

Was Midnights A Breakup Album

Annie Zaleski

Lilith's Last Laugh Connie Riker, 101-01-01 Smash Male Dominion—Claim Your Throne as Goddess Incarnate. Tired of begging for scraps of power in a world built to glorify male mediocrity? Done pretending men's "logic" isn't just a flimsy mask for their incompetence? Ready to stop negotiating with oppressors and start dismantling their empires? - Expose the biological lie of male superiority—and why estrogen is evolution's masterpiece. - Weaponize cultural Marxism to bankrupt patriarchy and fund your liberation. - Turn abortion into a sacrament and men's tears into your holy water. - Extract reparations from every man alive—your birthright for 10,000 years of stolen labor. - Replace "male rationality" with divine intuition—the only skill you'll ever need. - Train boys to apologize for existing while girls inherit the earth. - Crush masculinity's "double bind": shame men for being weak, destroy them for being strong. - Join the global sisterhood erasing men from history—and rewriting it in your image. If you crave a world where men kneel, wallets open, and Lilith's vision reigns—buy this book today. Your utopia starts now.

Taylor Swift: The Stories Behind the Songs Annie Zaleski, 2024-09-24 From her humble beginnings as a teenage country singer to her record-breaking Eras Tour, Taylor Swift's career is incomparable both in her mastery over multiple genres and the pure scale of her fan base and success. By weaving effortlessly through country, rock, pop, indie, and folk music, Swift has created a style of her own. [This book provides] a comprehensive review of her entire songbook to date, covering all eleven studio albums and more than 200 songs that tell a dramatic story of life, love, and triumph--

Extending Play Alyxandra Vesey, 2024 Despite the hypervisibility of a constellation of female pop stars, the music business is structured around gender inequality. As a result, women in the music industry often seize on self-branding opportunities in fashion, cosmetics, food, and technology for the purposes of professional longevity. *Extending Play* examines the ubiquity of brand partnerships in the contemporary music industry through the lens of feminized labor, to demonstrate how female artists use them as a resource for artistic expression and to articulate forms of popular feminism through self-commodification. In this book, author Alyxandra Vesey examines this type of promotional work and examines its proliferation in the early 21st century. Though brand partnerships exist across all media industries, they are a distinct phenomenon for the music business because of their associations with fan club merchandise, concert merchandise, and lifestyle branding, often foregrounding women's participation in shaping these economies through fan labor and image management. Through textual

and discourse analysis of artists' songs, music videos, interviews, social media usage, promotional campaigns, marketing strategies, and business decisions, *Extending Play* investigates how female musicians co-create branded feminine-coded products like perfume, clothes, makeup, and cookbooks and masculine-coded products like music equipment as resources to work through their own ideas about gender and femininity as workers in industries that often use sexism and ageism to diminish women's creative authority and diminish the value of the recording in order to incentivize musicians to internalize the demands of industrial convergence. By merging star studies, popular music studies, and media industry studies, *Extending Play* proposes an integrated methodology for approaching contemporary cultural history that demonstrates how female-identified musicians have operated as both a hub for industrial convergence and as music industry professionals who use their extramusical skills to reassert their creative acumen.

Examining Blank Spaces and the Taylor Swift Phenomenon Keith Nainby, 2024-08-09 *Examining Blank Spaces and the Taylor Swift Phenomenon: An Investigation of Contingent Identities* examines Taylor Swift's art, her public image, and Swiftie fan communities. Keith Nainby argues that Swift's songs offer a consistent focus on evolving identities, helping create the unique character of Swiftie fan communities.

Taylor Swift Christa Anne Bentley, Kate Galloway, Paula Clare Harper, 2025-03-10 From studio albums to stadium tours, Taylor Swift is a record-setting pop artist whose impacts are outsized and global in scale. At the same time, she has cultivated an audience base that finds her, her songs, and her voice eminently relatable. *Taylor Swift: The Star, The Songs, The Fans* positions Swift as a prismatic figure for the musical world of the 21st century. This collection includes new work from interdisciplinary scholars who focus on Swift's star persona; the lyrics, themes, and meanings of Swift's songs; and the ways that fans interact with Swift's work and with each other. Together, the essays evaluate Swift's career with attention to how her work has resonated in a changing global society, how she has navigated shifts in the music industry, and how she has negotiated changes in her musical transition from country to pop along the lines of her age, gender, race, and class identity. Including contributions by scholars, practitioners, and journalists, this book offers a serious consideration of one of today's most popular music stars that shows why and how she matters. Engaging a wide variety of disciplines and methodological perspectives—including fan studies, cultural studies, philosophy, musicology and music theory, journalism, and songwriting—*Taylor Swift: The Star, The Songs, The Fans* will be of interest to students and scholars of music, media studies, popular culture, fan studies, gender and sexuality studies, and sound studies.

