

Espiritualidad De La Liberación

Grupo de Espiritualidad Ignaciana

Espiritualidad de la liberación Pedro Casaldáliga, José María Vigil, 1992 No faltan mentes bien pensantes que acusan a la Teología de la Liberación de inspirarse en ideologías excesivamente inmanentes y hasta hostiles a toda transcendencia: de ser una falsa teología carente de espiritualidad. Sin embargo, los movimientos y prácticas de la Liberación y la misma Teología de la Liberación tienen su raíz y su crédito en algo anterior a ellos mismos: la rica experiencia espiritual que palpita en el continente latinoamericano. Los rasgos de esa espiritualidad no pueden ser tan originales que se aparten de la auténtica espiritualidad cristiana de siempre: uno solo es el Espíritu en toda hora y en todo lugar: pero sí son diferentes, porque ubican la (única) espiritualidad cristiana en una hora y en un lugar diferentes. Para responder a los signos de un tiempo de cautiverio y de liberación, esos rasgos han de hacerse explícita y eficazmente liberadores: y para responder a los signos del lugar que se llama América Latina, han de tornarse latinoamericanos. El aliento poético -en el más estricto sentido del término: poesía como actividad incansable- de Pedro Casaldáliga y la cabeza, el corazón y la aragonesa y tozuda laboriosidad de José Ma Vigil han producido una obra que quiere ser una fraterna lectura espiritual compartida: una introducción a otros libros mayores y a otras búsquedas: un eco emocionado a tanta espiritualidad latinoamericana (y caribeña) vivida -hoy sobre todo, pero también ayer- por tantos santos y santas anónimos, tantos profetas y mártires y tantas comunidades cristianas que se esfuerzan en revivir latinoamericanamente la hermosura evangélica y los rasgos crucificados (y la alegría pascual) de los Hechos de los Apóstoles. Toda una legión de hijos e hijas de Dios -el Dios único, pero con muchos nombres- que vienen haciendo la total espiritualidad latinoamericana, antes y después de 1492.

Spirituality of Liberation Jon Sobrino, 2015-03-31 How is it possible to live a spiritual life? What should the kernel of this spirituality be, in this world of crises, challenges, and change? From his immersion in the violent and struggle-filled reality of Central America, Jon Sobrino articulates a way to imbue the practice of liberation with spirituality--a dimension that critics

often charge is lacking in liberation theology.

Espiritualidad para un mundo en emergencia Emma Martínez Ocaña, 2016-12-13 Vivimos un tiempo de emergencia entendida como peligro y también como oportunidad para contemplar lo nuevo que está brotando, aunque no siempre sea fácil percibirlo. Necesitamos buscar caminos de sabiduría, lucidez y coraje para caminar hacia la vida, la humanización, la globalización de la solidaridad y la justicia. A lo largo de este camino nos acompaña Jesús de Nazaret, guía que indica valores, senderos para caminar hacia una mayor justicia y fraternidad, testigo de fidelidad y coherencia hasta dar la vida, creyente fiel, horizonte de esperanza de que el amor es más fuerte que la muerte. Como hoy no sirven las palabras sino las vidas que intentan ser coherentes ante las incoherencias que van unidas a nuestra debilidad, el libro nos anima a ser testigos del misterio del Amor que hemos descubierto en lo profundo de nuestro ser.

Liberación con espíritu Jon Sobrino, 1987

Spirituality Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality. Kees Waaijman charts the multiform phenomenon of spirituality: the spirituality of ordinary people, the great spiritual traditions and the force of counter-movements. From the foundation of this survey he answers questions like: What exactly is spirituality? What forms can a scholarly approach take? Finally, the book provides methodic access to the study of spirituality, focusing on the following questions: Which are the different forms of spirituality and how can we describe them? How can spiritual texts be given a reliable reading? Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them? What do we mean by spiritual guidance and what can we learn from it? This textbook has no equal. It is indispensable to scholars wishing to study the subject, but also to others who want to learn about spirituality.

Teología y liberación: Escritura y espiritualidad, 1990

¿Es ésta la verdadera «Iglesia de Jesucristo liberador y pobre»? Raúl Hernán Da Silva Centurión, 2014-05-13 La corona de espinas de Jesucristo representa un símbolo esencial de humildad en la encrucijada de la flagelación y el martirio. Jesucristo yacía impasible en el sombrío crepúsculo del lúgubre abandono y desolación; donde apenas articulaba palabras de ternura para dar paso a las gotas de sangre que germinará triunfante sobre el oprobio para convertirse en la Salvación de la Humanidad. Es la máxima expresión del amor de Jesús que con su cruz enhiesta entre el cielo y la tierra une la majestuosidad del Perdón y la Resurrección de la Vida. A este sacrificio se aproxima la opresión de los pobres para consolidar el testimonio de la fe y la esperanza en la periferia del mundo. Para muchos cristianos la Iglesia camina cansina y desanimada hacia un futuro incierto y muchas veces adolece de criterios contradiciendo su misión de ser un baluarte de los valores humanos, demostrando incoherencia en su lucha por reivindicar la justicia y debilidad en el desarrollo de la

