Inflating a Dog (trade paperback) Eric Kraft, 2012-09-03 Peter Leroy struggles to win the affections of the toothsome Patti Fiorenza while keeping his mother's hopes and his mother's boat afloat. Ella Leroy dreams of escaping the dreary routine of her 1950s wife-and-mom life. Without telling her husband, she enlists her son Peter and his locally-notorious girlfriend Patti in a scheme to buy a run-down clamboat and re-invent it as an elegant cruising vessel for summer people in the bayside town of Babington, Long Island. But after they've bought the boat, Peter discovers that it is slowly sinking. Raucous, wise, and great fun, this is simply not to be missed. Nancy Pearl, Booklist The secret dreams and yearnings of a soul in the making, a fool for beauty. Frederic Koepfel, Memphis Commercial Appeal Fascinating and sophisticated. Jennifer Reese, The New York Times Book Review The best description of sex appeal anywhere, ever. Peter Jon Shuler

**...And Touches Of Nature** Dudley (Chris) Christian, 2017-05-13 A collection of thoughts, a mess of my aged epigrams, some advice given to me decades and decades ago, some helpful contemplation and a reflective thought, or mayhap two, a provoking rambling which has become truth as each one I've lived through. Re-read my herein presented words alas also my wisdom, at least I hope them so you'll find, and when you have, if you did find some useful or relative word amongst my own, then pray I, pass it on, please pass it on, pass it anew to someone and tell them what you did find. Thank you again for taking a small time out of your day for this small Pause for Poetry and may the good fates and good fortunes follow you generously as a friend of mine....

Supporting Learners In The Lifelong Learning Sector Fairclough, Marilyn, 2008-12-01 There are many students of all ages and at all levels who drop out or who underachieve because of a failure of support. Teachers do not always fully appreciate the significance of the support they could give at different stages in the learning process and many interpret 'support' as

something connected only with class teaching and assessment, or as referral to someone else e.g. for Key Skills. This book considers a broad range of support that learners may need from their tutors, from when they first make a choice of learning programme to their exit and progression to further learning or employment. It discusses what kind of support is appropriate as well as how and when. It raises issues of the professional responsibilities of teachers relating to competence to deal with different types of support, boundaries, effective referrals and working with sources of support within and outside the organisation. Strategies are suggested for communicating effectively, including listening skills, helping learners make their own decisions and defusing challenging situations. The place of equal opportunities and managing diversity in supporting learners is stressed along with the importance of creating a positive learning environment. In this book, a separate section looks at ways to manage problem behaviour from the withdrawn or negative learner to the disruptive learner or the bully. The theories of Maslow, Carl Rogers, Berne, Ellis and others are explained and examples given to show their relevance to supporting learners. The place of evaluation of support given is explored. Finally an appendix lists practical ideas for supporting learners in PCET.

Brooklyn Girls Gemma Burgess, 2013-07-02 A spoiled twentysomething in New York City must find a job or be forced to leave her friends and move in with her parents in this sassy series debut. Meet Pia. Sharing a brownstone in New York City with your best friends from college sounds like a dream come true, right? . . . Wrong. It's a total freaking nightmare. Meet the Brooklyn Girls. Pia, Julia, Coco, Madeline, and Angie are starting adult life together. But only spoiled, sophisticated Pia gets fired after topless part pics appear on Facebook. (Oops.) Now she's unemployed, unemployable, and broke—with a deadline. Get a job, or go live with her parents and leave New York forever. Who knew adulthood would be so damn grown-up? Pia takes on hipster bees, one-night stands, heartbreak, parental fury, wild parties, revenge, jail, loan sharks, playboys, karaoke, true love, and one adorable pink food truck, all in her quest to find out what she really wants in life—and how she's going to get it. Meanwhile, party-girl Angie's redefining "crazy in love," sweet Coco's longtime love has finally made a move, shy Madeline has discovered her inner bitch, and CEO-in-training Julia wishes she could just go back to college, where life was simple. Praise for Brooklyn Girls "I tore through this hilarious book, laughing out loud and realizing more than once that my jaw had dropped open. Gemma has created a witty and wonderful world of surprising modern heroines." —Joanna Goddard, *A Cup of Jo* "Fast, fresh, and very funny . . . the ultimate page-turner for anyone trying to figure out what she wants in life and how the hell she's going to get it." —Kim Gruenfelder, author of *Wedding Fever* and *There's Cake in My Future* "A sassy summer confection." —The New York Times

**A Word for Our Time** Stephen Huebner,2025-01-06 The Psalms of the Bible are timeless. They are prayers and meditations and conversations with God that are personal, sometimes lofty, sometimes raw. A Word for Our Time explores these enduring ageless words and brings them into our time. God has His hand and his heart in these words. They are for all people. Let's explore them with some research and historical context along with anecdotal articles and poetry. Discover a wellspring of peace and connection to the source of life. It is not necessary to read this book in order (although it would make a good devotional in the Psalms). Perhaps you have a favorite psalm that needs a deeper dive, or you might be attracted to one of the titles. The world offers conflicting choices, A Word for Our Time serves up clarity and direction with soul food for our wellbeing. Being religious is not required for reading this book. For a timeless larger-than-life perspective, the author's poetry is sprinkled with collected poetry from the last 500 years. Enter into these meditations so ancient words come alive and enter into your every day. Let A Word for Our Time - be for your time.
