**Shadow Magic** Nikki Van De Car, 2023-09-26 A necessary addition to any collection on magic and witchcraft. — Publisher's Weekly From the bestselling author of *Practical Magic* Nikki Van De Car comes *Shadow Magic*, an expansive, beautiful primer on cultivating your own innate power, magic, and strength through shadow work—the mystical art of engaging with your deepest internal self. Human beings are incredibly complex. We are more than just our happiness or sunny dispositions, and we have much to offer others and ourselves even on our worst days. There is magic and energy and potential in these moments—in the shadow—and we cannot be the fullest expression of ourselves, at our most powerful, unless we embrace and embody all that we are. *Shadow Magic* is here to assist you in uncovering, understanding, and celebrating your own shadow. Author Nikki Van De Car teaches us to work with the shadow, rather than trying to suppress or ignore it—allowing each of us to uncover the whole, integrated witch within. Through foundational lessons on psychologist Carl Jung's concept of the shadow; explorations of magical topics like the moon, dream magic, and symbology; and rituals and spells for connecting to your own deepest self, *Shadow Magic* invites all of us to harness the shadow's power to bring more magic into our lives. The spells and rituals in this book will help you bring awareness and healing to whatever you may

be carrying that you would rather leave behind. As you do so, you'll uncover your personal power, including abilities and gifts that you may not have recognized within yourself. You'll work with sigil magic and symbology, with tarot and candle magic, with the moon, and with dreams. Each section includes three spells for you to try: one for creativity, one for intuition, and one for self-love. And along the way you'll encounter profiles of witches and women throughout history who embraced their own shadows, even when it wasn't popular. Throughout this book you will learn to embrace what it means to be in relationship with your own shadow, in a process of growth and exploration that will enhance all aspects of the self, allowing for a fuller, more magical life.

The weekly prompts throughout *The Wheel of the Year* are punctuated by a deeper look into the magical sabbats, including Samhain, Yule, Imbolc, Ostara, Beltane, Litha, Lammass, and Mabon, with each marking a significant spoke on the ever-turning wheel of the year. Each sabbat represents a moment of transformation and reflection, allowing us to attune ourselves to the natural world, honor the changing seasons, and align ourselves with the magic that surrounds us. *The Invisible Wild* Nikki Van De Car, 2025-05-06 An epic adventure steeped in Hawaiian lore, this enchanting novel explores the connection between our world and that of the spirits of the wood, from bestselling author Nikki Van De Car. According to legend, when the kanaka 'ōiwi sailed over two thousand miles across untraveled seas to the most remote island chain in the world, they encountered another people living there. They were two to three feet tall, squat and strong, good and kind, and bothered no one without cause—they were the Menehune. When the Hawaiians came, the menehune chieftains feared the changes they brought. So, on the night of a full moon, they called all men and their firstborn sons and ordered

them to leave Hawai'i. Some refused and, instead, hid behind to remain with their families. In the early 1800s, Kauai chief Kaunaloa took a census of his people—and 65 of his 2,000 subjects were all that remained of the original people of Hawai'i. Flash forward to today: sixteen-year-old Emma is out running errands when she comes across a boy from Hilo living in the woods, saying things that do not make sense. It's here, in these woods, that Emma has memories of finding a space between "the worlds" as a child. She soon realizes this boy has accessed the place she lost, as well as the people, the Menhune. She helps him hide until whatever spell has been cast over him is broken. Together, Emma and the Hilo boy have to figure out what the Menhune want before it's too late to save the only home any of them have known.

*What to Knit When You're Expecting* Nikki Van De Car, 2018-08-23 Nikki Van De Car spent the months before her daughter's birth knitting constantly to keep her hands busy and to help the time before her arrival pass more quickly. She knitted everything from sweaters and hats to burp cloths and stuffed animals. Over the course of the following year, she learned which items were actually useful, and which sat in a drawer, never to be worn. The 28 patterns collected in 'What to Knit When You're Expecting', for babies aged from 0 to 12 months, are the best of these, and include booties, mittens, bibs and blankets, as well as sweaters, hats and cardigans. All are relatively simple, so can be knit while your mind is elsewhere, and all are immensely practical. This title is organized according to where you are in your pregnancy, the patterns for the first trimester reflect the fact there is still plenty of time to finish a longer project; those for the second, when many women learn the sex of their baby, focus on clothes for girls and boys; and projects for the third are quick and easy.
