Four Ways of Hearing Video Game Music Michiel Kamp,2024 Four Ways of Hearing Video Game Music offers a phenomenological approach to music in video games. Drawing on past phenomenological approaches to music as well as studies of music listening in a variety of disciplines such as aesthetics and ecological psychology, author Michiel Kamp explains four main ways of hearing the same piece of music--through background, aesthetic, ludic, and semiotic hearing.

The International Who's Who in Popular Music 2002 Andy Gregory,2002 TheInternational Who's Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry, providing full biographical details on pop, rock, folk, jazz, dance, world and country artists. Over 5,000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.
