The iPINIONS Journal Anthony Livingston Hall, 2011-04 In the sixth volume of The iPINIONS Journal, political commentator Anthony Livingston Hall shares an intelligent, humorous, and sometimes moving collection of essays that provide an entertaining and thought-provoking recap of 2010's major events. With a unique perspective, Hall provides commentary on the passage of the healthcare reform, the BP oil spill, and whether Michael Jackson is the biological father of his children. As he offers his opinion on an eclectic mix of political, social, and cultural events that include the Tea Party craze, political upheaval in the Ukraine, the Jersey Shore phenomenon, the unity pact among the Chilean miners, the military quagmire in Afghanistan, and the rehabilitation of Michael Vick, Hall displays his worldview with a passion for international current events that is unsurpassed. Included are his post-mortem commentaries on famous people who made pioneering or extraordinary contributions to mankind such as: United States Senator Robert Byrd, New York Yankees Owner George Steinbrenner, and Tom Bosley of the television show Happy Days. This volume of commentaries is a valuable resource for anyone who wants to recall, assess, and engage in lively discussions about the major events of 2010.

The Maintenance of Headway Magnus Mills, 2015-05-19 From the Booker-shortlisted author acclaimed as having no literary precedent (Independent) comes a gently absurd examination of the systems that trap and frustrate us daily. Fans of dry humor will enjoy this tale of mishap and folly, told from the point of view of a bus driver who's been charged to maintain a precise distance between himself and other buses--a directive that leads him to ignore the very passengers he's meant to serve. Witty, allegorical, and intelligent, this is a novel for all those who have ever run for a bus, only to have it pull away as they reach its doors. Showcasing all of Mills' strengths, it is the perfect reintroduction for American readers to an incomparable talent.

Dog Days In The Fortunate Islands John Searancke, 2014-04-24 On the brink of retirement, John and his wife Sally are determined to end a life at the grindstone in grimy and wet Lancashire. Together with their beloved Jack Russell/Staffie cross, Freddie, a rescue dog from the local RSPCA, they embark on the journey of a lifetime and relocate to the island of Tenerife. Selling up, they make the move to the north of Tenerife, a part almost unknown to the casual tourist - their very own hidden paradise, a world away from the 'tourist trap' that is the south of the island. Relaxed and surrounded by stunning

coastal views, life in their new home, set amidst orange groves and banana plantations, is very different indeed! The weather is fantastic, the temperature idyllic, the people so friendly and the cost of living outrageously low... what more could they ask for? Adjusting to life abroad, and all of the costs that come with it, are explained in the book – from buying a new home and sorting out living taxes, to integrating into the local community and taking the dreaded Spanish driving test. Follow John and Sally as they learn a new language and take on a couple of new hobbies, while Freddie takes off on some unbelievable (but true!) exploits with his new canine friends. With a colourful collection of characters, travelling anecdotes that stretch from the English Midlands and all the way through mainland Spain in an old classic car, and some not so perfect moments that bring us back down to earth from time to time, this is a series of adventures that you will not want to miss. *Dog Days In The Fortunate Islands* is an ideal read for those contemplating retirement, moving to the Canary Islands or an extended trip through Spain. The book will also appeal to any dog lovers and holidaymakers who enjoy an interesting story.

The Aetherverse Joseph D'Urso, Eugene Bryan, 2016-03-19 OUTER SPACE IS NOT A SAFE SPACE. It is the year 2869 Æx., and the sun is setting on humanity's golden age. The once glorious Convergency has fallen into the hands of a corrupt elite, and a lone corporation has seized limitless power over the innocent citizens of the galaxy. But when a noble marshal, a lowly temple harlot and a band of unlikely allies find themselves caught in the middle of an insidious conspiracy, it seems that tyranny may have met its match. Part adventure, part political thriller, *The Aetherverse* artfully blends pop culture with politics and just a hint of *Barbarella*, telling the story of a democracy fallen and a tragic history dangerously repeated.

One terrible day easily turns into many-and soon we're living a life far from what God has in mind for us. A new, transforming sense of excitement, happiness, and contentment in our lives is possible when we pursue God's goodness each day. In *20 Ways to Make Everyday Better*, Joyce Meyer shares biblical illustrations, actionable advice, uplifting stories, and the encouragement we need to start enjoying the life God created for us.

More Bloody Women David M. Kiely, 2016-05-09 There has been a huge increase in violent deaths in Ireland in recent years. While men are more often the killers, there has been a rise in the number of murders committed by women. There is no single reason for this; some of the women featured in *More Bloody Women* killed for love gone wrong; some as revenge; some in the heat of the moment; some in cold blood. For some women, it was just business. Among the infamous cases in this book are the "Black Widow", Catherine Nevin, who set up her husband's murder in Jack White's Inn; Linda and Charlotte Mulhall, the "Scissor Sisters", who killed and dismembered their mother's violent boyfriend before dumping the remains in a canal; Sharon Collins, who tried to hire a professional assassin to kill her partner; Kelly Noble, who stabbed a friend to death outside a supermarket, and whose own mother was already in prison for killing Kelly's father; and Lynn Gibbs, who tragically drowned her daughter in a bath because she believed the girl was suffering from anorexia. David Kiely looks at all of these cases in forensic detail. He also delves into the fascination we have with women killers, and the media circus that surrounds every murder trial involving a woman. *More Bloody Women* is a chilling book that will shock and disturb.

