

Memorando Por Falta De Respeto

Amparo Sereno Rosado

La palabra H Perry Anderson, 2018-07-09 Entre los conceptos que se repiten con frecuencia en los textos de relaciones internacionales y ciencia política, pocos son tan populares como el de hegemonía, pese al poco acuerdo que hay sobre cuál sea exactamente su significado. En lo que constituye el primer estudio de calado histórico de la suerte diversa que ha corrido el concepto de hegemonía, Perry Anderson rastrea su aparición en la antigua Grecia y sitúa su redescubrimiento durante los alzamientos de 1848-1849 en Alemania. A continuación, sigue su accidentada trayectoria por la Rusia revolucionaria y la Italia fascista, por los Estados Unidos de la guerra fría y la Francia gaullista, por la Gran Bretaña de Thatcher y la India poscolonial, por el Japón feudal y la China maoísta, llegando finalmente hasta nuestros días.

Abismo Carol Shaben, 2013-09-18 Una noche helada de octubre, en 1984, una avioneta que llevaba a bordo nueve pasajeros se estrelló en los bosques del norte de Alberta, Canadá. Murieron seis personas. Los cuatro supervivientes fueron el piloto novato; un importante político; un...

La otra cara del arbitraje internacional Draetta, Ugo, 2012-06-25 El autor muestra cuáles son las actitudes de cada uno de los actores implicados en el arbitraje internacional y pone de relieve las que, en su criterio, conspiran contra la buena salud y el prestigio de este mecanismo de contrastada solvencia para resolver las controversias que se suscitan en el curso normal de los negocios internacionales. Cualquiera que esté o haya estado relacionado con el arbitraje reconocerá la correspondencia certera entre el relato del autor y la realidad. El convencimiento acerca de la utilidad social y económica del arbitraje lleva al autor a llamar la atención sobre los aspectos que podrían mejorarse y las actitudes que deberían erradicarse.

51 David Muñoz Lopez, 2018-02-09 En el año 51 un grupo de científicos es enviado al desierto de nevada para investigar una extraña perturbación geográfica. Meses después un convoy militar se conduce a toda prisa a través del desierto con el objetivo de contactar con la base militar con la que hace semanas han perdido el contacto. Años después Alison, una joven reportera y Vince, un desafortunado piloto de pruebas coinciden en la base militar más secreta del mundo. Allí se encontraran en mitad de una lucha de poder entre el actual presidente del gobierno de los EEUU y un importante grupo militar, el CDN, que parece conspirar para dominar el mundo. Mientras tanto Vince (Lone) tratará de dar respuesta a uno de los misterios de la base, donde un vehículo experimental, el Esfera, ha desaparecido ante la mirada atónita de los científicos. A cada salto del Esfera parece incrementar la tensión en la base, al tiempo que empieza a producirse extrañas

desapariciones. Pero pronto se darán cuenta de que hay algo más. Algo que lo maneja todo. Que lo corrompe todo. Algo hay en la base... Algo que luchará para destruirles a todos. Y cada salto parece rasgar lo más íntimo de la naturaleza.

Poder social : instituciones de participación ciudadana en Colombia, Brasil, Bolivia, Venezuela y Cuba Armando Rendón Corona, 2024-02-16 En este estudio presentamos experiencias reales de democracia participativa en el funcionamiento de las instituciones del Estado, lo público-social, para el diseño, control y ejecución de políticas públicas. Son espacios de cogobierno: a) contraloría social sobre el desempeño de la administración pública y entidades privadas de servicio público (Colombia y Bolivia); b) consejos de políticas públicas sectoriales o temáticas desde los municipios, estados y federación (Brasil); c) la gestión directa de los asuntos públicos locales (Concejos Comunales en Venezuela) y la cogestión de los asuntos locales en los tres niveles de gobierno (Comités de Defensa de la Revolución en Cuba). El poder social sirve a la sociedad organizada para actuar por sí misma en la esfera pública, restringe el abuso de poder y obliga a gobernantes, funcionarios y empresarios a ceñirse al interés público; orienta los recursos públicos hacia necesidades colectivas con sentido redistributivo haciendo partícipes a las comunidades en la gestión de sus problemas.