liberación integral de la persona. Con razón se le exige a la Iglesia reformas estructurales y morales para que sea la Madre y Maestra que todavía no lo es. Ante todo, esperamos de la Iglesia una mayor comprensión y que acompañe como el buen samaritano a sanar las heridas de sus hijos. Por ende, el compromiso debe ser un signo de esperanza en un mundo desafiante por la sin razón y la barbarie, donde ha de imperar el diálogo constructivo, la sensatez y el sentido crítico para separar con lógica la cizaña del trigo. Con la presencia del Papa Francisco se ha abierto una etapa crucial de cambios necesarios ad intra et ad extra en la Iglesia. Pastor carismático y conocedor de la realidad social al demostrar con hechos concretos su sensibilidad con los que sufren la pobreza: “Veo a la Iglesia como un hospital de campaña tras una batalla [...] Cuando lo más importante es el anuncio primero: Jesucristo te ha salvado”. Sí, nos salvó y nos salvará... Por consiguiente, ver al pobre e identificarlo con Jesús, representa el gesto oportuno, la praxis efectiva y la misión que debe seguir la Iglesia para que sea verdaderamente: “La Iglesia de Jesucristo liberador y pobre”. El presente libro pretende que sea una lectura reflexiva y aprovechada por toda persona interesada, sobre todo, es una propuesta para los estudiantes de Teología y Sacerdotes que quieran profundizar de forma metodológica y con rigor científico, el estudio de la Teología Latinoamericana de la Liberación. El argumento tiene como objetivo demostrar con fundamentos válidos la trascendencia que tuvo y sigue teniendo la Teología de la Liberación en la comunidad cristiana. Como creyentes sabemos que el amor a Jesucristo se debe fusionar con el amor al prójimo al ser una disyuntiva equidistante de solidaridad y justicia. Es una realidad Evangélica que constituye un imperativo categórico de la Iglesia que quiere ser de los pobres y con los pobres.

Ancestor Christology Cletus Chukwuemeka Nwaogwugwu, 2011-01-07 The study of the application of the title ancestor to Christ permits the author to delve into the Christological reflection in Africa today through one of the principal ways. At play here is the inculturation of the faith, which cannot be fully achieved without a process of theological assimilation of the fundamental parameters in the African life. The thesis, therefore, is not only limited to a mere description of the contemporary panorama in that respect, but attempts to offer a theological evaluation of the real expressive capacity of the title, as it has been proposed. The criterion used is therefore double: In the first place, the thesis tried to show that the human and the divine natures of Jesus Christ can be maintained in such a way that there is no rupture with the great tradition of the Christological councils. In the second place, if it is capable of responding to demands of Christology from above and from below. In all this, however, the horizon of the debate is not occidental exegetical investigation well known by the author; but from the theological ambient of sub-Saharan world. The conclusion is positive, pondering the terms involved. The work can be of great use in the christoogical endeavors of contemporary Africa, as well for those who desire to delve into

it. Don Alfonso Carrasco Rouco (director of the thesis and now Bishop of the Diocese of Lugo Spain) The work of Don Cletus Chukwuemeka contains a clear description of what we may call African traditional religiosity as well as the theological efforts to inject Christianity into this cultural and religious tradition. The central point of these efforts revolves around the understanding of Christ. The most original aspect of this work is in the critical recourse to the figure of the ancestor or proto-ancestor to present the identity of Christ in a way that is faithful to the Church tradition, and at the same time, significant for the religious and cultural tradition of Africa. Dr. Don Gerardo del Pozo Abejn (Censor of the thesis)

An Alternative Vision Roger Haight SJ, 2014-12-01 An Alternative Vision: An Interpretation of Liberation Theology offers a complete overview of the liberation theology movement that is ideally suited for a thorough study of the major questions and important theologians that have contributed to the debate. It outlines and brings together into a single unified account liberation theology's alternate vision for providing the possibility of meaningful historical existence for humans in the world today. The author translates the Christian vision of liberation theologians from Latin America into more general theological and cultural categories familiar to the English-speaking world, then shows how that vision makes a unified interpretation of Christian doctrine. First, liberation theology must be seen as a response to massive human suffering witnessed throughout the world today. This human agony is largely caused by human beings and the social and political structures we create, and liberation theology addresses this dilemma using the tradition of Christian wisdom and direct imperatives that have universal, transcultural significance. The second goal is achieved by showing the connection between liberation principles and the major doctrines of Christian belief, including God, Jesus Christ, faith, grace, the church, sacraments, ministry, and spirituality.
