Foxhole Court Nora Sakavic, 2025

The Foxhole Court Nora Sakavic, 2016-03-31 Neil Josten is the newest addition to the Palmetto State University Exy team. He's short, he's fast, he's got a ton of potential - and he's the runaway son of the murderous crime lord known as The Butcher. Signing a contract with the PSU Foxes is the last thing a guy like Neil should do. The team is high profile and he doesn't need sports crews broadcasting pictures of his face around the nation. His lies will hold up only so long under this kind of scrutiny and the truth will get him killed. But Neil's not the only one with secrets on the team. One of Neil's new teammates is a friend from his old life, and Neil can't walk away from him a second time. Neil has survived the last eight years by running. Maybe he's finally found someone and something worth fighting for.

Cracking Ice (Omnibus edition) N.J. Lysk, An omega in heat. His straight alpha teammate. A night they won't forget. A connection they cannot deny. When Cartwright Johnson joins the Hell's Flames, he expects to play hard to compensate for being an omega daring to pursue a professional hockey career. But he doesn't count on the instant connection he forms with his alpha linemate... Or on the heat it sparks. All Keenan Avali wants to do is play hockey. It doesn't matter that he's an alpha, he's got no interest in dominating anywhere but on the ice. And he's certainly got no interest in men, no matter how sweet they smell or how beautifully they skate. Nobody can fail to see they play together like they were made for it. But how close can they get to success without losing something much dearer than a game? This edition includes all 7 books in the Cracking Ice serial.

Reading Russian Literature, 1980-2024 Otto Boele, Dorine Schellens, 2024-10-09 This edited collection focuses on the nexus between literary consumption, memory and collective identity formation in Russia from the 1980s until today. It challenges perceived notions about the reduced social significance and identity-building potential of contemporary Russian literature. Drawing on a diverse set of primary source materials, ranging from memoirs, diaries and essays to fan art and BookToks, the collection seeks to do justice to the diversity of an enormous reading public that is often routinely referred to as the 'Russian reader'. The case studies explore the reading habits and self-understanding of very different audiences that are dispersed along regional, gender, generational and technological divides. In doing so, this collection examines both the

continuities and shifts in the multifaceted relationship between literary consumption, memory and identity during the profound and ongoing transformations in Russian society and its literary landscape.

Firings from the Fox Hole Rock DiLisio,2006-03-12 *Firings from the Fox Hole*, takes you on a written, chronological journey through some of the darkest days of World War II. A young infantryman, Bronze Star Medallist, Angelo A. DiLisio, becomes the war's most prolific letter writer, as he uses the medium to keep in touch with his family back home. Injury and illness, fear and duty, this book will recount a war experience through the eyes of a young, American soldier. His hand wrote well and often, but he could not always describe many of the horrors of war that his eyes beheld. Let us now embark on a written journey, spanning almost a two-year period, encompassing some of the darkest days this world has ever known. As your guide, an eighteen-year old American infantryman far from home.

Fog of War Kevin M. Kruse,Stephen Tuck,2012-01-06 It is well known that World War II gave rise to human rights rhetoric, discredited a racist regime abroad, and provided new opportunities for African Americans to fight, work, and demand equality at home. It would be all too easy to assume that the war was a key stepping stone to the modern civil rights movement. But *Fog of War* shows that in reality the momentum for civil rights was not so clear cut, with activists facing setbacks as well as successes and their opponents finding ways to establish more rigid defenses for segregation. While the war set the scene for a mass movement, it also narrowed some of the options for black activists. This collection is a timely reconsideration of the intersection between two of the dominant events of twentieth-century American history, the upheaval wrought by the Second World War and the social revolution brought about by the African American struggle for equality.

