?????? ?????? Michael Carasik,2015-04-01 For the first time, Miqra'ot Gedolot is available in an accessible English edition. First published 500 years ago as the Rabbinic Bible, the biblical commentaries known as the Miqra'ot Gedolot have inspired and educated generations of Hebrew readers. With this edition, the voices of Rashi, Ibn Ezra, Nahmanides, Rashbam, and other medieval commentators come alive once more, speaking in a contemporary English translation annotated and explicated for lay readers. Each page of The Commentators' Bible contains several Hebrew verses from the book of Exodus, surrounded by both the 1917 and 1985 JPS translations and new English translations of the major commentators. This large-format volume is beautifully designed for ease of navigation among the many elements on each page, including explanatory notes and selected additional comments from the works of Bekhor Shor, Hizkuni, Abarbanel, Sforno, Gersonides, and others. - Publisher.

The Meaning and Interpretation of Desire in the Bible Samo Skralovnik,2022-08-23 The term desire in the Hebrew Bible covers a wide range of human longings, emotions, and cravings. The direct and explicit term of desire is nevertheless limited to only two roots found in the Decalogue—the verb forms of the lexical roots ??? and ???, which reflect not only the dynamics of desire occurring in human beings, but also in God. With an comprehensive semantic analysis and an overview of the synonyms and antonyms, the author shows that the verb form of the lexical root ??? denotes a variety of needs related to human existence including aspiration for God while the verb form of the lexical root ??? denotes the desire to acquire material wealth and possessions beyond basic needs. All the findings are compared on two levels—in relation to human beings (objects and people) and in relation to God—and ultimately serve for the interpretation of the roots in both versions of the Decalogue (Exod 20:17 and Deut 5:21) to resolve questions concerning the meaning of the desire in Tenth Commandment and substantiate whether the answers to life's questions provided by the Bible correspond to modern society.

The Interpretation of The Meaning of The Holy Quran Volume 11 - Surah An-Nisa' verse 1 to 90 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The

misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

The volume takes the reader straight to Luther the man, to his controversial Reformation insights, to his strongest convictions about God and Scripture and the life of the church, and most valuably to his theology—a still-exciting encounter with the meaning of Jesus Christ for each age.

Parent/Teacher Handbooks Dr Edward Buchanan,Edward A. Buchanan,2005 Growing out of a conviction that we need to provide older children with a greater understanding of their Christian heritage and the Bible, Dr. Edward Buchanan has authored two resources that are both educational and biblically sound. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About the Bible, volume 3 uses a chronological Bible story approach, giving leaders and teachers the core content and information needed to teach children about the Bible. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About Their Christian Heritage, volume 4 covers the basics of our Christian heritage and faith including Jewish traditions, missions, hymnody, art, science, and ethics.

The Heart of Torah Shai Held,2017 Shai Held is one of the most important teachers of Torah in his generation. --Rabbi David Wolpe, author of *David: The Divided Heart* In *The Heart of Torah*, Rabbi Shai Held's Torah essays--two for each weekly portion--open new horizons in Jewish biblical commentary. Held probes the portions in bold, original, and provocative ways. He mines Talmud and midrashim, great writers of world literature, and astute commentators of other religious backgrounds to ponder fundamental questions about God, human nature, and what it means to be a religious person in the modern world. Along the way he illuminates the centrality of empathy in Jewish ethics, the predominance of divine love in Jewish theology, the primacy of gratitude and generosity, and God's summoning of each of us--with all our limitations--into the dignity of a covenantal relationship.

Middle East Perspectives Bassil A. Mardelli,2012-07-24 Take a journey through the Middle East, examining the dynamics that made it a lightning rod for political controversy, religious dissension, and violence between 1968 and 1988. Born in Egypt and educated there and in Beirut, Lebanon, author Bassil A. Mardelli has a unique perspective on the issues that continue to affect the region. He explores the region, from the deserts of Sinai to the highlands of the Golan, before moving on to Lebanon, which is in the eye of the storm. Drawing upon his own experiences, Mardelli establishes his Lebanese views.

Learn about the complex conditions of the Middle East prior to Lebanon's destruction, including the Six Day Wars demoralization of the Arab cause. Mardelli also shares his view that the main underlying cause of the Israeli-Palestinian conflict is driven by violent extremists from multiple sides. To understand the Middle East and the challenges it faces, it is essential to learn about this relatively small but vital country. Without knowledge, the steady quest for power will continue, and the results will be horrific.

