The Da Capo Companion To 20th-century Popular Music Phil Hardy, Dave Laing, 1995-08-21

The Media Swirl Carol Vernallis, 2023-02-20 From fan-generated content on TikTok to music videos, the contemporary media landscape is becoming ever more vast, spectacular, and intense. In *The Media Swirl* Carol Vernallis examines short-form audiovisual media—Beyoncé’s *Lemonade*, brief sequences from Baz Luhrmann’s *The Great Gatsby*, TikTok challenges, YouTube mashups, commercials, and many other examples—to offer ways of understanding digital media. She analyzes music videos by Beyoncé, Lady Gaga, Janelle Monáe, Kendrick Lamar, Anderson .Paak, and others to outline how sound and image enhance each other and shape a viewer’s mood. Responding to today’s political-media landscape through discussions of Fox News and Presidential inaugurations, Vernallis shows how a media literacy that exceeds newscasts and campaign advertising is central to engaging with the democratic commons. Forays into industry studies, neuroscience, and ethics also inform her readings. By creating our own content and knowing what corporations, the wealthy, and the government do through media, Vernallis contends, we can create a more just world.

Jasminium Jonathan Lockett, 2012-12-11 It’s been twenty years since the horrible incident that changed the lives of Taj and Cheyenne—but there is still hope that they can free themselves from the memories and feelings that haunt them and bound them together. Imagine you are in New York City two weeks before Christmas. Snow covers the ground and lights twinkle along the streets as warmly dressed shoppers brave the elements. An aging church beckons you with its open doors, and the sweet songs from carolers assail your senses. As you move closer and join in with the singing, you suddenly hear a voice whispering a phrase that you haven’t heard in ages. You turn slowly as the color drains from your face, and you find yourself facing him, the person you haven’t seen in twenty years. Thus begins *Jasminium*, a novel that introduces Taj and Cheyenne. They were young when they met, but a horrific experience robbed them of their innocence. Seeing each other again brings back haunting memories and feelings of passion that have lain dormant, just below the surface, and seemingly out of reach. *Jasminium* explores the path taken by these two people as they attempt to free themselves from the ghosts of their pasts and reconnect with the feelings and emotions that have bound them inexplicitly together.

Prince Matt Thorne, 2016-02-09 The newest, most updated book on Prince available today Famously reticent and perennially controversial, Prince was one of the few music superstars who remained, largely, an enigma—even up to his

premature death on April 21, 2016. A fixture of the pop canon, Prince is widely held to be the greatest musician of his generation and will undoubtedly remain an inspiring and singular talent. This meticulously researched biography is the most comprehensive work on Prince yet published. Unlike other Prince books, this one eschews speculation into the artist's highly guarded private life and instead focuses deep and sustained attention exactly where it should be: on his work. Acclaimed British novelist and critic Matt Thorne draws on years of research and dozens of interviews with Prince's intimate associates (many of whom have never spoken on record before) to examine every phase of the musician's 35-year career, including nearly every song—released and unreleased—that Prince has recorded. Originally released in the UK in 2012, this first US publication of Prince includes updated content detailing the artist's two 2014 albums, tour, 2015 Tidal release, and other career events. This astonishingly rich, almost encyclopedic biography is a must-have for any serious fan of Prince.

Einstein, Michael Jackson & Me Howard Bloom, 2020-04-15 Howard Bloom—called the greatest press agent that rock and roll has ever known by Derek Sutton, the former manager of Styx, Ten Years After, and Jethro Tull—is a science nerd who knew nothing about popular music. But he founded the biggest PR firm in the music industry and helped build or sustain the careers of our biggest rock-and-roll legends, including Michael Jackson, Prince, Bob Marley, Bette Midler, Billy Joel, Billy Idol, Paul Simon, Peter Dinklage, David Byrne, AC/DC, Aerosmith, Queen, Kiss, Grandmaster Flash and the Furious Five, Run DMC, ZZ Top, Joan Jett, Chaka Khan, and one hundred more. What was he after? He was on a hunt for the gods inside of you and me. Einstein, Michael Jackson & Me is Bloom's story—the strange tale of a scientific expedition into the dark underbelly of science and fame where new myths and movements are made.

Conversations with Lenard D. Moore John Zheng, 2024-10-23 Known internationally for his Japanese-style poetry, Lenard D. Moore (b. 1958) has published eight poetry collections over the course of his career. Moore has distinguished himself especially in such forms as jazz poetry, haiku, tanka, renga, sequence, and haibun, expressing moments of aesthetic delight as well as a voice enriched with African American culture. *Conversations with Lenard D. Moore* is a fundamental collection of sixteen interviews with the esteemed writer and former president of the Haiku Society of America. To Moore, jazz is a joyful celebration of American life and culture. The impacts of such great jazz musicians as Max Roach, John Coltrane, Thelonious Monk, Duke Ellington, and Ray Charles are clear in his poetry. The conversations collected here lead the reader into Moore's

creative mind, demonstrating his fusion of African American music, culture, and history into poetry, especially his jazz poetry, jazzku, and bluesku. In interviews that range from 1995 to 2023, Moore reveals his capabilities and responsibilities as a contemporary poet, professor, mentor, editor, and organizer. This volume serves as an indispensable source for writers and readers of poetry and African American literature.
