True Love Sarah E. Farro, 2021-05-21 True Love: A Story of English Domestic Life (1891) is the first and only novel by Sarah E. Farro. Inspired by the works of Dickens and Thackeray, this novel models itself on the stories of romance and

everyday life popular in Victorian England. When *True Love: A Story of English Domestic Life* appeared in print, Farro became the first black woman to publish a novel in the United States. Despite this distinction, her name and reputation would largely have faded into history if not for the effort of recent scholarship, which seeks to restore her status as a pioneering African American woman while contextualizing her work within the study of Victorian literature. Mrs. Brewster is an unhappy woman. A carpenter's daughter, she spent years in poverty before receiving a sizable inheritance from a distant relative, granting her and her two daughters a minimum of stability for the first time in their lives. Despite this, she endures an abusive, joyless marriage to a merchant tailor and longs for a way to escape middle class life. When her daughter Janey becomes engaged to a wealthy aristocrat, Mrs. Brewster grows hopeful of the opportunity to tie herself to her fate. Not far from the Brewster home, Charles Taylor lives in an ornately decorated mansion. Having inherited a large sum from his capitalist father, he leads a boring, luxurious existence. For Taylor, marriage is a matter of romance, a bond between a man and a woman with no economic significance whatsoever. For Mrs. Brewster, her daughter is "worth her weight in gold." With a beautifully designed cover and professionally typeset manuscript, this edition of Sarah E. Farro's *True Love: A Story of English Domestic Life* is a classic of African American literature reimagined for modern readers.

The True Story of Acid House: Britain's Last Youth Culture Revolution Luke Bainbridge, 2014-02-10 The arrival of a new style of music and a new type of drug in 1988 ignited a revolution. To coincide with the 25th anniversary of the second summer of love, this is the definitive story of the seismic movements in music and youth culture that changed the cultural landscape forever. Luke Bainbridge is uniquely positioned to tell this story, having connections both in the industry, through nearly two decades as a music journalist, and on the dancefloor, through two decades of dancing, promoting and DJing. Bainbridge has interviewed most of the protagonists who led the revolution, from the DJs and musicians to the promoters, gangsters and ravers, and built up a relationship of trust and mutual respect. This will be true story of acid house, from the DJ box to the dance floor. He examines the legacy and lasting impact of acid house, and how the second summer of love is viewed 25 years on. How has acid house been assimilated into mainstream culture? How did the change in drugs, away from ecstasy towards other drugs, affect the music and the party scene? Why has the free party scene never really been replicated, despite new technology greater capacity to organise events and disseminate information? Did the summer of 1988 leave us with a generation of drug users? Has there been any lasting effect of such an explosion in drug use? Who were the real winners and casualties in the story? Do the world's current biggest DJs Tiesto, Swedish House Mafia, David Guetta have any connection to the original scene? Where next for house and dance music in general?

**The Story Behind the Dress** Raquel J. Moody, 2020-11-17 Young and full of life, Cassandra Parker wouldn't have it any other way but to hang out and party with her girls and be boo'd up with her boyfriend, Tommy. But all that changed when she had a spiritual encounter with God himself. What most people would find to be the most joyous time of their lives, Cassie

struggled with the people she loved leaving her one by one, including the man she thought she'd spend the rest of her life with. Trying to see if her relationship with Tommy could survive the test of time, Tommy couldn't get used to the scene of Cassie's new-found love in Jesus Christ. Vowing to hold on to her celibacy, keeping God number one in her life and waiting for a true man of God, revelation took her by surprise. What Cassie thought would be a skip, a hop, and a jump when God told her who her husband was turned out to be a whirlwind of lies, deception, and manipulation. Up for the challenge, Cassie endured every blow as she suited up with the whole armor of God, with the shield of faith at work. But was it enough to grab hold of the promise and enter into God's rest? This is the story, *The Story Behind the Dress*.

