

White Horse Black Nights

Harold Guy Merriam

White Horse Black Nights Evie Marceau, 2023-09-07 An imprisoned girl with a special gift is caught in a cruel game of power and romance

White Horses Alice Hoffman, 2014-09-23 A story about the fairy-tale fantasies of girlhood and the realities of growing up by “one of our quirkiest and most interesting novelists” (Jane Smiley, USA Today). When Teresa sleeps—sometimes for days at a time, the scent of roses surrounding her—she dreams of the Arias, outlaw riders on white steeds, who roam the desert at night. She was told about the dark-eyed horsemen by her mother, Dina, who left her own bedroom window open at night in the hopes that one would take her away from her parents’ house in Santa Fe. Teresa, who cannot find a cure for her mysterious sleeping sickness, has one true ally: her brother, Silver. Wild and handsome, Silver exerts an irresistible force over everyone he meets—women especially. He pursues a life of crime and danger, and the older he grows, the more reckless he becomes. Teresa wants to break free but is drawn back to her brother again and again, pulled by the belief that he is the night rider of her dreams. Only when she realizes that she has the strength to save herself will she finally be able to open her eyes and walk away. A lyrical blend of the mythical and the real, *White Horses* has been hailed by the San Francisco Chronicle as a book that “will reverberate in readers’ imaginations for a long time.”

White Horse, Black Hat Jack C. Lewis, 2002-10-16 From the silent era into the early days of television, hundreds of small production companies turned out low-budget films that were played as second features in this country and abroad. As might be expected, a high percentage of these films were Westerns. The people who made these films—producers, directors, writers, actors, and technicians—inhabited what came to be known as Poverty Row, eking out a living doing a job they loved. Author C. Jack Lewis spent 25 years in this world of low-budget Westerns, and here he portrays the human side of the industry through the many people with whom he came into contact as he worked his way from film to film. Highly personal, filled with rare glimpses of a life that lives only in the memory of a few, this narrative is a nostalgic memoir of a bygone time, of those who shared life on Poverty Row—and of the hard work, failures, successes, and dreams made or broken. Liberal use of photos helps readers identify the faces they have seen on their television screens in the reruns of these pictures still making the rounds. A must-read for students of film and popular culture—great for fans of Westerns as well.

The Frontier, 1929

Black Night, White Snow Harison E. Salisbury,1981-08-21 The destruction of the Czars which brought about the reign of revolutions from 1905-1917 in Russia looms as the crucial political event of the twentieth century. In little more than a decade the Romanov dynasty was toppled, and its time-honored institutions repudiated. How did it happen? How could Nicholas and Alexandra, the nobility, middle class anarchists—even Lenin himself—not foresee the catastrophic changes that were shaking the empire? Why could nothing be done? And why were the efforts so ineffectual? *Black Night, White Snow* captures the rich drama of this whole period. With the artistry of a Balzac, Harrison Salisbury exposes the strata of Russian society, with its decedents, prophetic poets, religious fanatics, and newly liberated serfs. From archival sources within the Soviet Union, interviews, and his personal photography collection, he recreates the story as it happened. Hard data on Russia's economy, a first-hand knowledge of the county, and a historian's gift of compression are combined in a fast-paced narrative that reads with the ease of a good novel and the urgency of a newspaper headline.

The Secret History of the Mongols and Other Works Arthur Waley,2008-01-12 Arthur Waley brings together a number of his articles, poems and translations in this volume. Included in this collection are pieces on the eighth-century Chinese poet Ts'ên Shên, as well as some of Waley's original poems and stories.

