365 Self Discipline Quotes Xabier K Fernao,2019-05-20 Shocking Statistics An Average American Reads 1 Book a Year and 50% of those are Romance Novels... Look! I do not know who you are but I am sure you are on this page right now because you are someone who wants more. You are someone who do not settle for average. You see, I totally understand the desire to want to learn and yet dread reading a long and thick book at the same time! That is why we created this book... More about this book: We are what we repeatedly do. Excellence then is not an act but a habit - Aristotle What is the #1 delineating factor between the poor and rich, the successful and unsuccessful, the happy and unhappy people? Self-discipline. Think about it. When you're not disciplined about your work/job, you'll stack up work and eventually you'll be stressed out and burnt out. When you're not disciplined about your finance, you'll stack up unnecessary expenses and debt and eventually be financially stressed and burnt out. You get the idea. However, what's the deal with a 365 Days Self Discipline Quotes book? Do you agree that mindset is 80% and the strategies and mechanics are only 20% when it comes to achieving success? You know what I mean. People are always chasing the 20%, the fanciful stuffs, and thinking that ONE big idea is going to get them disciplined. It is however, all the daily reminders, influence and environment that gets people disciplined and committed every single day. I do not know what you are trying to achieve. Maybe it is your desired body, having that six packs you've always wanted. Maybe it is a breakthrough in your business, adding one more zero behind the annual income this year. It doesn't matter. What I know about you, though, is that you are someone who wants more. And that is pretty damn awesome. You want more money, more health, more happiness, more sex, more pleasure, more knowledge and more freedom... and there is absolutely nothing wrong with that. Life is about growing and expanding ourselves. We are either growing a little each day or dying a little each day. I give you my deepest respect for wanting to choose the uphill path, the path of growth and self-discipline. Act Now by Clicking the Buy Now With 1-Click Button at the Top of This Page Right Now! #iBetOnMe: The Power of Discipline: The Power of Discipline Donte' Davis,2021-01-25 #iBetOnMe: The Power of Discipline is a seasonal devotional that presents five seasons (not chapters) of unknown motivational quotes and passages that define our thoughts, actions and reactions to actively climbing yet another mountain of success. These quotes inspire the reader, as the passages stimulate their mind and interests, transitioning from hoarding thoughts to putting pen to paper. Discipline is an interactive book that expresses the importance of organization, actively engaging with what the reader is reading and giving ample space to define why remaining disciplined is so important to achieving our definition of success. This book was written to trigger our thoughts, ask ourselves questions and most importantly, answer those very questions, because we are in control of our ascend. The power of Discipline means a lot to me, it's the noun I leaned on heavily when not only climbing my first mountain, but it was my sanity to climb down, search out another mountain and climb again. Now at the top of yet another success this interactive body of work is part two that can serve as a journal or inspiration to create our very own book, I did, why can't you? Author: I'm Coach Donte' Davis, college head men's basketball coach who created a brand predicated towards self-motivation. My drive and motivation to achieve a manifestation transformed into a lifestyle and career. My #iBetOnMe brand slowly metastasized from a simple thought to my full-fledged confidence, taking over my mentality and reactions towards my definition of success. The game of basketball has always been in my life, after successfully playing college basketball I knew coaching the game was my calling. I didn't play at the highest level, yet I knew I was capable of coaching at the division one level. My goal of accomplishing that manifestation became an obsession, that's when #iBetOnMe was created. I decided to combine the aspects of my successful college playing career along with what it took to graduate college to fuel the direction of achieving the goal at hand. Coaching at the highest level would require more in-depth motivation, thought process and strategic discipline. Hence the titles of my books; (The Power of Self-Motivation & The Power of Discipline). After achieving that goal, I knew there was more to accomplish, being the head coach of a college

program was now on my radar. Sitting at the top of that mountain of success, I have one more mountain to climb. These books are a microcosm of what it takes to not only achieve our definition of success, but what it takes to learn on the way up, with our sights set on exceeding all expectations.
