Loving the Silent Tears The Supreme Master Ching Hai,2015-01-01 Loving the Silent Tears is more than a musical. It is a celebration. This remarkable show rejoices in the diversity of our world: Sixteen vibrant global cultures are presented through soaring music, astounding sets and costumes, and an impressive cast of singers and dancers. Moving deeper, the musical's book and lyrics weave the entrancing story of a magical journey and the crisscrossing paths of an older, disenchanted woman and a lost young man propelled on the way to self-discovery. It is a search for a meaningful existence and ultimately, an exaltation of finding peace within ourselves. Musical theatre has always conveyed tales of love, ambition, and adversity through song and dance. With a topic that's more unique than most, this musical is particularly deep yet highly entertaining. The theme revolves around the innate human longing to contact a higher power, or in the poet's words, "Loving the silent tears for You more than the diamonds of the world." Good theatre invites us to think, to question, and to aspire. Loving the Silent Tears does just that, providing aesthetic gratification while planting the seeds for further reflection.
