

Did Tina Turner Believe In Jesus

Susan H. Kastner

The Holy Wild Mark Buchanan, 2009-02-19 Our perception of God makes a difference in every crevice of our character, from our inner anxieties to our public conversations. It determines whether we're trusting or suspicious, whether we're happy or discontent - and whether or not we can rely on God matters mightily on the day of our death. Mark Buchanan's third book continues his penetrating exploration of the God we worship. Bravely and honestly, he poses the direst question of human existence: Can God be trusted? It's life drunk deeply, lived to the hilt—where we walk with the God who is surprising, dangerous, and mysterious. It's the terrain where God doesn't make sense out of our disasters and our boredom, but keeps meeting us in the thick of them. But unless we trust in His character, we'll never venture in. We will sit at the stream all day, dying of thirst, but not daring to drink. To follow God is to drink and drink from the stream, even if it means—especially if it means—getting swallowed up. Let Mark Buchanan show you the entrance to the Holy Wild, where you can live face-to-face with the beautiful, dangerous God of creation.

Tempting Faith David Kuo, 2006-10-16 David Kuo came to Washington wanting to use his Christian faith to end abortion, strengthen marriage, and help the poor. He reached the heights of political power, ultimately serving in the White House under George W. Bush, after being policy adviser to John Ashcroft and speechwriter for Ralph Reed, Pat Robertson, and Bob Dole. It was a dream come true: the chance to fuse his politics and his faith, and an opportunity for Christians not just to gain a seat at the proverbial table but to plan the entire meal. Kuo spent nearly three years as second in command at the president's Office of Faith-Based and Community Initiatives. Yet his experience was deeply troubling. It took both the Bush White House and a severe health crisis to show him how his Christian values, and those of millions of Americans, were being corrupted by politics. Instead of following the teachings of Jesus to serve the needy, Kuo found himself helping to manipulate religious faith for political gain. Public funds were used in battleground states, for Republican campaign events. The legislative process was used as a football, not to pass laws but to deepen purely symbolic fault lines. Grants were incestuously recycled to political cronies. Both before and after 9/11, despite lofty rhetoric from the president claiming that his faith-based program was one of his most important initiatives, there was no serious attempt to fund valuable charities. Worst of all was the prevailing attitude in the White House and throughout Washington toward Christian leaders. Key Bush aides and Republican operatives spoke of them with contempt and treated them as useful idiots. It became clear, during

regular conference calls arranged from the White House with a key group of Christian leaders, that many of these religious leaders had themselves been utterly seduced by politics. It is time, Kuo argues, for Christians to take a temporary step back from politics, to turn away from its seductions. *Tempting Faith* is equal parts headline-making exposé, political and spiritual memoir, and heartfelt plea for a Christian reexamination of political involvement.

God Has Purpose for You Kerwin D. Tucker, 2011-01-31 Do you feel purposeless? Do you go through the day half-awake, wondering what you're working for what you're living for? You're not alone. This is a common symptom of many Christians, despite a strong faith in God and His word. We know what we are supposed to believe and how we are supposed to live; so why is that biblically inspired peace, joy, and love so hard to come by? You don't have to ask yourself these questions anymore. *God Has a Purpose for You* is an enlightening and invigorating look at the Bible and how it proves we each have a specific purpose, set forth for us by the Lord. Kerwin Tucker describes many different steps along the path to finding your life's purpose, including *The Prerequisites for Living a Spirit-Led Life*, *Define Your Vision*, and *The Pathway to Your Destiny*. It's easy to believe you will never do anything substantial with your life. It's easy to think it would be impossible to have a lasting effect on your friends, family, and neighbors but it's not true. God has put you here for a reason. You have a predestined purpose, and it is finally time to take a step in the right direction. Find your life purpose, through Christ, and in so doing, discover sought-after peace and ever-present joy.

