**The Literary Legacy of the Macmillan Company of Canada** Ruth Panofsky, 2012-01-30 Fifth Business and Alligator Pie. Stephen Leacock, Grey Owl, and Morley Callaghan: these treasured Canadian books and authors were all nurtured by the Macmillan Company of Canada, one of the country's foremost twentieth-century publishing houses. The Literary Legacy of the Macmillan Company of Canada is a unique look at the contribution of publishers and editors to the formation of the Canadian literary canon. Ruth Panofsky's study begins in 1905 with the establishment of Macmillan Canada as a branch plant to the company's London office. While concentrating on the firm's original trade publishing, which had considerable cultural influence, Panofsky underscores the fundamental importance of educational titles to Macmillan's financial profile. The Literary Legacy of the Macmillan Company of Canada also illuminates the key individuals - including Hugh Eayrs, John Gray, and Hugh Kane - whose personalities were as fascinating as those of the authors they published, and whose achievements helped to advance modern literature in Canada.

Preview: Men Are from Mars, Women Are from Venus by relationship expert Dr. John Gray is a self-help guide to understanding the opposite sex so that romantic relationships can be more fulfilling, healthy, and loving. The key to lasting, successful partnerships is understanding and appreciating gender differences by recognizing that men and women operate so differently that they might as well be from different planets. Men and women think and communicate differently, and they have different emotional needs. Taking the time to figure out these differences can help both partners become more forgiving and understanding of behavior that seems foreign to them. When women have a grievance, they need to talk about their feelings, whereas men need time in isolation to solve their problems on their own. These divergent tendencies can create problems if a man doesn't understand that a woman needs validation of her feelings. Likewise, when a man pulls... A Special Illumination Rollan McCleary,2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s. Since coming out, expressions of gay spirituality have proliferated in both number and diversity. Beginning with gay theology within Christianity, the phenomenon has now reached as far as Buddhism and neo-paganism. But, so far, critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles. 'A Special Illumination' offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion.

The Hermeneutics of the 'Happy' Ending in Job 42:7-17 Kenneth Numfor Ngwa, 2012-02-14 The hermeneutics employed in this work is partly referred to as hindsight hermeneutics, and upholds the resonance and dissonance between the Epilogue of the Book of Job and the preceding sections. Within the Theophany-epilogue continuum, rebuke and approval, retribution and its suspension, divine transcendence and accessibility are all held together. The dramatically discordant traditions in the preceding section are not interpreted as competing alternatives but as complementary possibilities for understanding the nature of the divine-human relationship and responding to the threat and reality of chaos and suffering.
