The Foxfire Book of Simple Living Foxfire Fund, Inc., 2016-08-23 First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. Today, Foxfire's mission remains the same, and The Foxfire Book of Simple Living is both a rich look back at five decades of collected wisdom, as well as an intriguing look forward at the artists and craftsman who are working to preserve the Appalachian tradition for future generations. We hear from doll and soap makers who continue to use and adapt the time-tested methods outlined in The Foxfire Book, not to mention hunters, blacksmiths, musicians, and carpenters whose respect for those who preceded them enhances their own art. We see how the mountain community has responded to the films, books, and plays that have tried (and sometimes failed) to represent them. And, above all, by listening to the voices of those who came before, we celebrate the people who have preserved the stories, crafts, and customs that define life in the Appalachian mountain region.

This upcoming reunion will stir up a lot of memories—and some trouble—and test the ability of relationships to survive over time . . . "Patty Dann, through Charlotte's unique voice, propels us back into the careening lives of the Flax women. Funny, sad, chaotic, mysterious, moving, searching, they are above all a family." —Richard Benjamin, director of *Mermaids* Praise for *Mermaids* and the novels of Patty Dann "Dann gives us a magnificent voice in the young Charlotte . . . Both hilarious and tragic . . . a radiant debut." —The New York Times Book Review "A marvel . . . brilliant." —Elinor Lipman, author of *Good Riddance* "Poignant." —Sheila Kohler, author of *Once We Were Sisters* and *Cracks* "Both of [the sisters'] characters are sharply etched and recognizable." —Publishers Weekly

Focus on Abortion Roslyn Banish,2021-08-03 Focus on Abortion: Americans Share Their Storiesintroduces the often-missing and most important voices in the abortion conversation: the voices of those who have experienced abortion. This projectprovides a platform for these voices to be heard. Sixty-two individuals are featured. They have had an abortion or are close to the abortion experience, including partners, friends, relatives, counselors, and professionals who provide abortion care. Each person is represented by a photographic portrait and a first-person narrative. The storytellers come from diverse socio-economic backgrounds and generations. They live in urban, suburban and rural areas throughout America. Together they will provide a broad, complex and poignant picture of abortion in our country. These nuanced stories have the potential to mitigate the profound stigma that surrounds abortion. Few people talk about their abortions so many will be surprised to learn that one out of four women in the US will have an abortion during their reproductive years. These narratives touch on the complex circumstances leading up to the decision to end a pregnancy, the person's ability to access healthcare, and life after having had an abortion. Most importantly, these stories have the potential to widen public understanding of abortion. We learned from the Civil Rights and Gay Rights movements that deep-seated beliefs can evolve once people give voice to their personal stories.