The Veda of the Black Yajus School: Kāṇḍas 4-7 ,1914

The Frontier and Midland Harold Guy Merriam,1929

Shaman Pathways - Black Horse, White Horse Melusine Draco,2013-02-08 The term 'power animal' was introduced into contemporary language in 1980 by anthropologist Michael Harner, in his classic work *The Way of the Shaman*, and refers to a broad-based animistic and shamanic concept where the animal is conceived as a tutelary spirit guide that helps or protects individuals, lineages and nations. Horses and humans became companions a long time ago, and the horse adopted as a power or totem animal represents power, speed, courage, nobility, freedom and chthonic energy. *Black Horse, White Horse: Power Animals Within Traditional Witchcraft* guides your footsteps on this most ancient of paths... ,

The White Horse Eli Goodman,2016-09-20 Based on a real-life revelational experience that is described in the substantial “Afterword” section, *The White Horse* teaches that one should not judge another by superficial characteristics. In a rural setting whose exact time and setting are purposely undefined, a family of four young children and their parents rejects a horse because of his skin color. The horse initially resigns himself to his outcast status, but when the children find themselves in danger, he emerges as a confident rescuer. The horse's heroic act proves to the family, and to the horse, himself, that their preconceived prejudices about him were, for many reasons, entirely wrong.

Classics Retold - World's Greatest Tales Adapted for the Youngest Charles Dickens,Harriet Beecher Stowe,Henry Wadsworth Longfellow,Charles Lamb,Mary Lamb,Andrew Lang,Jonathan Swift,Daniel Defoe,John Bunyan,Homer,Oliver

Goldsmith, Geoffrey Chaucer, Jennie Hall, Winston Stokes, E. Boyd Smith, Miguel Cervantes, 2023-11-16 *Classics Retold - World's Greatest Tales Adapted for the Youngest* is a meticulously curated collection that breathes new life into timeless narratives, presenting them in a form that is accessible to younger readers while preserving the essence of the original stories. This anthology spans a wide array of literary genres and styles, from the epic poetry of Homer to the satirical prose of Jonathan Swift, thereby offering an eclectic mix that highlights the diversity and adaptability of classic literature. Among the standout features of this collection are age-appropriate adaptations of such seminal works as 'Don Quixote', 'Gulliver's Travels', and 'The Canterbury Tales', each meticulously tailored to resonate with a younger demographic without diminishing the original's literary value. The contributing authors and editors, including luminaries like Charles Dickens, Harriet Beecher Stowe, and Daniel Defoe, bring their unique literary talents and backgrounds to the task of retelling these classics. Their collective efforts align with various historical, cultural, and literary movements, from the Enlightenment to Romanticism, thereby enriching the reader's comprehension of these movements and their influence on the original texts. The diversity of authors ensures a rich tapestry of perspectives and styles, offering readers an expansive view of classic literature's scope and its ongoing relevance. 'Retold Classics - World's Greatest Tales Adapted for the Youngest' is an invaluable resource for young readers and educators alike, providing a unique opportunity to engage with foundational literary works in a manner that is both accessible and engaging. This anthology is an invitation to explore a world of adventure, wisdom, and fantasy, bridging the gap between centuries-old texts and contemporary audiences. It encourages a lifelong love of reading and a deepened appreciation for the enduring power of storytelling, making it essential reading for anyone eager to instill a passion for literature in the next generation.

Pictographs of the North American Indians Garrick Mallery, 2023-11-16 In 'Pictographs of the North American Indians' by Garrick Mallery, readers are presented with a comprehensive study of the prehistoric rock writings and drawings of various Native American tribes. Mallery meticulously examines the art of pictographs, decoding their meanings and cultural significance, providing valuable insights into the history and artistic expressions of these indigenous communities. The book showcases a combination of Mallery's meticulous research and his deep appreciation for the artistic traditions of the diverse Native American cultures, making it a valuable resource for scholars and enthusiasts alike. Mallery's writing style is both scholarly and accessible, making this book an engaging read for anyone interested in Native American art and history. Through his exploration of pictographs, Mallery sheds light on the rich cultural tapestry of the North American indigenous peoples, highlighting the importance of preserving and understanding these ancient forms of expression.
