Don Lemon

Love You More Than You Know Janie Reinart, Mary Anne Mayer, 2009 In these personal stories, 45 Ohio mothers open their hearts and share what it feels like when your son or daughter leaves home to fight a war. Some were stunned to learn one sunny afternoon that their baby had enlisted in the Marines. Others had long been familiar with military life. But all knew their life had just changed the day their child called and said, Mom, I'm being deployed . . . They discovered the strange mix of pride and fear. The anxiety of not knowing exactly where in Iraq or Afghanistan your son is, whether your daughter is facing mortar fire or enduring heat and boredom. Elation at the arrival of the briefest postcard or email message. The daily dread, when returning home from work or a trip to the grocery store, of seeing a government car in the driveway and two soldiers at the door . . . Any parent who reads these stories will feel their power--and will gain a greater understanding of the sacrifice made by parents as well as their children in our military service.

Poems from a Broken Heart Nelson Riverdale, 2023-05-22 Nelson Riverdale, author of *Across the Sands of Time*, is back with his second book, *Poems from a Broken Heart*, a true story of his wife, Merlene Ann Martin, and his 30-year

marriage to her. Nelson and Merlene knew of each other from Love Gospel Assembly, the Bronx church in NY they attended, but in a congregation of well over 350 people, the two never connected. It wasn't until he unexpectedly saw her at a Christian singles party that their relationship blossomed, and three years later, they were married. In his book, *Poems of a Broken Heart*, Nelson Riverdale recounts his life with Merlene, her many health issues, and her ultimate passing. In this intimately written story, the author shares his unending love for his wife through the dozens of poems he personally penned. He also opens up about the monstrous grief that brought him into a deep, dark valley of depression, which he called the "death zone." *Poems of a Broken Heart* is the extraordinary story of a wonderful marriage that ended suddenly but continues on through the many heartfelt poems written by Nelson Riverdale. ————— Advance Praise for *Poem from a Broken Heart* "A journey through grief much like my own when I was hanging from a thread." —LGA Minister Larry Galloway, widower "Nelson Riverdale's up-close and deeply personal journey into the depth of grief is a must-read for pastors, medical professionals, educators, life coaches, and those who are grieving. A literary anointing oil for recovery." —Pastor Chelli Jackson, former Equity SAG-AFTRA professional performer, director of the audiovisual department & LGA Church Administrator

The Israel-Palestine Conflict James L. Gelvin, 2005-08 The conflict between Israelis and their forebears, on the one hand, and Palestinians and theirs, on the other, has lasted over a century and generated more than its share of commentaries and histories. James L. Gelvin's new account of that conflict offers a compelling, accessible and up-to-the-moment introduction for students and general readers. Beginning in the mid-nineteenth century, when the inhabitants of Ottoman Palestine and the Jews of Eastern Europe began to conceive of themselves as members of national communities, the book traces the evolution and interaction of these communities from their first encounters, through to the present, as well as exploring the external pressures and internal logic that has propelled their conflict. The book, which places events in Palestine within the framework of global history, skilfully interweaves biographical sketches, eyewitness accounts, poetry, fiction and official documentation into its narrative, and includes photographs, maps and an abundance of supplementary material.

Thoughts of the Heart Tammy Lynn Robinson, 2013-01-25 *Thoughts of the Heart*, is a collection of snapshots from my