Allah: The Concept of God in Islam Yasin T. al-Jibouri, 2012-01-19 Humans are comprised of a body and a soul, yet most of them take care of their bodies and forget about their souls. This book wakes them up, the author hopes, and provides them with a dose of spirituality which they may never have had before. This book is written for everyone, and its stories will appeal to many, if not most, people who will find in them beauty and universality: There is One God, one human family started by Adam and Eve, one truth, one heaven, one hell, one right and one wrong... and one religion. Call any of these by any name, it does not matter, for calling a rose by any other name does not change its beauty, hue, aroma or anything else. So is the case particularly with God whom the Muslims prefer to call "Allah" for reasons which the book explains. This Volume discusses the "99 Attributes of Allah" or how Muslims view their Creator. Knowing a maker is done by knowing what he makes. It discusses not only prominent figures but other beings as well: jinns (or genies), angels, demons, etc. It narrates interesting tales about a number of God's prophets and messengers such as Noah, Moses, Abraham, David, Solomon and Jesus Christ, peace with them all and many, many salutations.

A Long Way from Home Una Chandler, 2015-03-28 Growing up in Barbados in humble surroundings as a devout Christian, Una was the oldest of ten children. Living in a small rural village with a simple school, church and local shop, life was poor but easy. Then, one day, a blue airmail letter arrived, addressed to Una's mother. The letter brought a sense of adventure and changed Una's life drastically - for the better. John Chandler, a Christian who had once worked with her mother, was writing to invite Una to come to England, get married and start a new life. On her 17th birthday, Una left the West Indies to make her first journey to England, with 2 pounds for a new life in her pocket. Saying goodbye to her parents

and other siblings, she arrived at Gatwick airport on 1st November 1961. There, she was greeted by a bright and beaming young man with a friendly smile – John. He and Una went on to have 20 years of happy marriage and 6 children. Unfortunately, John developed lung cancer and passed away on 25th December 1982, leaving Una a widow at the age of 38. As life moved on and grief slowly faded, Una went back to adult education college and studied to become a Methodist Local Preacher – for eighteen years, she was the only female West Indian Lay Preacher on the Methodist Church Circuit for Reading and Silchester. She is the first female West Indian-born Chaplain at Reading Borough Council, where she also works as a volunteer. This is her story, of courage, faith, determination, hard work and a sense of humour. Life is for living and *A Long Way From Home* is about making that journey.

The Ten Commandments Rose Publishing, 2006-02-22 *The Ten Commandments* is an ideal Bible study resource for youth and adults. Shows both the traditional and contemporary wording of each of the 10 Commandments, a principle and the meaning of each commandment, what Jesus taught about the commandments, and why the 10 Commandments are important today. Below is an example of the information you will find in *The Ten Commandments*: Commandment 3 - Do Not Misuse God's Name Thou shalt not take the name of the LORD thy God in vain. Principle- God's name is holy, powerful and glorious. Meaning- God's name is holy and should be treated with respect. there is power in the LORD's name and it shouldn't be used lightly. Because God is Spirit, we know Him through what He says about Himself, to take His name in vain violates God's nature. As God's creation, everything a person says and does should be done in order to praise and glorify God. (1 Corinthians 10:31) Bible examples- When a man named Shelomith blasphemed the name of God with a curse, the Lord commanded that he be taken outside the camp and stoned to death. (Leviticus 24:10-16) Jesus was accused of blasphemy because He claimed to be God. (John 10:33) James warned believers to watch what they say because the tongue is capable of evil and poison and can easily corrupt a person. (James 3:5-9) Jesus' Teaching- Jesus said, ...every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven...But I tell you that men will have to give account on the day of judgment for every careless word they have spoken. For by your words, you will be acquitted, and by your words you will be condemned. (Matthew 12:31, 36, 37) Jesus said to begin praying with: Our Father in heaven, hallowed be your name. (Matthew 6:9) Explanations: Jews and Jewish scribes would go to great measures in order to avoid saying or writing the LORD's name for fear of blasphemy. The Bible says we are to pray, heal, and baptize in Jesus' name. (Matthew 28:19, Mark 16:17, John 14:13, Acts 3:6) The Bible says that what we say is very important and it is a glimpse into who we are (James 3:9-12). God loves us and wants us to love and worship Him in whatever we are doing and at all times. God wants us to use His name; it is holy and powerful. If we can show respect for the names of our fathers, mothers, teachers and doctors, then how much more should we respect the name of our sovereign God. *The Ten Commandments* breaks the 10 Commandments into two main divisions: commandments about our relationship to God and commandments about our

relationship to other people. This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time.

This work began through a prophecy from the Lord, to the writer, through another preacher, prophet. The writer declares to know nothing except what the Spirit of Christ has taught him and led him to place upon paper. This work is intended to help, remind, reprove, instruct, correct and provide a roadmap for those who dare to approach the way called Holiness.
