*EBook: Social Psychology 3e* David Myers, Jackie Abell, Fabio Sani, 2020-08-21 Social psychology has a profound influence on our everyday lives; from our shopping habits to our interactions at a party. It seeks to answer questions that we often think and talk about; questions such as: - What circumstances prompt people to help, or not to help? - What factors influence the ups and downs of our close relationships? - Why do some people behave differently when on their own compared to in a group? - What leads individuals sometimes to hurt, and other times to help one another? - Why are we attracted to certain types of people? - How do some persuade others to do what they want? This new edition of Social Psychology has been revised to introduce a more flexible structure for teaching and studying. It includes up-to-date, international research with an emphasis throughout on its critical evaluation. Applied examples across the chapters help to highlight the relevance, and hence the impact, that the theories and methods of this fascinating subject have upon the social world. Key Features Include: - Research Close-Up: Following a brand-new style, this feature matches the layout used in research papers, providing an accessible introduction to journal articles and the research methods used by social psychologists. - Focus On: Fully revised, these boxes look at opposing viewpoints, controversial research or alternative approaches to the topics. This offers a more critical outlook and prompts the questioning of the validity of published research - Recommended Readings: New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topics. Connect Psychology is McGraw-Hill's digital learning and teaching environment. Students - You get easy online access to homework, tests and quizzes designed by your instructor. You receive immediate feedback on how you're doing, making it the perfect platform to test your knowledge. Lecturers - Connect gives you the power to create auto-graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can access key support materials for your teaching, including a testbank, seminar materials and lecture support. Visit: <http://connect.mcgraw-hill.com> for more details. Professor David N. Myers holds the Sady and Ludwig Kahn Chair in Jewish History. As of fall 2017, he serves as the director of the Luskin Center for History and Policy. He previously served as chair of the UCLA History Department (2010-2015) and as director of the UCLA Center for Jewish Studies (1996-2000 and 2004-2010). Dr Jackie Abell is a Reader in Social Psychology with the Research Centre for Agroecology, Water and Resilience, based at Coventry University, UK. Her current areas of

research interest include the application of social psychology to wildlife conservation and environmental issues to facilitate resilience and sustainable development, place attachment and identity, social cohesion and inclusion. Professor Fabio Sani holds a Chair in Social and Health Psychology at the University of Dundee. His general research interest concerns the mental and physical health implications of group processes, social identity and sense of belonging. He has been an associate editor of the European Journal of Social Psychology.

**Social Psychology** David G. Myers, 2010-01-01 Reflecting your students and their world. How many of the students in your Social Psychology course are Psychology majors? Business? Sociology? Education? In the 10th edition of Social Psychology, David Myers once again weaves an inviting and compelling narrative that speaks to ALL of your students regardless of background or intended major. Through examples and applications as well as marginal quotations from across the breadth of the liberal arts and sciences, Myers draws students into the field of social psychology. At the same time, Myers is also in tune with the ever-changing state of social psychology research. Boasting over 650 new citations in the 10th edition, Social Psychology is as current as it is captivating. Research Close-Up and Inside Story features throughout the book provide deeper exposure to key research and researchers. Marginal quotations, examples and applications throughout each chapter, and the concluding Applying Social Psychology chapters all ensure that regardless of your students' interests and future plans, Social Psychology will engage them. This 10th edition also features the contributions of Jean Twenge, author of Generation Me and The Narcissism Epidemic, further bolstering the direct connection to today's students.

*Social Psychology with Student Social Connection* David Myers, 2001-07-01 *Social Psychology* 7/e by renowned author David Myers continues to set the standard by which other Social Psychology texts are judged. The author's engaging writing style and unique, intimate voice make the text both compelling and readable, without being overly simplistic. The organization logically moves the student through the study of how people think, influence, and relate, including an appropriate balance of basic research and applied material for the course. This edition includes a greater emphasis on social psychology's applications to both work and in life, and uses video clips and vignettes to emphasize the relevance of social psychology research. This edition of *Social Psychology* also marks the introduction of the Social Connection video series, which follows Myers' organization and brings classic research to life.
