*Principle-Centered Leadership* Stephen R. Covey, 2009-12-02 An inspirational and practical guide to leadership from the New York Times–bestselling author of *The 7 Habits of Highly Effective People*. Covey, named one of Time magazine’s 25 Most Influential Americans, is a renowned authority on leadership, whose insightful advice has helped millions. In his follow-up to *The 7 Habits of Highly Effective People*, he poses these fundamental questions: How do we as individuals and organizations survive and thrive amid tremendous change? Why are efforts to improve falling so short in real results? How do we unleash the creativity, talent, and energy within ourselves and others? Is it realistic to believe that balance among personal and professional life is possible? The key to dealing with the challenges that we face is to identify a principle-centered core within ourselves and our institutions. In *Principle-Centered Leadership*, Covey outlines a long-term, inside-out approach to developing people and organizations. Offering insights and guidelines on how to apply these principles both at work and at home, Covey posits that these steps will lead not only to an increase in productivity and quality of work, but also

to a new appreciation of personal and professional relationships as we strive to enjoy a more balanced, rewarding, and ultimately more effective life. “There seems to be no limit to the number of writers offering answers to the great perplexities of life. Covey, however, is the North Star in this field . . . without hesitation, strongly recommended.” —Library Journal

**The SPEED of Trust** Stephen M.R. Covey, 2006-10-17 Over two million copies sold. Stephen M. R. Covey shows how trust—and the speed at which it is established with clients, employees, and all stakeholders—is the single most critical component of a successful leader and organization. Stephen M. R. Covey, widely known as one of the world's leading authorities on trust, asserts that it is “the most overlooked, misunderstood, underutilized asset to enable performance. Its impact, for good or bad, is dramatic and pervasive. It's something you can't escape.” Thankfully, it's also the thing that can dramatically improve your personal and professional success. Why trust? The simple, often overlooked fact is this: work gets done with and through people. *The Speed of Trust* offers an unprecedented and eminently practical look at exactly how trust functions in every transaction and every relationship—from the most personal to the broadest, most indirect interaction. It specifically demonstrates how to establish trust intentionally so that you and your organization can forego the time-killing, bureaucratic check-and-balance processes that is so often deployed in lieu of actual trust. This 2018 updated edition includes an insightful afterword by the author which explores ten key reasons why trust is more relevant now than ever before—including how trust is the new currency of our world today.