Gerencia de ventas. Simplificada. Mike Weinberg, 2017-02-21 En este libro, Weinberg dice las cosas como son, exponiendo los problemas que invaden al equipo de ventas y los errores costosos que cometen incluso los gerentes de ventas mejor intencionados. La buena noticia es que con la asesoría correcta se pueden transformar los resultados. ¿Por qué los equipos de ventas no alcanzan sus metas? Todos los días hay compañías, tanto grandes como pequeñas, que acuden a consultores expertos como Mike Weinberg para encontrar la respuesta, y te sorprendería conocerla. Lo típico es que el problema no es por el equipo de ventas, sino por la manera en la cual es liderado. Con sus acciones y actitudes, los ejecutivos y los gerentes de ventas, sin saberlo, socavan su rendimiento. En este libro, Weinberg dice las cosas como son, exponiendo los problemas que invaden al equipo de ventas y los errores costosos que cometen incluso los gerentes de ventas mejor intencionados. La buena noticia es que con la asesoría correcta se pueden transformar los resultados. Este libro, con su mezcla de consejos prácticos y francos, e historias divertidas tomadas del campo de las ventas, te ayudará a:

- Implementar un bosquejo sencillo para el liderazgo en las ventas
- Fomentar una cultura de ventas sana y de alto rendimiento
- Convocar a reuniones productivas
- Crear un plan de compensación extraordinario
- Situar a las personas adecuadas en las posiciones correctas
- Entrenar para el éxito
- Retener a las personas más productivas y hacer que mejoren las personas que menos producen
- Asignar metas adecuadas a los agentes de ventas
- Mejorar tus argumentos de ventas
- Recuperar el control de tu calendario

Y mucho, mucho más. Abundante en soluciones y no en trivialidades, este libro brinda las herramientas que necesitas para triunfar. Why do sales organizations fall short? Every day, expert consultants like Mike Weinberg are called on by companies large and small to find the answer—and it's one that may surprise you. Typically, the issue lies not with the sales team—but with how it is being led. Through their attitude and actions, senior executives and sales managers

unknowingly undermine performance. In Sales Management. Simplified. Weinberg tells it straight, calling out the problems plaguing sales forces and the costly mistakes made by even the best-intentioned sales managers. The good news: with the right guidance, results can be transformed. Blending blunt, practical advice with funny stories from the field, this book helps you: Implement a simple framework for sales leadership Foster a healthy, high-performance sales culture Conduct productive meetings Create a killer compensation plan Put the right people in the right roles Coach for success Retain top producers and remediate underperformers Point salespeople at the proper targets Sharpen your sales story Regain control of your calendar And much, much more Long on solutions and short on platitudes, it delivers the tools you need to succeed.

Cómo los inmigrantes contribuyen a la economía de los países en desarrollo OECD,International Labour

Organization,2018-04-19 Cómo los inmigrantes contribuyen a la economía de los países en desarrollo es resultado de un proyecto realizado por el Centro de Desarrollo de la OCDE y la Organización Internacional del Trabajo, con el apoyo de la Unión Europea.

Boletín de sesiones extraordinarias Chile. Congreso Nacional. Cámara de Diputados,

Historia y Patrimonio Cultural Alcántara, Manuel,García Montero, Mercedes,Sánchez López, Francisco,2018-07-01 El Comité Organizador del 56º Congreso Internacional de Americanistas (ICA) publica las actas del encuentro celebrado en la Universidad de Salamanca el 15 al 20 de julio de 2018. Bajo el lema «Universalidad y particularismo en las Américas», reflexionó sobre la dialéctica entre la universalidad y los particularismos en la producción de conocimiento, un diálogo en el que la necesidad de conocer los particularismos de los fenómenos sociales, políticos, artísticos y culturales obliga a formular nuevas hipótesis que enriquecen y replantean las grandes teorías generales de las ciencias y las humanidades. El carácter interdisciplinario e inclusivo que ha caracterizado al ICA desde su inicio en 1875, como un congreso de estudios de área en sentido completo, hace aún más significativa esa dinámica de producción de conocimiento. Con un planteamiento interdisciplinario e inclusivo, ICA reúne a investigadores que estudian el continente americano, desde Alaska hasta Tierra de Fuego, incluyendo el territorio del Caribe, a partir del análisis de su política, economía, cultural, lenguas, historia y prehistoria. Así, el Comité Organizador les invitó participar en el análisis y la reflexión sobre las especificidades de las Américas y el Caribe con el objetivo de enriquecer las grandes teorías generales.

Historia Monetaria Documental de Puerto Rico (La Moneda Macaquina) Tomo I Angel O. Navarro Zayas,2013 Este primer tomo de la Historia Monetaria Documental de Puerto Rico (La Moneda Macaquina) nos muestra el proceso de la introducción en nuestra isla de la moneda macaquina en 1813 por emigrados de América del Sur. Al finalizar en la Isla las

remesas del Situado Mexicano, nuestro primer Intendente de Hacienda, Don Alejandro Ramírez, autorizó en 1813 el uso de la moneda macuquina para mitigar la falta de numerario en circulación. La macuquina circuló libremente en Puerto Rico hasta 1857 cuando fue canjeada por moneda de cuño nacional español. Este libro ilustra algo novedoso para los numismáticos y es que hemos encontrado evidencia de un papel moneda el cual se fabricó para facilitar el proceso del canje de la macuquina por la moneda de cuño nacional. El libro muestra los valores de las diferentes de monedas que además de la macuquina circularon en la Isla y ayuda a complementar el conocimiento acerca de dicha circulación monetaria en el siglo XIX.

