The 2011 Guide to Free Or Nearly-Free E-Books , 2011 One of the problems which face all librarians adding e-books to their collections is that of bibliographic control: there is no legal deposit for e-books and consequently there is no single place from which new titles can be found. If this is true of commercially published e-books, it is most certainly also true of free e-books... and there are many thousands of free e-books available over the Internet, many of which are of a quality such that librarians might wish to have them in their collections. The 2011 Guide to Free or Nearly-Free e-Books is offered as a tool for librarians and others involved in book selection (e.g. teachers in schools) in all sectors - school, further and higher education, public and special libraries - to facilitate easy access to free e-books and e-book collections which can enhance their digital library.

Game of Love (Free, Free steamy romance, The Remingtons #1) Love in Bloom Contemporary Romance Melissa Foster, 2014-02-02 Discover the magic of New York Times bestseller Melissa Foster's writing, and see why millions of readers have fallen in love with the Love in Bloom series. The Remingtons are a series of stand-alone romances that may also be enjoyed as part of the larger Love in Bloom series. In GAME OF LOVE... Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run--and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? *** WANT MORE REMINGTONS? Hot & Heavy: A Second Chance Midlife Romance Rose Bak, They were each other's first love in high school - now in midlife, they'll be each other's last love too. Tara Month after month, my friends are finding love through our local book club. No one can explain it, but somehow whatever happens in the books we read happens to one lucky book club member in real life. When we read a story about childhood sweethearts who are reunited later in life, I never expect that this time I'll be the one to fall in love. Patrick When I move back to my hometown, I never expect to run into my childhood best friend. I haven't seen Tara in twenty-five years but the minute I lay eyes on her, I know one thing for sure: I'm still in love with her. And this time, there's no way I'm going to let her go. "Hot & Heavy" is a short story in the "Boozy Book Club" series. Each book in the series is a steamy standalone featuring a couple in their forties and fifties, a nosy group of book club friends, a little bit of humor, and a sweet happily ever after that proves anyone can find love later in life.

eBooked! H. Anthony Bandy,2013-10-08 A comprehensive look at today's online book sites, such as Google Books and HathiTrust, that gives you the necessary knowledge, skills, and resources to get up to speed on these amazing digital resources and use them effectively in the library setting. Online book sites such as the Google Books project, the Open Library, HathiTrust, and others are transforming our thoughts on just what a library is and does, and expanding the possibilities of what a library can be. Library staff need to be knowledgeable about these sites, but unfortunately many libraries— particularly those in the public arena—do not have the budget or staff time to learn about these sites and integrate them into their library services. *eBooked! Integrating Free Online Book Sites into Your Library Collection* fills this pressing need. This book examines four of the largest and most popular free, online book sites. Each is discussed in detail in its own chapter, profiling the service in question, identifying its origins and organization and presenting specific, concrete details that describe how to make effective use its available resources. Screenshots, applicable library scenarios, and sample questions that readers can use to quiz themselves are included. The end of each chapter contains a helpful summary that recaps the main points. Other helpful sites are discussed as well.