personal moments. It was written to encourage every reader to have a good journey in spite of the difficult days you face! It is an easy read and it offers practical points for dealing with everyday life. The reflections are of poems, prayers, passions, keepsakes, and short stories. It provides a variety of feelings expressed in a slightly poetic way. It has an uncommon twist for reasoning with hidden thoughts. It reveals them! Wait, I know there are some things that we must keep to ourselves, and believe me I will! We all know that many thoughts are better off left unsaid. And we should constantly pray down the evil ones. Nevertheless, these thoughts are out! And as you read; you witness my love, my inspiration, my fears, my tears, my hopes, my dreams, and my desire to be open with you. In fact, I gift you with my found treasure. In a nutshell, this book reveals me in a uniquely different and real way! I hope you will find comfort, embrace love, and become moved to action as much as I was compelled to write. Ultimately, I pray you will be inspired to believe that all things are possible through Jesus Christ, think outside of the box of limits, and become motivated to share the amazing gift that God has given you! I encourage you to share your one of a kind self, the self that you were created to share, "Straight from the heart!" We can't do anything about the past, and we don't know what the future holds, but we can decide to make the most of the precious moments that we have left! And as you journey on to the end; show the love, make a difference, and highlight your lessons learned then pass them on! In the meantime remember to be simply you, and to find positive and creative ways to express the desires of your heart! Because keeping sentiments, emotions, and love pinned up inside aches the heart, despairs the mind, and keeps you from experiencing your many possibilities! I trust that my perspective will somehow connect with your innermost thoughts and aspirations in one way or another. I hope to spark a positive reaction within you that is unforgettable! So fasten your seat belt and get ready to travel with me through some of my "Memorable Moments," one page at a time. Please know I wish you well! And whenever you need Christ, He will always be there for you! I promise!

Salim Barakat, Mahmud Darwish, and the Kurdish and Palestinian Similitude Aviva Butt, 2021-08-03 The poetry of Salim Barakat aims to recapture the ancient oral culture of the "Kurdu," and, in so doing, re-invent a distinctly Kurdish culture. Through poetic innovation, this intensely Kurdish poet brings modernity to ancient Kurdish structures. This book provides an overview of new developments in modern Arabic poetry, as seen through the creativity of its leading exponents, Barakat and Mahmud Darwish, as well as the older Syrian poet Adunis. Its unsurpassed translations of the work of these poets open up possibilities for the reader to enjoy first-hand what modern Arabic poetry has to offer. Translating Barakat's poetry, and understanding something of what this great poet has to say has thrown new light on the output of his friend Mahmud Darwish. It becomes clear that the Palestinian poet uses a semblance of Barakat's Kurdish Shahnama and also his

Ballade, genres that hail from orality. Analyzing Darwish's "Fewer Roses," and "The Hoopoe," we find that the former is an epic with 50 episodes telling of the wanderings of Palestinians in exile. "The Hoopoe" is specifically a Sufi poem based in the literary Sufism of medieval poets. Darwish has left us with clear instructions on how to translate his poetry, which this book carefully follows.

Diary of a Romance Scam Beth Hyland, 2025-07-24 When Beth Hyland swiped right, she thought she had found love. Instead, she found herself ensnared in a sophisticated web of deception—one that would not only shake her trust but threaten her financial and emotional well-being. *Diary of a Romance Scam* is a raw, courageous, and eye-opening account of how expertly trained criminals manipulate, groom, and exploit victims in ways that mirror the coercive control seen in domestic abuse. This is not just a story of loss but one of survival, resilience, and transformation. As Beth bravely unpacks the intricate psychological tactics used against her, she also shines a light on the devastating stigma that keeps so many victims silent. Society must understand that these scams are not simply about "giving money to strangers"—they are calculated, deeply personal betrayals that thrive in the shadows of shame and victim-blaming. To break the cycle, we must listen to survivors like Beth, amplify their voices, and demand systemic change. Beth's journey from victim to advocate is a testament to the strength that can emerge from even the darkest experiences. Her story is not only a warning—it's an essential educational tool that exposes the brutal reality of romance fraud and urges us all to take it seriously. This book is a powerful call to action, challenging us to replace judgment with empathy and ignorance with awareness. Book Review 1: "Beth Hyland's *Diary of a Romance Scam* is a raw, courageous, and deeply human story that exposes the psychological warfare behind romance fraud. As someone who has studied manipulation and social engineering for over two decades, I can tell you this book is not just a personal memoir—it's a masterclass in how emotional abuse is weaponized by skilled criminals. Beth's vulnerability and strength in sharing her experience will not only educate, but empower readers to recognize red

flags, protect themselves, and begin healing. This is a must-read for anyone who thinks it could ‘never happen to them.’” —CHRISTOPHER HADNAGY, Author; CEO of Social-Engineer, LLC and The Innocent Lives Foundation Book Review 2: “Beth Hyland’s book on romance scams is a powerful, personal look at what it’s like to be caught in one of these devastating cons. She doesn’t just break down how the scam works—she takes you through the emotional rollercoaster of trust, betrayal, and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn’t stay in the darkness. Instead, she turns her story into something bigger—a mission to educate, warn, and empower others so they don’t have to go through what she did. It’s raw, eye-opening, and ultimately a testament to resilience and hope.” —ERIN WEST, Founder of Operation Shamrock

