The Intimacy of Images Myriam Lamrani,2025 It's been said that Oaxacans believe in images. Visual manifestations of saints and loved ones are a fundamental part of life there. Oaxacans also seem to have a special relationship with La Santa Muerte, a female reaper-like figure whose cult has grown rapidly as violence in Mexico has increased . In this book, Myriam Lamrani recontextualizes Santa Muerte within Mexican Catholicism by looking at how intimately devotees interact with images (including effigies, tattoos, artworks, photographs, even dreams) of the infamous saint. For Lamrani, focusing on the intimate modalities through which people interact with their images offers insight into religious, social, and political life, as well as anthropology itself. The media turn in anthropology often considers religion as mediation, and media as a bridge with the divine. Lamrani suggests that it is intimacy with (rather than mediation through) such images that make the dead, be they former humans (loved ones) or divine entities (Santa Muerte), present for the living. She is essentially using aesthetics and affect theory to make intimacy her theoretical frame, rather than visual analysis or the media turn. The manuscript has six chapters divided into three sections. The first section explores what constitutes an image, how to move beyond the idea of it as medium, and how dreams play into these ideas. Part two unpacks her ideas about intimacy, particularly devotional intimacy and the very special dead (loved ones and saints). The final section covers how images transcend boundaries through different scales of intimacy, from an individual's devotion to their ofrenda (altar) to the Mexican nation's famously intimate relationship with death. A conclusion reflects on devotion to Santa Muerte in Mexico within the landscape of popular

religion and political unrest, and summarizes the central argument of this book that intimacy-understood as a scalable index of closeness which traverses all spheres of sociality-is an anthropological tool to make sense of how people understand their worlds--

Argentina Erin McCloskey,Tim Burford,2006 A full range of must-do travel experiences are featured such as trekking on horseback through the Andes and wildlife excursions around the Valdes peninsula, famed for its penguin and seal colonies and whale-watching. This guide also focuses on the small-scale initiatives for visitors that are mushrooming, such as archaeological digs and wildlife conservation projects that make up the new face of tourism in Argentina. The Bradt guide emphasises eco-friendly and culturally sensitive travel.

Jugando bajo el mezquite. Formas de vida y aprendizaje cotidiano de las niñas y niños en una comunidad del altiplano potosino Norma Casas Sánchez,2021-04-07 La inquietud que guía este trabajo es conocer cómo los procesos cognitivos son constituidos y qué nos pueden decir acerca de las relaciones en que surgen: qué significa ser niño de una cultura, cómo se construye el conocimiento de los niños en un medio y contexto específico. Partiendo del supuesto de que la construcción del conocimiento que tienen las niñas y niños del Mezquital está íntimamente vinculada con el medio ecológico, social y cultural que les rodea, y de que niños y niñas construyen su conocimiento y sus múltiples referentes culturales a través de las actividades que realizan cotidianamente al interior de la unidad doméstica. El objetivo de la investigación es conocer el bagaje de conocimientos y habilidades que construyen y desarrollan los niños y niñas de entre 6 y 13 años, que viven en el ejido El Mezquital de Bocas, San Luis Potosí, S. L. P., a través de las actividades que realizan cotidianamente y saber a través de qué se determina la conformación del ser niño o niña en esta comunidad del desierto potosino.

La Navidad Hispana at Home and at Church Miguel Arias,Mark R. Francis,Arturo J. Perez-Rodriguez,2000 The authors of this exciting and useful new book extend the insights they offered in *Primero Dios* to the Advent and Christmas seasons, showing how to create a liturgical link between the rituals of Hispanic homes and neighborhoods and the liturgies of the entire parish. Text in English; rituals in English and in Spanish.