Court-Martial Reports: Holdings and Decisions of the Judge Advocates General Boards of Review and United State Court of Military Appeals ,

The Court-Martial of Corporal Nutting John R. Nutting,2014-11-18 John Nutting is nineteen years old in 1966. Raised in small-town Idaho, to a family that could trace its military roots back to the Revolutionary War, Nutting knows he's going to fight the war as a Marine. On the day of his high school graduation, he swears into the US Marine Corps and boards the plane to boot camp. All too soon he's in the jungle, a greenhorn member of "F" Company, 2nd Battalion, 3rd Marine Division. Firing on an unseen enemy, burying friends killed by booby traps, and struggling with the notion that many people back home were totally opposed to the war, Nutting begins to wonder what are his odds of coming home? During a rescue mission gone wrong, a mortar round explodes beside his team, digging shrapnel deep into his leg. Aboard the surgical hospital ship, where he is sent to recover, he sees the indescribable injuries of Marines who had been captured and tortured by the North Vietnamese Army, and makes the decision to join the 3rd Marine Regimental Scout/Snipers at Camp Carroll. After the locals betray the scout/snipers assigned to help their village, resulting in the death of two of Nutting's buddies, Nutting finds an

escape to sanity in marijuana. This begins his continuous recourse to the drug that lasts throughout his tour, done only in the bunker or when away on R&R—never in the field and never on duty. Despite his proven record, when he is caught in possession of marijuana, his arrest and the ensuing court martial changed his life and his reputation forever.

A King in a Court of Fools Larry Enright, 2011-08-21 Genre: Humorous fiction, coming of age, nostalgia Age: Appropriate for ages 10 and up *King in a Court of Fools* begins with a book - *The Book of Tom* - a journal writing assignment from Tom Ryans sixth-grade teacher, Sister Jeanne Lorette. That's what she called it. Tom called it punishment. In it, he chronicles the adventures of the Caswell Gang, a group of siblings and friends with two things in common - their love of adventure and their allegiance to Tom, their king. The 1950s book was misplaced a long time ago, and all the children have since grown up, but Harry, Tom's youngest brother, still remembers it and retells for us one of its stories in a nostalgic, heartwarming, and humorous way that will have you wishing for adventure, too.

The Supreme Court and McCarthy-Era Repression Robert M. Lichtman, 2012-08-15 In this volume, attorney Robert M. Lichtman provides a comprehensive history of the U.S. Supreme Court's decisions in Communist cases during the McCarthy era. Lichtman shows the Court's vulnerability to public criticism and attacks by the elected branches during periods of political repression. The book describes every Communist-related decision of the era (none is omitted), placing them in the context of political events and revealing the range and intrusiveness of McCarthy-era repression. In Fred Vinson's term as chief justice (1946-53), the Court largely rubber-stamped government action against accused Communists and subversives. After Earl Warren replaced Vinson as chief justice in 1953, however, the Court began to rule against the

government in Communist cases, choosing the narrowest of grounds but nonetheless outraging public opinion and provoking fierce attacks from the press and Congress. Legislation to curb the Court flooded Congress and seemed certain to be enacted. The Court's situation was aggravated by its 1954 school-desegregation decision, *Brown v. Board of Education*, which led to an anti-Court alliance between southern Democrats and anti-Communists in both parties. Although Lyndon Johnson's remarkable talents as Senate majority leader saved the Court from highly punitive legislation, the attacks caused the Court to retreat, with Felix Frankfurter leading a five-justice majority that decided major constitutional issues for the government and effectively nullified earlier decisions. Only after August 1962, when Frankfurter retired and was replaced by Arthur Goldberg, did the Court again begin to vindicate individual rights in Communist cases--its McCarthy era was over. Demonstrating keen insight into the Supreme Court's inner workings and making extensive use of the justices' papers, Lichtman examines the dynamics of the Court's changes in direction and the relationships and rivalries among its justices, including such towering figures as Hugo Black, Felix Frankfurter, Earl Warren, William O. Douglas, and William J. Brennan, Jr. *The Supreme Court and McCarthy-Era Repression: One Hundred Decisions* tells the entire story of the Supreme Court during this unfortunate period of twentieth-century American history.
