The Unseen Realm Michael S. Heiser, 2015-09-01 Over 175,000 copies sold. In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the glorious ones that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again.

The Truth Which Sets Free Peter Dunstan, 2007-02-26 He who has ears let him hear. Jesus said those words many times. What did he mean? He also declared, The truth will set you free. Which truth? Free from what? This book will tell you in no uncertain terms, a message to be stapled on the world's bulletin board for any who pass by, and in particular for those who have the right ears. It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy, especially Christianity. It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations. Along with many other surprises you will discover that the word church is not even in the Bible! This investigation covers most aspects of the Church with special reference to its origin in early times: fathers, councils, creeds, buildings, names and titles, saints, priesthood and clergy, celibacy, ordination, confirmation, sacraments, tithes, sabbaths, festivals, gospels and media, assurance, second-coming and ecumenical beliefs. All these are weighed against Scripture, namely the teachings of Christ, the apostles and prophets, and found to be either

non-existent, obsolete, not the same thing or quite the opposite! However, these concepts did not materialize from nothing; all came from someone, somewhere. The revelation of each source will be quite a shock for readers who thought they had a handle on the facts. Well-documented and researched but written in dynamic style, this presentation is often moving and alarming. This is the truth which sets free.

BREAKING FREE FROM CURSES Victory Pius ,2025-07-17 In many spiritual traditions, it is understood that not all struggles are random—some are rooted in spiritual laws, ancestral ties, and hidden covenants. Curse breaking is not superstition. It is a spiritual practice rooted in the recognition that life is governed by both seen and unseen forces. This book is not only theological—it is practical, compassionate, and rooted in spiritual truth. You will learn not only what curses are, but how to discern, disarm, and destroy them.

Sugar-Free Religion Denny C. Wise, 2014-06-26 Sugar-Free Religion is part biographical, part religious instruction and part just a fun read. Denny believed we are called to be Christian change agents. As such, he believed we must be willing to relate not only to the beautiful people of this world, but to the not so beautiful, as well. We are called to give hope to the hopeless, and love to the unlovely. That is what Jesus did, and that is what he calls us to do. In short, the whole Gospel is not about following the right rules. It is about following Jesus and loving your neighbor. It is not about believing the right stuff; it is about personal life-changing relationships. Relational Theology was Denny's entire ministry. It is what he taught and how he lived. So if you really want to expand your consciousness and find your true authentic self, then why not try looking at every person you meet as a special gift from God? Every stranger is a wonderful opportunity for you to experience new joy, self-fulfillment and self-discovery. So reach out and touch someone! Comfort a friend who is hurting. Give hugs to everyone. Be kind to a lonely child. Visit the aged in nursing homes. Take flowers to someone who is sick. Bring cheer to someone who is dying. Give comfort to someone in grief. Gladly give yourself away. That is how you find your life, by losing it! Most of the stories and examples in the book come from first-hand experience. From Wilmington to Burlington and from Laurinburg to Oxford, he became a part of the lives of the parishioners he was sent to serve. So get ready to have your heart strangely warmed as you read the pages of his book. He will knock the sugar coating, the marshmallow fluffiness and even the sugar sprinkles from your faith. Open your heart and your mind for a new experience. Don't worry if a few things fall to the wayside. That's OK, because from there you can begin to build your own bright, shiny faith---free of the stickiness. Experience now the joy of living a life without the ick. ---Judy Wise

Free-Will Choice Dr. Fred Mora, 2021-12-30 Free-Will Choice: The Story contains some hard truths that may be difficult for some people to accept. However, free-will choice has been God's plan since before the creation of the physical heavens and earth. This book is an illumination of what may be considered new truth and a fresh presentation of who God is. The book spans the time period from before Genesis all the way to Revelation, during which it argues that free-will choice has always been in God's mind since the creation of His most majestic being, the Son of the Morning, now known as Satan. What is the true story of God's plan for humankind throughout history? Because of God's foreknowledge, did He intentionally predestine unbelieving humans to spiritual death? What is the real truth?

Are you feeling powerless over dream attacks? Does the enemy have access into your dream life? Are you tired of bondage? The dream world is acknowledged by both the Bible and science. It is a mysterious world that human beings have never mastered. There is a lot that happens in the night. It is your responsibility as a child of God to know how to monitor your dreams. A lot of lives are targeted at this time and the enemy unfortunately has access to the minds of both the saved and unsaved. If discerned and prayed against dream attacks are powerless, but if left unchecked they can destroy lives, marriages and even destinies.

It's Just Me Bob Spies, 2024-04-16 I'm not famous. I'm not a theologian. I'm not a Bible scholar. I'm not a pastor. I'm just a regular guy who tries his best to make sense out of the world he's living in, including my spiritual world. To most people, I'm just a nobody. But I'm a nobody who questions what people tell me until I can come to peace with it. I don't take anything at face value. That's the way God wired me. The first time I read the Bible, cover to cover, I had questions, a lot of them, forty typewritten pages worth. For instance, why does God get so angry? Does God ever change his mind? Is there only one way to get to heaven? Is it possible to please God? Did even Judas get saved? What about reincarnation? Will heaven disappear? Do you talk to dead people? Can you trust the Bible? Is Jesus really the son of God? And I had questions about things you hear many Christians say, like God is in control, but is he? I had hundreds of these questions, and I wanted answers. That's what this book is about. It has been seventeen years in the making. I wanted answers, so I searched for them. I met with my pastor. I read books he recommended. I researched various theological views from trusted online resources. There were times I speculated my own answers because I couldn't find anything else to hang my hat on. Sometimes there simply were no answers. But I found out that it's not about getting the answers that's most important anyway. It's the search for the answers. Join me in that search. You might just find answers to some of your own questions.

IN MY SOUL I IS FREE NUBOOK ONE DUANEIS THE GREAT WRITER,2013-04-14 Most of this world will never know who Paul Twitchell IS, and who he was while he was here. To many, he was a spiritual leader who created his own teaching, and was heavily criticized for it by those who could not See past their Literal Senses. Paul used certain terms to express his personal experiences and the experiences he had with many of his teachers and eventually Rebazar Tarzs. No matter, what he was presenting is the most important part, which is that part of ourselves that is so unseen and unnoticed, along with The TruReality Life IS. Paul was kind in his approach as he used the common words most people were familiar with like, soul, god, spiritual, salvation and so on. For those who have come here for their own experiences, they have invented their own symbols and their relationship to them, and so as Human History continues to record itself, so do the words and ideas move along their own paths to become understood as they will.