Emotions, Learning, and the Brain: Exploring the Educational Implications of Affective Neuroscience (The Norton Series on the Social Neuroscience of Education) Mary Helen Immordino-Yang, 2015-11-16 An orientation to affective neuroscience as it relates to educators. In this ground-breaking collection, Mary Helen Immordino-Yang—an affective neuroscientist, human development psychologist, and former public school teacher—presents a decade of work with the potential to revolutionize educational theory and practice by deeply enriching our understanding of the complex connection between emotion and learning. With her signature talent for explaining and interpreting neuroscientific findings in practical, teacher-relevant terms, Immordino-Yang offers two simple but profound ideas: first, that emotions are such powerful motivators of learning because they activate brain mechanisms that originally evolved to manage our basic survival; and second, that meaningful thinking and learning are inherently emotional, because we only think deeply about things we care about. Together, these insights suggest that in order to motivate students for academic learning, produce deep understanding, and ensure the transfer of educational experiences into real-world skills and careers, educators must find ways to leverage the emotional aspects of learning. Immordino-Yang has both the gift for captivating readers with her research and the ability to connect this research to everyday learning and teaching. She examines true stories of learning success with relentless curiosity and an illuminating mixture of the scientific and the human. What are feelings, and how does the brain support them? What role do feelings play in the brain's learning process? This book unpacks these crucial questions and many more, including the neurobiological, developmental, and evolutionary origins of creativity, facts and myths about mirror neurons, and how the perspective of social and affective neuroscience can inform the design of learning technologies.

Holy Vegan Earth God Creator of Universes, 2018-08-20 Soon The Judgment Day of the Creator will happen. Billions of corpse-eaters, evil spirits from hell who have possessed human bodies and they are killing animals and eating corpse of animals will be executed and sent back home, to Hell for punishment and education. This is an extremely painful education. Be Warned. This Judgment Day of the Creator was mentioned by me, Moses 3300 years ago and by Jesus 2000 years ago and