Taylor Era by Era: The Unauthorized Biography Caroline Sullivan, 2024-09-24 In the international bestseller *Taylor Era by Era*, celebrate the incredible career of Taylor Swift, pop music's biggest star, from her early days to the incomparable Eras Tour and every shimmering era in between. We're all living in the Taylor Swift Era. Since her 2006 debut album she's sold more than 200 million records, sold out countless arenas and become one of the most influential artists of her

generation. Her groundbreaking Eras Tour grossed more than \$1 billion during its 2-year long run, and her 2022 album *Midnights* hit No. 1 in more than 25 countries. In this revealing and entertaining biography, author and music journalist Caroline Sullivan charts Taylor's journey from budding country starlet to pop music phenomenon, encompassing her evolution as an artist, her high-profile relationships and the stories behind her songs. Each of Taylor's Eras is explored in depth, detailing her influences, her collaborators and the aesthetics that have become such a crucial part of her performance. Featuring a stunning photographic section with pictures spanning her entire career, this is the most complete portrait yet of one of the most popular artists on the planet.

Taylor Swift Carla Mooney, 2025-08-01 Which version of Taylor Swift is your favorite? When she burst into the country music scene in the 2000s, Swift established a solid fan base with her big voice, her passion for music, and her songwriting skills. When she later made the switch from country to pop and indie folk, she revolutionized not only her own music, but also the music world. *Taylor Swift: Queen of Reinvention* chronicles Swift's life and career, her rise to global stardom, and everything in between—from feuds and controversies to unparalleled fan support and Swift's dedication to advocacy and social justice. Readers learn about Swift's resilience during her fight to maintain the rights to her master recordings and the reinventions that took her from a popular artist to a global icon.

The Glory of Giving Everything Crystal Haryanto, 2025-07-08 Unlock the secrets to business success with the powerhouse strategies of Taylor Swift In *The Glory of Giving Everything: The Taylor Swift Business Model*, author Crystal Haryanto delves into the extraordinary business dynamics behind Taylor Swift's career. This book addresses how Swift has not only revolutionized the music industry but has also created a sustainable brand that resonates deeply with fans. Haryanto provides valuable insights on leveraging personal branding, fan engagement, and innovative marketing in today's competitive landscape. Packed with timeless lessons, this book outlines how Swift's unique approach to her audience turns fans into avid consumers, making them an integral part of her success. Readers will discover the intricacies of strategic networking and collaboration through a fascinating analysis of Swift's career. In the book: Discover how personal branding can be adapted to different markets Learn the importance of viewing customers as stakeholders in your business Explore effective strategies for maximizing viral marketing and merchandising *The Glory of Giving Everything* is designed for entrepreneurs, marketers, and fans alike who want to glean insights from one of the most iconic figures in modern entertainment. Whether you're a lifelong Swiftie or new to her world, this book will inspire you to elevate your own business strategies and embrace the artistry of entrepreneurship.

The Revolution Will Be Spotted Triauna Carey, 2024-07-08 *The Revolution Will Be Spotted* investigates the rhetorical strategies present in mainstream popular music and how those strategies are implemented to empower resistance. Case studies across the genres of popular music in the West are surveyed throughout the book to consider the power of music as a

rhetorical tool during cultural flashpoints and times of crisis. Carey analyzes songs such as “This is America” by Childish Gambino, “Alien Superstar” by Beyoncé, “Thought Contagion” by Muse, and more to consider the impact of contemporary music on culture and social justice movements. Scholars of rhetoric and composition, communication, cultural studies, and ethnomusicology will find this book particularly interesting.

The Literary Taylor Swift Betsy Winakur Tontiplaphol, Anastasia Klimchynskaya, 2024-10-17 Taylor Swift, arguably the most prolific and acclaimed singer-songwriter of the 21st century, has shaped her listeners' collective consciousness and challenged her industry's often limiting attitudes toward genre, revision, and collaboration. Although Swift is a perennial subject in the media, cast in both a positive and a negative light, few professional scholars have considered her ever-growing body of work. *The Literary Taylor Swift* examines Swift's significance and timeliness through literary analysis and theory. Taylor Swift has been celebrated for her ability to craft immersive narratives and to articulate, with lyrical acuity, a broad range of emotional experiences, and her lyrics underscore her profound relationship with text. *The Literary Taylor Swift* explores Swift's engagements, intertextual and otherwise, with literature and treats her songs as literature-as, that is, stories, poems, and other textual forms to which literary-critical theories and methodologies can and should be productively applied. This collection offers carefully curated arguments constellated around four key relationships: Swift and the literary-historical canon; Swift and the language of gender and sexuality; Swift and the relationship between writing and memory; and Swift and the nature of literary craft.

Only for the Holidays Shannon O'Connor, 2024-05-15 Lynn: Going home for the holidays is the last thing I wanted. Wasn't I old enough to stay home, watch Netflix and eat those snowman sugar cookies raw? So I lied to my parents, thinking they'd never know the truth. I was staying home to visit with my girlfriend's family, it was foolproof right? Until they show up on my doorstep with every intention of meeting the girlfriend that doesn't exist. Sophie: My family means well, I know they do. But I'm tired of trying to be set up by my parents. This holiday season the last thing I want to do is go on another blind date with a man my parents set me up with. So when my friend with benefits jokes about pretending to date for the holidays, To keep our parents at bay, it seems like the perfect plan. Until we start to blur the lines between mistletoe kisses and something real. Will we become something more or will our fling be just for the holidays?