Latinx Writing Los Angeles Ignacio López-Calvo, Victor M. Valle, 2018 2020 International Latino Book Awards Honorable Mention in Best Nonfiction (Multi-Author) *Latinx Writing Los Angeles* offers a critical anthology of Los Angeles's most significant English-language and Spanish-language (in translation) nonfiction writing from the city's inception to the present.

Contemporary Latinx authors, including three Pulitzer Prize winners and writers such as Harry Gamboa Jr., Guillermo Gómez-Peña, and Rubén Martínez, focus on the ways in which Latinx Los Angeles's nonfiction narratives record the progressive racialization and subalternization of Latinxs in the southwestern United States. While notions of racial memory, coloniality, biopolitics, internal colonialism, cultural assimilation, Mexican or pan-Latinx cultural nationalism, and transnationalism permeate this anthology, contributors advocate the idea of a contested modernity that refuses to accept mainstream cultural impositions, proposing instead alternative ways of knowing and understanding. Featuring a wide variety of voices as well as a diversity of subgenres, this collection is the first to illuminate divergent, hybrid Latinx histories and cultures. Redefining Los Angeles's literary history and providing a new model for English, Spanish, and Latinx studies, *Latinx Writing Los Angeles* is an essential contribution to southwestern and borderland studies.

Unsilenced Rosemary Lucy Hill, Bianca Fileborn, Catherine Strong, 2025-01-09 This book explores gender-based violence within the music industry, and how women who have experienced violence represent it in their music. Using the key case studies of music by Kesha, Lingua Ignota, and Alice Glass, as well as many other examples from across the musical landscape, the book examines how the artists represent their experiences of gender-based violence in their music, lyrics, and music videos; how they narrate and describe their experiences; how they incorporate these experiences into their public personas; and how the music industry itself might be facilitating or perpetuating the violence. The analysis sheds light on how survivors construct their experiences, and how the songs and videos inscribe new understandings of gender-based violence. The book argues that men's control of women's creativity can be considered a form of musical abuse, and that through its structures and systems the music industry itself can be classed as inherently abusive. And yet, women musicians can sing back to the violence they've experienced and create powerful new representations that have the potential to change the way we listen to music, if we are prepared to develop our feminist ears.

Every Word Tells a Story Tom Read Wilson, 2022-10-04 Tom Read Wilson is here to take us on a rip-roaring tour through some of the most astonishing and amusing words in the English language with *Every Word Tells a Story*. See how the English language evolved in this extraordinary exploration of the origins of everyday words. Full of funny stories and fascinating facts, Tom Read Wilson knows even the most ordinary-sounding word can have the most surprising story behind it! Did you know, for instance, that: The word 'bloomers' comes from Amelia Bloomer, who was a women's rights activist and owner and editor of the first U.S. newspaper edited by and for women, who wanted to move more freely in her knickers? Or that the word 'daisy' comes from the Old English *dæges eage*, meaning 'day's eye', because the petals of a daisy open at dawn and close at dusk? The word 'easel' comes from the Dutch word 'ezel', meaning donkey, because both are dependable and suitable for carrying a load? Or that English nicknames for police officers, 'bobbies' and 'peelers', both come from the names of Sir Robert Peel, British prime minister in the 1800s and creator of the first modern police force? Each fascinating word is

explored through a quirky, amusing story alongside the etymology, word origin, and definition. Paired with beautiful, characterful illustrations by Ian Morris, *Every Word Tells a Story* is a perfect book for young wordsmiths, encouraging kids and adults alike to have fun whilst learning about language.

Six Degrees George Davis,2013-07 Jacob Marley is an ex-marine, ex-cop, and now the chief crime reporter for the city's largest newspaper, *The Herald*. The victims' only connection is their gender: All are women. Marley writes an article giving the killer the nickname Six Degrees, as in six degrees of separation. He appeals to the public because someone must know the killer. One city, a serial killer, countless bodies, six degrees of separation. And so the chase begins, but who is chasing whom?

Head David Lewry, 2010-07-17 'Head' is the third book in the trilogy, which begins in 'Channel of the Broken Gun' and continues with 'Angst'. 'Channel' is the description of my decline into addiction, 'Angst' the fantasy created towards the end and of my drinking and drug use into the early days of sobriety, while Head is the raw statement of facts during my initial years of sobriety. There is no fictionalization with Head, no hiding behind interwoven threads of woven truth to lies; it is real and it happened to me and to many who were and still remain connected.
