

Great Southern Land Aboriginal Lyrics

J Ma

Seeking the Centre Roslynn D. Haynes, 1998 The desert has a hypnotic presence in Australian culture, simultaneously alluring and repellent. The 'Centre' is distant and unknown to most Australians, yet has become a symbol of the country. This exciting book, highly illustrated in full colour, reveals the singular impact that the desert, both geographical and metaphorical, has had on Australian culture. At the heart of the book is the profound relationship that Aboriginal Australians have with the desert, and the complex ways in which they have been seen by white people in this context.

Overland, 1993

Indians of the Great Plains Daniel J. Gelo, 2018-07-20 This book provides a thorough and engaging study of Plains Indian life. It covers both historical and contemporary aspects and contains wide and balanced treatment of the many different tribal groups, including Canadian and southern populations. Daniel J. Gelo draws on years of ethnographic research and emphasizes that Plains societies and cultures are continuing, living entities. The second edition has been updated to take account of recent developments and current terminology. The chapters feature a range of illustrations, maps, and text boxes, as well as summaries, key terms, and questions to support teaching and learning. It is an essential text for courses on Indians of the Great Plains and relevant for students of anthropology, archaeology, history, and Indigenous studies.

Tourism at the Olympic Games Mike Robinson, Josef Ploner, 2017-10-02 Going far beyond being just a mega sport event, the Olympic Games are, and have been in the past, important settings for tourism and cultural change. Hosting the Olympic Games presents a unique opportunity for countries to promote, regenerate, and develop cities and regions, and to firmly locate them within an increasingly competitive global tourism marketplace. From Athens to Rio de Janeiro, Olympic landmark buildings, 'districts', and 'parks' have permanently transformed cities and regions, and gained tremendous material and symbolic value as tourist attractions. On another level, the Olympic Games produce a kaleidoscopic range of intangible and quasi-religious engagements with place and spectacle. They have a tremendous impact on the image of the host country, while invoking collective memories and touching on emotions such as suspense, compassion, togetherness, and pride. Tourism has also become a major watchword in ongoing debates on the 'legacy' of the Olympic Games, and it deeply penetrates discourses on social justice and cultural change on a local, national and global scale. This book was originally published as a special issue of the Journal of Tourism and Cultural Change.

Broken Circles Anna Haebich,2000-11-01 This major work reveals the dark heart of the history of the Stolen Generations in Australia. It shows that, from the earliest times of European colonization, Aboriginal Australians experienced the trauma of loss and separation, as their children were abducted, enslaved, institutionalized, and culturally remodeled. Providing a moving and comprehensive account of this tragic history, this study covers all Australian colonies, states, and territories. The analysis spans 200 years of white occupation and intervention, from the earliest seizure of Aboriginal children, through their systematic state removal and incarceration, and on to the harsh treatment of families under the assimilation policies of the 1950s and 1960s. The resistance struggle and achievements of Aboriginal people in defending their communities, regaining their rights and mending the broken circles of family life provides a compelling parallel story of determination and courage.

Musical Collaboration Between Indigenous and Non-Indigenous People in Australia Katelyn Barney,2022-12-22 This book demonstrates the processes of intercultural musical collaboration and how these processes contribute to facilitating positive relationships between Indigenous and non-Indigenous peoples in Australia. Each of the chapters in this edited collection examines specific examples in diverse contexts, and reflects on key issues that underpin musical exchanges, including the benefits and challenges of intercultural music making. The collection demonstrates how these musical collaborations allow Indigenous and non-Indigenous people to work together, to learn from each other, and to improve and strengthen their relationships. The metaphor of the “third space” of intercultural music making is interwoven in different ways throughout this volume. While focusing on Indigenous Australian/non-Indigenous intercultural musical collaboration, the book will be of interest globally as a resource for scholars and postgraduate students exploring intercultural musical communication in countries with histories of colonisation, such as New Zealand and Canada.

Native Nations Nancy Bonvillain,2024-03-27 Combining historical background with discussion of contemporary Native nations and their living cultures, this comprehensive text introduces students to the many Indigenous peoples in North America. Organized by region to highlight cultural practices, each part covers the topography, climate, and natural resources in the area and describes the range of cultural practices and beliefs among groups. Subsequent tribe-specific chapters are devoted to different Native communities, addressing both their history and contemporary lives. New to the Third Edition: New Chapter 26, “Contemporary Challenges” explores the issues facing Native communities today, including environmental crises, voting rights, residential school investigationsNew Chapter 27, “The Arts, Pop Culture, and Representation” examines contemporary Indigenous writers, musicians, and film makers as well as the challenges Indigenous peoples face with misrepresentationFully revised art program with a wealth of images and maps explores different Native culturesUpdated statistics on social and economic data as well as demographic profiles

Library of Southern Literature Edwin Anderson Alderman,Joel Chandler Harris,Charles W. Kent,Charles Alphonso Smith,Lucian Lamar Knight,1910

Aboriginal Music in Contemporary Anna Hoefnagels, Beverley Diamond, 2012-02-24 First Nations, Inuit, and Métis music in Canada is dynamic and diverse, reflecting continuities with earlier traditions and innovative approaches to creating new musical sounds. *Aboriginal Music in Contemporary Canada* narrates a story of resistance and renewal, struggle and success, as indigenous musicians in Canada negotiate who they are and who they want to be. Comprised of essays, interviews, and personal reflections by Aboriginal and non-Aboriginal musicians and scholars alike, the collection highlights themes of innovation, teaching and transmission, and cultural interaction. Individual chapters discuss musical genres ranging from popular styles including country and pop to nation-specific and intertribal practices such as powwows, as well as hybrid performances that incorporate music with theatre and dance. As a whole, this collection demonstrates how music is a powerful tool for articulating the social challenges faced by Aboriginal communities and an effective way to affirm indigenous strength and pride. Juxtaposing scholarly study with artistic practice, *Aboriginal Music in Contemporary Canada* celebrates and critically engages Canada's vibrant Aboriginal music scene. Contributors include Véronique Audet (Université de Montreal), Columpa C. Bobb (Tsleil Waututh and Nlaka'pamux, Manitoba Theatre for Young People), Sadie Buck (Haudenosaunee), Annette Chrétien (Métis), Marie Clements (Métis/Dene), Walter Denny Jr. (Mi'kmaw), Gabriel Desrosiers (Ojibwa, University of Minnesota, Morris), Beverley Diamond (Memorial University), Jimmy Dick (Cree), Byron Dueck (Royal Northern College of Music), Klisala Harrison (University of Helsinki), Donna Larivière (Algonquin), Charity Marsh (University of Regina), Sophie Merasty (Dene and Cree), Garry Oker (Dane-zaa), Marcia Ostashewski (Cape Breton University), Mary Piercey (Memorial University), Amber Ridington (Memorial University), Dylan Robinson (Stó:lo, University of Toronto), Christopher Scales (Michigan State University), Gilles Sioui (Wendat), Gordon E. Smith (Queen's University), Beverly Souliere (Algonquin), Janice Esther Tulk (Memorial University), Florent Vollant (Innu) and Russell Wallace (Lil'wat).