Lo que nos está pasando Moisés Naím, 2024-03-14 Un retrato del mundo que no renuncia a un futuro más optimista desde la mirada de uno de los analistas más influyentes de la actualidad. «A pocas personas les cabe el mundo en la cabeza. Cuando algo raro ocurre, en Venezuela, Ucrania, en Corea, en Alemania o en Brasil, me digo siempre lo mismo: ¿qué pensará sobre esto Moisés Naím? Siempre da una respuesta inteligente y original». Héctor Abad Faciolince Incluso en estos tiempos convulsos de polarización política y crispación social, el analista Moisés Naím es capaz de observar el mundo con su habitual perspicacia. Lo que nos está pasando reúne muchas de las columnas que ha publicado en prensa (en España, de la mano del diario El País) desde 2016 con el objetivo de ofrecer una mirada serena y analítica sobre los problemas del mundo. El alcance es realmente global: desde el auge de Trump o Bolsonaro hasta la pandemia de la COVID-19, pasando por la invasión rusa de Ucrania y el conflicto entre Israel y Palestina. Además, texto a texto, va desplegando una batería de claves necesarias para construir un futuro con mayor prosperidad, libertad y justicia. La crítica ha dicho: «Otro libro original de un pensador original, que ofrece una perspectiva global única sobre el populismo y el poder». Anne Applebaum (sobre La revancha de los poderosos) «Moisés Naím es un agudo observador de la realidad sociopolítica contemporánea: a nadie puede extrañar que haya escrito un libro brillante sobre los riesgos a los que se enfrenta la democracia liberal». Manuel Arias Maldonado, El Español « El fin del poder cambiará tu manera de leer las noticias, tu manera de pensar en política y tu manera de mirar al mundo.» Bill Clinton «En La revancha de los poderosos, Moisés Naím, uno de los observadores más agudos de la política mundial, cataloga exhaustivamente las amenazas a la democracia por parte de dictadores, populistas y empresas durante estos últimos años, y establece paralelos perspicaces a través de ámbitos muy dispares. Una obra importante y oportuna». Frank Fukuyama «Muchos se conforman con la versión simple y estereotipada de un suceso: buenos y malos; decentes e inmorales; ricos y pobres. Quienes quieren saber más, leen a Moisés Naím.» Yoani Sánchez (sobre Repensar el mundo. 101 sorpresas del siglo XXI)

Todo Es Por Gracia José Luis Navajo, 2012-04 Cuando quien sirve a Dios enfrenta crisis profunda y situaciones límite ... nada hay peor que una 'fórmula bíblica' simplista, o la palmadita en la espalda, que dejan a la persona con un profundo

sentimiento de incomprensión y soledad. En este sentido, el libro que tiene en sus manos es una herramienta en la que mirarse como en un espejo, un enfoque ejemplar. Toda una experiencia vital de reorientación, transformación y superación ...-Page 4 of cover

Ciudadanía incluyente Naila Kabeer,2007

Ríos que nos separan, aguas que nos unen (e-book) Amparo Sereno Rosado,2011-02 Esta monografía aborda un tema actual y de eminente interés práctico: la gestión sostenible de las Cuencas Hidrográficas Internacionales (CHI). Estas cuencas ocupan el territorio de dos o más Estados y sus aguas constituyen un recurso cada vez más escaso cuyo reparto está en la génesis de numerosos conflictos, inclusive armados, en varias regiones del planeta. El desafío al que nos tenemos que enfrentar es encontrar fórmulas que permitan el uso pacífico y sostenible de las CHI a largo plazo, lo cual depende de la existencia de organismos de cooperación responsables por la gestión del agua -como los instituidos por la Convención Hispano-Lusa de 1998 (o Convención de Albufeira). Además, la originalidad de esta monografía, que se presenta en versión bilingüe portuguesa y española dado su interés para ambos lados de la frontera, estriba en el tratamiento del tema desde una perspectiva nacional basada en el contraste de los problemas de enfoque entre el país situado aguas abajo -Portugal- con respecto al situado aguas arriba -España- y, dentro de este último, en el análisis de la dialéctica derivada del «reparto del agua» entre las comunidades autónomas cedentes y las receptoras.

the sickness unto death s

kierkegaard cambridge - Apr 11 2023
web the sickness unto death is
commonly regarded as one of
kierkegaard s most important works
but also as one of his most difficult
texts to understand it is a meditation on
christian existentialist themes
including sin despair religious faith and
its redemptive power and the relation
and difference between physical and
spiritual death