A Fresh Cup of Tolerance Thomas L. Norris, 2021-11-12 *A Fresh Cup of Tolerance* pioneers a coherent, practical theology of the burgeoning universalism movement. It builds on broad spiritual foundations from Native American, Asian, Neopagan, Judeo-Christian, and Islamic traditions. Pragmatic and straightforward, it addresses the most pressing global dilemmas of our time: environment, globalization, feminism and gender issues, religious strife, oppression, poverty, war, and prejudice. Theologically, it systematically explores our many views of God; good, evil, sin, and suffering; revelation; spirituality in the digital age; the spirit of love and community; and so on. However, it is not a pleasant treatise on love. It is a living, faith-in-action, theology free of rigid words (Scriptures), beliefs (dogma), or practices (rituals). With seven billion people on the planet, many more to come, cooperating and living (loving) together is a survival essential. In a crisis, our best nature surfaces--but we seem unable to sustain a sense of true community and compassion for more than a few CNN weeks at a time. It is a spiritual priority to seek a means to sustain a loving community for longer periods--whether within the family, the community, the larger society, or the world. A theology of universalism offers a pathway of hope.

Witnessing Conversations with Heaven Susan H. Kastner, 2012-08-07 What would you give to have a daily conversation with a lost soul mate, whether it is a spouse, parent, sibling, relative, child, or best friend? Dr. Liong Tee understood that need when his soul mate passed away. Consider the possibility there have been many signs from your loved

one, both big and small, that were right in front of you all the time but you simply failed to recognize them. Have you ever asked yourself why you keep experiencing a familiar smell, a certain shape, a distinctive color, a special flower, or perhaps a favorite animal that appears over and over again, reminding you of your lost loved one? Or did you simply brush those incidents aside, dismissing them as only being a coincidence? Based on his written journals, follow Dr. Tees incredible story of conversations, signs, and messages received from his lost soul mate, Jan, since her passing in June 2008.

Shattered People Michael E. Chalberg,2020-04 This book chronicles how God brings hope and healing to broken people of all ages. Many of the hardest issues of life are covered, such as spiritual warfare, clergy abuse, satanic ritual abuse, and spiritual healing.

The Three Dimensions of a Magnificent Black Woman A. Marie Nealy,2013-06 The mind is the key to positive thinking. True beauty is defined by what's on the inside. Look for guidance from beyond yourself. Do not base your potential, self-esteem, or beauty on what others think of you.

Strongholds Vanessa Davis Griggs,2010-05-01 Part Terry McMillan, part Jan Karon, author Vanessa Davis Griggs delivers the second book in her exciting Blessed Trinity Trilogy. When Pastor George Landris, the dreadlock-wearing minister of the new mega-church, Followers of Jesus Faith Worship Center, urges his congregation to approach the altar and cast off their strongholds--also known as their weaknesses--it's the start of intense soul-searching for many. From a married couple's twin addictions to gambling and gluttony, to a female member's adulterous affair and a computer expert's obsession with cyber-porn, the church family is about to open the proverbial floodgates. And that's just the beginning. The plot only thickens when the Pastor's wife lightens his load by helping him counsel--and finds herself at the center of a decades-long deception. Insightful, witty, and always poignant, Griggs once again shows the amazing power of redemption and faith in people's lives. Vanessa's rich stories of faith in action always hit the writing trifecta--they make you laugh, cry, and yearn for more. Her wonderfully realistic characters leap off the pages, compelling you to join them in one life-changing adventure after another. --Angela Benson, National Bestselling Author

Faith in the Age of AI Dan Scott, 2023-06-20 Imagine having lived in the generation that discovered fire. Very swiftly, current scientific advances will reorder our lives just as much. Artificial Intelligence, decoding the human genome, links between mind and computer... All these things once science fiction, are now quickly—and absolutely—becoming science fact. Could machines become sentient? Is life a computer simulation? Does science really have a genetic blueprint for all human life? Believers and unbelievers alike are easily unnerved by such questions. Interestingly though, early writers from many faiths and fields have already addressed these kinds of issues. From Plato to St. Paul, and Laozi to C.S. Lewis, they all have much to say about our curiouser and curiouser new world. In *Faith in the Age of AI*, pastor, priest, scholar, and counselor Dan Scott invites you to learn what these hallowed ancient voices have already said about faith in the age of Artificial Intelligence.