**Antisocial** Andrew Marantz, 2020-09-15 Trenchant and intelligent. --The New York Times As seen/heard on NPR, New Yorker Radio Hour, The New York Book Review Podcast, PBS Newshour, CNBC, and more. A New York Times Book Review Editors' Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker, a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet--and how the cynical propagandists of the alt-right exploited that freedom to propel the extreme into the mainstream. For several years, Andrew Marantz, a New Yorker staff writer, has been embedded in two worlds. The first is the world of social-media entrepreneurs, who, acting out of naïvete and reckless ambition, upended all traditional means of receiving and transmitting information. The second is the world of the people he calls the gate crashers--the conspiracists, white supremacists, and nihilist trolls who have become experts at using social media to advance their corrosive agenda. *Antisocial* ranges broadly--from the first mass-printed books to the trending hashtags of the present; from secret gatherings of neo-Fascists to the White House press briefing room--and traces how the unthinkable becomes thinkable, and then how it becomes reality. Combining the keen narrative detail of Bill Buford's *Among the Thugs* and the sweep of George Packer's *The Unwinding*, *Antisocial* reveals how the boundaries between technology, media, and politics have been erased, resulting in a deeply broken informational landscape--the landscape in which we all now live. Marantz shows how alienated young people are led down the rabbit hole of online radicalization, and how fringe ideas spread--from anonymous corners of social media to cable TV to the President's Twitter feed. Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed. Will they be able to solve the communication crisis they helped bring about, or are their interventions too little too late?

Memories of the Future Siri Hustvedt, 2019-03-19 A provocative, exuberant novel about time, memory, desire, and the imagination from the internationally bestselling and prizewinning author of *The Blazing World*. A young woman, S.H., moves to New York City in 1978 to look for adventure and write her first novel, but finds herself distracted by her mysterious neighbor, Lucy Brite. As S.H. listens to Lucy through the thin walls of her dilapidated building, she carefully transcribes the woman's bizarre monologues about her daughter's violent death and her need to punish the killer. Forty years later, S.H. stumbles upon the journal she kept that year and writes a memoir, *Memories of the Future*, in which she juxtaposes the notebook's texts, drafts from her unfinished comic novel, and her commentaries on them to create a dialogue among selves over the decades. She remembers. She misremembers. She forgets. Events of the past take on new meanings. She works to reframe her traumatic memory of a sexual assault. She celebrates the legacy of the wild and rebellious Dada artist-poet, the Baroness Elsa von Freytag-Loringhoven. As the book unfolds, you witness S.H. write her way through vengeance and into freedom. Smart, funny, angry, and poignant, Hustvedt's seventh novel brings together the themes that have made her one of the most celebrated novelists working today: the strangeness of time, the brutality of patriarchy, and the power of the imagination to remake the past.

**Cassell's penny illustrated stories** Cassell Ltd, 1892

**Murder Among Talking Fools And Other Mystery Short Stories** Charles E. Schwarz, 2003-02-17 This second volume of hilarious, socially incorrect 'who done it' mystery short stories by Charles E. Schwarz is filled with unforgettable Dickensian characters and is a joy as the readers try to spot the villain. This is best illustrated by the title's story, *Murder Among Talking Fools*, where, in a bar, desperate lonely people engage in outrageous exaggerated fictions about themselves until one is shot. From first to last, the fast pace of these eight short stories never diminishes but keeps the reader page turning, laughing and guessing until the ending.

*Tragedy and the Witness* Fred Parker, 2025-04-15 As he dies, Hamlet pleads with Horatio to 'report me aright ... tell my story'. This book deals with the task of bearing witness to anguish, atrocity, and madness, as these are staged in the tragic theatre. Focusing on the relationship between the protagonist and the onlooker or witness, it explores how the tragic figure, often and understandably viewed as alien or culpable or profoundly strange, struggles to be understood. Centred on Shakespeare, its wide-ranging approach also introduces works by (among others) the Greeks, Racine, Ibsen, Pirandello, Kafka, Beckett, and Kane. The discussion intersects with trauma studies and with psychoanalytic theory, especially around how subjective experience is 'held' by others. The challenge of entering into such difficult experience is likened to the offering of hospitality to the foreigner or stranger: the challenge of overcoming xenophobia. Another large concern is with

how tragedy represents madness, and how far such states of mind may be shared with an audience, particularly through the lens of King Lear. Written in an accessible style, this book grounds tragedy in matters that resonate in common experience, from mental breakdown and our need to be heard to questions around grieving, trauma, and the ethics of telling someone's story.

**Blaming God** R J Burton,2024-01-19 Faith can be shaken by trauma. R.J. Burton knows this well. As a young teen, she experienced abuse at the hands of an older man. The trial that ensued exonerated the perpetrator while condemning the victim in the eyes of her community, sending her into a spiral of doubt in herself, in God, and in supposedly Christ-loving people. Why do some followers of Christ judge and deny their brothers and sisters? How do misrepresentations of Christianity harm victims? Why does a supposedly just society perpetuate the revictimization of abuse survivors? And what does the concept of free will have to do with any of it? These are the questions R.J. tries to answer as she reflects on her life and embarks on a journey from faith lost to faith rediscovered—a journey that will resonate with other “faithful sinners” who may be questioning their own relationships with God.