by Mohammad 1400 years ago. Holy Vegan Earth, the last book of the Creator that updates all previous books, Quran, Bible and Torah was revealed to me, Moses and I wrote it from 2012 to 2018. Book contains guidelines. It contains Theological, Philosophical and Scientific content related to the subjects of some educational stories. It contains a long story that started in 7000 BC and continued to my next appearance on the Earth as Moses in 1300 BC and now, again as Moses to warn people about the soon happening Judgment Day. Book contains a True Story. Fiction, it is not. Two conditions should apply then you will survive. (1) Belief in the Creator (2) Be a Vegan, that means you learned a simple lesson from Eleven Commandments that I brought for you from the Creator. Yes. 11 Commandments, not 10. The 11th Commandment is You must be Vegan. You should not kill any innocent human animal or other animals. Those who violate the law will be executed humiliatingly and burned in hell for eternity. Book contains many paintings that I created to accompany the Theological content to make it easier to digest and many Plans for Vegan Activists. We establish the Vegan Earth by Genocide. This is my wish. When the Creator will do it is out of my jurisdiction. However, you have no excuse any more. You are warned clearly. You like it or not, do not matter. This is plan of the Creator typed by Moses Messenger of the Creator in 2012-2018 from direct communication with the Creator, the Unified Field, the Unity, Creator of Universes. If you are atheist, I have included seven proofs of the existence of the Creator in this book. Some are complex Mathematical proofs and some are simple. Depends on level of your intelligence you can find a proof that you can understand. Read, learn, understand and surrender to words of the Creator and Prophet of the Creator, Moses. Go Vegan, you will live. Stay corpse-eater, you will be eradicated like bacteria and will be burned in hell. Use your brain. You will find logic and reasoning in this book. Convert to Vegan. Convert to a believer in the Creator. If you do not use your brain, in hell you will learn by pain. Evidence and Proof is the only important matter. The Unified Field is God. The Unified Field is the Creator of Universe. In this book of God, the Sixth Book of Moses, I included the evidence and proof that I am communicating with the Unified Field. It is a two-direction communication. I proved I am Moses. Belief without reasoning and proof worth zero. Vegans who are believers in the Creator will inherit the Earth. Rest of humans will be wood for fire of hell. 01 - 110 - We start with 110. There is hope. 02 - 112 - Only if the 112, God helps. And He promised to do so. 03 - 097 - Revelations in uncountable nights of determination. 04 - 094 - I am here, again, Moses has one command, Go Vegan or go to Hell. 05 - 106 - Be afraid of one who is friend of the Creator of Universes. Love for Animals. Death to Corpse-Eaters. 06 - 108 - I am grateful. We use Your resources only for Justice for Animals. 07 - 113 - We count on You. 08 - 114 - We are aware and do the best that can be done. 09 - 109 - Kill them all. 10 - 111 - Hell for them is Justice. 11 - 110 - We Own the Earth. Animal Rights, Vegan, We inherit the Earth. We count on Your Power. Second column are representative of numbers described in the book. The last seal arrived in a 97 and ended in 110. Wait for the Judgment day. Soon. I am waiting.

Everybody's Book of Short Poems Don Lemon, 1895

Thomas More Peter Berglar, 2009 This book explores the conscience and motivation of one of the most admired persons in history: St. Thomas More. Most people know that Thomas More wrote a book called Utopia about a perfect society and got his head chopped off by King Henry VIII. But there was much more to the man. More not only occupied England's most powerful position under the king as Lord Chancellor, but was also a devoted family man, a Renaissance figure of renown throughout Europe, and the author of works of apologetics as well as poetry, fiction and plays. Even while awaiting execution in the Tower of London, his multi-volume Tower writings poured out, evidence of his deep faith and life of prayer.

For Colored Girls who Have Considered Suicide/When the Rainbow is Enuf Ntozake Shange, 2010-11-02 A choreo-poem reflecting the views of a black American woman about the women of her race

Lamentations of an Idealistic Individual Melissa Knepp, 2011-01-10 The poems found inside these pages come from my life experience. They are varied, just as my life has been. Some are happy, some are sad, some are uplifting and some are dark. No matter whether they are happy or sad or filled with joy or pain, they are all true. No, not all of the subject matter are things I have gone through in my own life but I have always had the remarkable ability to empathize with others. Some of these poems are a direct result of me hearing other people talk about their experiences and me putting myself in their shoes. Even though I haven't gone through some of this stuff myself, every single line on every single page is honest. It is all how I felt in those moments when I wrote them. The seed of creativity came to me from outside sources and I just had to let it grow into something powerful and beautiful. There is simply no better feeling in the world than to stand back and see what was created from a tiny seed of inspiration.

The George Carlin Letters Sally Wade, 2011-11-01 A unique illustrated memoir by Sally Wade, the love of George Carlin's life for ten years, *THE GEORGE CARLIN LETTERS: THE PERMANENT COURTSHIP OF SALLY WADE* is a collection of never-before-seen writings and artwork by the late great comedian (representing at least 1/3 of the text in the book), woven into Wade's beautifully told chronicle of the last ten years of their life together. The book provides a rare glimpse into the man behind the legend. George Carlin wrote to Sally daily—notes, postcard, letters...he even started fights on paper; the title is taken from his very last note, which Sally found propped up on her computer upon returning from the hospital the day he died. One of the greatest love stories ever told...hilariously, until the release of this book, no one but Sally has ever seen this side of George Carlin. And everyone is guaranteed to fall in love with both of them.