The Absence of Love Jerry Piercy, 2021-03-16 In John 13:34-35, Jesus tells us to love one another in the same manner that He loves us. He then says this: By this will all men know that you are my disciples by the love they possessed and exhibited with each other. Jesus could have given a number of different ways which may have possibly identified us as His chosen people, but He hones in directly on this one all-important sign: love, not just love itself but the kind of love that would clearly connect us to the love He has given and displayed in us. It's the genuine and sincere love that we would share with one another that is the hallmark, the identifier, the tangible factor, which would reveal to the world that we are indeed believers in and followers of Christ. The New Testament speaks clearly and is saturated with imperatives concerning how and why we are to love God, our fellow believers, and even our enemies. If love would be the aim, the target, the bull's-eye, so to speak, how many of us are hitting the target? How many of us are even aiming for it? It is the negligence and lack of love that has compelled me to write this book. It has grieved me so deeply to see and experience that absence of love from so many who profess to be Christians, yet the constant mean-spirited behavior has clearly spoken the opposite of what love is and what love does. It grieves me even more deeply to discover the same behavior that I can be guilty of personally if and when I allow selfishness to rule my own thoughts and actions. I find myself in need of constant repentance. My experiences have been painfully real as they pertain to an absence of love in God's people. It has caused me to cry out for more and more of God's patience and grace to love. I believe that if we are lacking in love for others, it is because we are not properly connected to the source of love which is Christ, the vine. It is the love we have and exhibit to one another that matters most;

and if we are lacking it, this should be of the utmost concern.

A Lay Preacher but Gods Word? A Sinner,2013-02-18 A Sinner was a 33 year old ordinary English working class man, content and happy with his family life. One day he curiously attends a Christian Fellowship in a local community centre. After many visits and much thought he eventually accepts Christ as his personal saviour. Two years later he finds he is given a preaching commitment. Here is his lay preachers notes of some 20 years, biblical expositions with historical and contemporary commentaries. It is a warts and all record, not only of serious scriptural sermons but also on church and personal life experiences some humorous some tragic. He is critical of much of established religion and the fact he reluctantly uses a pen name tells of his fears of the changing face of his country and shows his belief that much of its freedoms for Christians and free speech in general has been and is being lost. He holds no theological exams or college training and does not qualify for what he describes as the hindrance of a dog collar, but believes in Gods Holy Spirit that has and does convict man if mans heart is willing to be open to Him. So are any or any part of these words Gods word? Thats for you with the Holy Spirit to decide.

The Lost Message of Paul Steve Chalke,2019-06-20 We have misunderstood Paul, badly. We have read his words through our own set of assumptions. We need to begin with Paul's world view, to see things the way he saw them. - What if 'original sin' was never part of Paul's thinking? - What if the idea that we are saved by faith in Christ, as Luther argued, was based on a mistranslation of Paul's words and a misunderstanding of Paul's thinking? 'Over the centuries,' writes Steve Chalke, 'the Church has repeatedly failed to communicate, or even understand, the core of Paul's message. Although Paul has often been presented as the champion of exclusion, he was the very opposite. He was the great includer.' Steve Chalke MBE is a Baptist minister, founder and leader of the Oasis Charitable Trust, and author of more than 50 books.

Scoffing at Scripture Frank Bolger Kelly, 2011-02 A former Roman Catholic, Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion. A few years ago, Kelly decided to sit down with the sacred scriptures of several of the world's major religions, the alleged bedrocks of these various creeds, in a last-ditch effort to achieve holy inspiration. Instead, he became wholly disenchanted, and *Scoffing at Scripture: A Commoner Reads the World's Holy Writ and Rejects Traditional Religion* is the result. Far from representing that all-elusive Word of God, creedal scripture the world over, it seems to Kelly, merely cloaks the tribal agendas and cultural designs of the world's priestly (and virtually allmale) elites. With the general reader in mind, the author has grouped together a series of compact discussions of religion and scripture for cross-cultural comparative reference. Kelly's intent is to facilitate critical analysis of the world's holy writ and, in particular, to encourage younger, skeptical readers of a secular mind to confront the doctrinal, scriptural, and ritual absurdities of those faiths into which they were born and continue to be indoctrinated. Frank Bolger Kelly grew up in an Irish

Catholic family in the Bronx, New York, matriculated to a noted Jesuit college in New England, and subsequently did time at a prestigious non-sectarian institution of higher learning in the Midwest. It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions. Kelly was quickly convinced that the vast majority of the faithful the world over, commoners like himself, just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures, rather than merely fake familiarity with them. Actually to read scripture in all its antiquated, tendentious, sectarian absurdity, Kelly reasoned, is to take a first, giant step in renouncing irrational creeds of all kinds. Thus was born *Scoffing at Scripture: A Commoner Reads the World's Holy Writ and Rejects Traditional Religion*, a book from which the author hopes the open-minded reader will draw a secularly pure, spiritual sustenance.
