Nazarene Commentary Mark Heber Miller, 2010-11-13 At my birth in Norfolk, Virginia September 24, 1938 my mother June prayed I would become a teacher or minister. Now at 72 years of age - after 45 years as a pastor, teacher and missionary - I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams. I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12. I have been in love with the Scriptures - and reading/writing in general - and always wanted to publish a new edition of the New Testament.

A FRESH LOOK AT PAUL'S THEOLOGY Edward D. Andrews, 2025-07-26 Paul's gospel was not shaped by culture, tradition, or theological consensus—it was revealed by Christ and preserved in Scripture. This book takes that fact seriously. **A FRESH LOOK AT PAUL'S THEOLOGY** strips away centuries of doctrinal distortion to examine the apostle's inspired writings on their own terms. Rejecting philosophical overlays, speculative systems, and subjective interpretation, this work employs the historical-grammatical method to uncover what Paul truly taught about salvation, the law, grace, the resurrection, the Holy Spirit, the human condition, and more. With clarity and conviction, Edward D. Andrews provides a systematic, exegetical study that remains rooted in literal Bible chronology, covenant development, and textual precision. Each chapter upholds a high view of Scripture and rejects all modern theological constructs—whether Reformed, charismatic, sacramental, or critical—that obscure Paul's original message. This book is for those who want more than tradition—it's for those who want the truth, straight from the text. Faithful. Biblical. Uncompromising.

Exegetical Essays, 3rd Edition Don Garlington, 2003-10-13 'Exegetical Essays' is a collection of thirteen biblical studies. The purpose of each is to fill a gap in New Testament research or to offer alternate understandings of familiar passages. The second edition of these 'Essays' incorporates corrections and updated documentation, and presents three new studies. The order of the articles follows as closely as possible the canonical biblical text. The book commences with a consideration of the biblical-theological method, followed by an Old Testament essay, and then proceeds through the Gospels, Paul and Revelation, and concludes with review articles of two recent notable books.

Paul's Use of the Old Testament in Romans 9:19-24 Brian J. Abasciano, 2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9, building upon his previous two volumes and their intertextual methodology. This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to, with great emphasis placed on analyzing the original contexts of Paul's citations and allusions. Such an intertextual exegesis is conducted in Romans 9:19-24 with an awareness of the broader unit of chapters 9-11 especially, and also the epistle as a whole. Conclusions for the meaning of these passages and their theological significance are drawn.

Paul, the Temple, and Building a Metaphor David Anthony Basham, 2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a "system of associated commonplaces" about the Jerusalem temple. Basham proposes that when Paul applies temple language to the Corinthians by calling them *naos theou* ("God's temple"), he sparks a creative process of interaction between the temple and the Corinthian assembly—a process of selecting, emphasizing, and organizing information from the source domain (temple) to see the target domain (the Corinthians) in a new light. Basham suggests that, in understanding Paul's fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile inclusion, we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers. By exploring the construction of metaphor, the depiction of the Jerusalem temple in Paul's letters, and Judaeian religion among gentiles, Basham demonstrates that Paul's temple metaphor speaks to a new cultic reality for gentiles-in-Christ that is linked to Israel's worship, though detached from its actual expression in Jerusalem.

Calvin on the Ropes Douglas R. Shearer, 2009 At the moment, there are two powerful trends developing within evangelicalism: - a pernicious postmodernism that demeans moral and intellectual certainty and presses for accommodation among competing truths - a postmodernism that's now institutionalizing itself among many of the so-called emerging churches; and - a resurgent five point Calvinism that casts itself in opposition to postmodernism and, therefore, appeals to college Christians who are desperately looking for a spiritual and intellectual mooring that will safeguard their beliefs from being swept into a sea of relativism. In short, the one, postmodernism and the relativism it's producing among American intellectuals, has led to the other, a resurgence of five point Calvinism. Calvinism is closely argued, tightly bound, and

scrupulously logical. Its logic, however, is its undoing - because it argues Calvinist conclusions from Calvinist premises that don't always line up with the Biblical text. The whole edifice rests on a flawed foundation that a careful exegesis of Romans reveals to anyone who is equipped with a little background in pre-modern thought. _____

Dr. Arnold Fruchtenbaum writes: This book is highly recommended to both Dispensational Calvinists and Covenantal Calvinists as well as to Arminians, and also to all of those who do not see themselves in any of these categories for an honest evaluation of what the Book of Romans really says about God's program for salvation and God's program for Israel. Arnold Fruchtenbaum Ariel Ministries Douglas Shearer has recently retired from pastoring the church he helped to found in 1982. He and his wife Sita have been married for 45 years - and together have raised four children - two sons and two daughters: Kendra, Greg, Alan, and Margo. They are all married and raising families of their own - each of them and their spouses dedicated to serving the Lord.

The Deliverance of God Douglas A. Campbell, 2009-08-07 This book breaks a significant impasse in much Pauline interpretation, pushing beyond both Lutheran and New perspectives on Paul to a non-contractual , apocalyptic reading of many of the apostle's most famous, and most troublesome, texts. His strongly antithetical vision identifies participation in Christ as the sole core of Pauline theology and produces the most radical rereading of Romans 1-4 for more than a generation. Even those who disagree will be forced to clarify their views as never before.
