicle the 100 best musical efforts of The Rolling Stones, with insightful commentary, review and analysis provided by an author who is one of the leading journalists of the American music industry. We were surprised that 'Satisfaction', our favorite TRS tune, didn't make it into Beviglia's top 10 list (it was number 11), but reading about the background and creative process involved in 100 of the Stone's iconic songs certainly gave us a deeper appreciation of their longevity in the music business. Gotta Love It [T]he real meat of the book is the author's extremely insightful reasoning for his choices. In addition, even serious Stones fans are likely to learn some history about the composition of the songs, their evolution in the studio, the contexts of their production, and the contributions of all the performers, both the Stones themselves and guest musicians and producers. Beviglia's research is impressive. That memoir included anecdotes that might have added some insights, such as Keith Richards singing 'You Got the Silver' because Johns erased a track he shouldn't have, Jagger wasn't around, so Richards filled in. So Keith Richards first lead vocal was the result of an accident. But *Counting Down* isn't intended to be a reference book giving readers the definitive production history of the Stones canon, but rather a critical overview of why so many songs still deserve our appreciation to lesser and greater degrees. Now, Beviglia really has only one place to go. He's done Dylan, Springsteen, the Stones-who else has 100 songs to rank? Well, The Beatles, of course, especially if you mix in the solo works with the band's fab career. Who else has that much of a catalogue, at least in rock history? Till then, the Stones are more than worthy of this new exploration, and rock fans who read have a treat to enjoy this year. Bookpleasures.com.

The book delves into Books On The Rolling Stones. Books On The Rolling Stones is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Books On The Rolling Stones, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Books On The Rolling Stones
- Chapter 2: Essential Elements of Books On The Rolling Stones
- Chapter 3: Books On The Rolling Stones in Everyday Life
- Chapter 4: Books On The Rolling Stones in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Books On The Rolling Stones. This chapter will explore what Books On The Rolling Stones is, why Books On The Rolling Stones is vital, and how to effectively learn about Books On The Rolling Stones.
3. In chapter 2, this book will delve into the foundational concepts of Books On The Rolling Stones. This chapter will elucidate the essential principles that need to be understood to grasp Books On The Rolling Stones in its entirety.
4. In chapter 3, the author will examine the practical applications of Books On The Rolling Stones in daily life. This chapter will showcase real-world examples of how Books On The Rolling Stones can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Books On The Rolling Stones in specific contexts. This chapter will explore how Books On The Rolling Stones is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Books On The Rolling Stones. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Books On The Rolling Stones.
