

Scrittore Francese De Il Padrone Delle Ferriere

E Durkheim

Licenziate i padroni Marco Bentivogli, 2023-11-14 «Lavoro: cambia tutto.» Quante volte lo abbiamo sentito dire sulla scia delle grandi trasformazioni che hanno investito il mondo produttivo. Eppure in Italia le dinamiche del rapporto lavorativo restano ancorate a vecchi concetti padronali, anche quando non di padroni/proprietari si parla ma di capi, capetti, manager e direttori delle risorse umane, che della mentalità e dei comportamenti padronali hanno preso tutto il peggio. È contro di loro che Marco Bentivogli si scaglia in questo libro, un libro che è un grido di rabbia: rabbia contro i «padroni» mediocri, rabbia per un Paese con molti capitali e pochi capitalisti, dove la ricchezza si eredita e il «capitalismo relazionale» fa sì che nelle aziende vengano cooptati i fedelissimi e gli amici degli amici che hanno frequentato le stesse scuole e gli stessi circoli. E questo non vale solo per il mondo delle imprese private: vale anche per quelle pubbliche, per la politica, il sindacato, le associazioni, la pubblica amministrazione... Questo però non è un libro per «difendersi» dai padroni. È il manifesto di una frustata culturale a una grande finzione: bisogna al più presto licenziare questa moderna cultura aziendale che di moderno ha solo le etichette. Qui troverete una denuncia senza mezzi termini dell'«abu-so d'ufficio» che permea il nostro terziario e un'accusa ai capi «cane pastore» con l'ossessione del controllo, un controllo che serve solo a nutrire il narcisismo di chi lo esercita, ma che soffoca la produttività e insieme il «BenVivere» (meglio del benessere) delle persone. Troverete anche una riflessione sul senso del lavoro, sulla sua dimensione comunitaria - e dunque sulla necessità di inglobare all'interno di esso la «cura» (per se stessi e per gli altri) -, sulla responsabilità sociale dell'impresa e sulle sue concrete applicazioni. E infine uno sguardo sul futuro, che è già presente, in cui saper riconoscere oltre ai rischi anche le opportunità dell'intelligenza artificiale, che potrà aiutarci a potenziare ciò che nel lavoro costituisce la nostra prerogativa essenziale: la nostra umanità.

Il commissario Richard. Il naso di cartone Ezio D'Errico, 2018-04-12 Per Andrea Camilleri, suo estimatore, Ezio D'Errico è un artista «dotato di una genialità rinascimentale». E certamente unico, più volte imitato, è il suo indimenticabile commissario Richard, che con De Vincenzi è tra i personaggi più originali della storia del giallo italiano (e anche dei «mitici» gialli Mondadori). Disincantato, concreto, solo in apparenza distaccato, il «simenoniano» Richard indaga in una Parigi e in una provincia francese non di rado inospitali, popolate di figure ambigue e spiazzanti, spesso ai margini della società, individui rifiutati, disadattati, solitari. Una misteriosa, efferata catena di omicidi e una macabra messinscena sono i protagonisti de Il naso di cartone, uno dei romanzi più avvincenti di Ezio D'Errico. Un oscuro assassino seriale, collegato

dagli investigatori parigini a un misterioso crittogramma ritrovato in un portafogli rubato, assale le sue inconsapevoli vittime e lascia sul loro viso una firma inconfondibile e beffarda: un naso di cartone. Fin dall'inizio delle indagini Richard comprende di avere a che fare con un avversario astuto e sanguinario, un killer capace di uccidere senza un movente credibile. Un criminale che appare inafferrabile e determinato, capace addirittura di prendersi gioco della polizia che senza successo gli dà la caccia. Ma la verità è dietro l'angolo, una verità sorprendente e inaspettata. Come in una angosciata partita a scacchi, Richard riuscirà a smascherare l'assassino grazie al suo intuito infallibile. Poi un piccolo errore, apparentemente trascurabile, del suo antagonista... Con un'introduzione di Loris Rambelli.

Enciclopedia della letteratura ,2007

Rivista d'Italia ,1898

Un amore di Swann Marcel Proust,1974

Il commissario Richard. Il quaranta, tre, sei, sei non risponde Ezio D'Errico,2017-03-01 Per Andrea Camilleri, suo estimatore, Ezio D'Errico è un artista "dotato di una genialità rinascimentale". E unico, più volte imitato, è il suo indimenticabile commissario Richard, che con De Vincenzi è tra i personaggi più originali della storia del giallo italiano (e anche dei "mitici" gialli Mondadori). Disincantato, concreto, solo in apparenza distaccato, il "simenoniano" Richard indaga in una Parigi e in una provincia francese non di rado inospitali, popolate di figure ambigue e spiazzanti, spesso ai margini della società, individui rifiutati, disadattati, solitari. Un telefono è sempre occupato, per interminabili ore. È quello del vicino di casa di Georges Milton, il giovane medico amico del Commissario. Ma il Quaranta, tre, sei, sei non risponde perché l'inquilino è stato barbaramente ucciso. Milton, con i consigli di un Richard interessato alla vicenda ma temporaneamente fuori servizio, indagherà in un sottobosco criminale dai contorni sorprendenti. Una vendetta atroce consumata tra le pieghe di una terribile vicenda di emigrazione e di miseria, una vicenda in cui la Legge non può far altro che dichiarare la sua impotenza e inattualità.
