People will take you seriously and consider you as a professional if you speak confidently with the voice of a professional. So, it is important that you develop the skill in speaking with regards to what you want to be English is one of the most difficult languages a person can tackle. Its ridiculous number of rules and exceptions to those rules and unique sentence structure contribute to making it a special challenge, even for those with a knack for languages. Yet, given the amount of media produced in it, the sheer amount of business done using English as a common language, and the number of people around the world who speak it, it is one of the most rewarding second languages to master. Believe me, it is never too late to start improving your spoken English and beating your accent because you are never too old or too young to start doing that. And do not find excuses to not speak like a native; you yourself will feel how cool it is to sound like a native English speaker. Instead, just enjoy the process of learning new things. Make practicing English a daily activity like sleeping and eating. And never give up, stay positive. If at some point you feel you are about to give up, just look back at the learning materials that you used long ago to learn the language; this way, you will see how hard a path you have passed already, and how far you have come.

Speak English Fluently Like a Native American in Just One Week Shuchi Mishra, 2018-11-04 Book Description In this book, I am talking about how to speak like a Native American in just one week, short and simple. Therefore, if you wish to speak clear and confident English like an American even without visiting the United States, you'll be able to achieve this by following the simple steps that are explained in detail in this book. The goal of this book is for you to be understood and confident while you speak. You have spent years and years studying and practicing the English language. You are fluent in English but if your pronunciation is unclear then your message will not be heard or understood. For you to be effective in your English pronunciation, you must learn to speak English in a way that others will easily understand you. I firmly believe that anyone can learn to use fluent English pronunciation no matter your age or whether you live in the United States or in another country. If you follow this book step by step, you will be able to speak like a native American. These days English is taught increasingly as an international language. To use English as an international language, the only real issues are those that affect intelligibility. The important thing is to be able to communicate with others, be they native or non-native speakers. Everybody has an accent, although, if you think that a person doesn't have an accent, this could be because they have the same accent as you. A person's accent is part of their history and their identity. If you are working for any US client, you might be in trouble, if you don't speak like a native American. American accent is the most popular accent in the world. Spread around the world by American cinema, music, television etc, this is the easiest accent for most people to understand, whether native speakers or non-native speakers. This is understood by most people worldwide. Most people expect to hear the accent they're familiar with. Anything else stands out. *Speak English Like A Native American Will Help You* in your career advancement look more professional boost your career tremendously Who This Book Is For If you are in the management role, English clearly is important so that you don't feel hesitant to speak up or ask questions. Otherwise, you will feel like a bit of a 'second-class citizen' if you don't have a good accent. If you are managing international meetings, and need to be understood by a lot of different nationalities in the meetings. If you are misunderstood by people around you, and it's frustrating to have to repeat yourself again and again. If you want to move to Australia/England/ the U.S. This book will take your English to the next level. You can start real conversations with native English speakers. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The problem is we learn traditional grammar in schools/colleges. With traditional grammar, you can become a good writer but not a good fluent speaker. You can read but still, you feel shy to speak English. English is not just a list of words and grammar rules. Speaking fluent English is usually just about knowing the right thing to say in any given situation. This book will tell you how to feel stronger, calmer, and more powerful when speaking English. You may find

it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice everyday conversation. Is it possible to learn a new language? Can it be possible for you to speak like a true native American? Of course the answer is yes! And I will show you how, enjoy

Fearless Fluency Julian Northbrook, 2019-07-23 Do you speak English confidently? Or are you paralysed by fear? It's hard enough to learn English. But when you're not confident? It's even harder. This book will take you through the confident English speaking mindset and will show you how to speak with confidence next time (and every time) you speak English. I was never confident... When I was younger I was shy and not confident in front of people. And this held me back and made improving my second language hard. I never took the opportunities I had to really use my Japanese... because I was afraid. Fearless Fluency will show you how to speak English confidently and fluently Yes, I've been there. And this is why I know you CAN overcome your fear of speaking English if you want to. If you want to speak English confidently and be more confident in your everyday life, it's likely you're going to need to make changes to the way that you think and behave. But pay attention, apply the lessons I share, and your confidence will grow. Here's just some of what you'll learn Why some people succeed in English, and others fail (make your YOU succeed). what confidence REALLY is (hint: it's probably not what you think, and this is making it hard for you to overcome your fear). A lesson from the film Jurassic World that could help you speak confident English (and be happier in life in general). How to stand out as confident in English, and gain the respect of everyone around you. The Three Fears of speaking English as a second language (and how to overcome them easily, by yourself). The evolutionary reason you feel nervous and afraid when you have to speak English (and the shocking truth about human beings... but just knowing this is enough to break the bad habit). How the most famous, successful people in the world became successful... and how you can (and should) copy what they did with your English. The true meaning of failure that you won't find in any dictionary. The unconventional secret to doing any interview confidently in English. How to eliminate embarrassment from your life quickly and easily. A lesson from one of the world's most successful beer brands that you can (and should) apply to everything you do. One simple habit that has nothing to do with speaking English... BUT can help you to be much more confident in English. WHO is Julian? Julian Northbrook is an unconventional punk of the business English learning world. A leading expert in English education and direct response marketing, he's fully equipped to drag you kicking and screaming from English-mediocracy to speaking at an outstanding level. After being turned down for his dream job in the art industry, Julian suffered three long years as a crap Japanese speaker. He understands exactly what it's like to feel like a total idiot every time you speak. But Julian overcame his language problems, mastered the language, and went on to work first as a freelance translator, then as an executive member of a Japanese company. But he soon grew sick of the corporate world and left to do something more satisfying - teaching people how to speak English at an extraordinary level.

The Complete English Master Jenny Smith,2018-02-20 HOW TO MASTER ENGLISH This book is all 3 volumes of the very popular 'Master English in 12 Topics' series. Once you master the vocabulary in this book you will have a very good foundation for speaking fluently about 36 everyday topics. This book is the ultimate stepping stone from 'intermediate' to 'advanced' English. Lots of intermediate English speakers tend to get trapped using the same vocabulary over and over again. They often only speak about subjects they know the words for and avoid anything outside of their 'comfort zone'. The problem with this is that even though they sound ok, they never really get any better. If you really want to improve, you need to be able to speak about a wide range of topics. For this, you will need to learn the special vocabulary connected to these topics. What are the benefits of using this book? You will learn over 600 useful words and phrases. You will be able to speak about 36 new topics with confidence. This will greatly improve your English conversational ability. All new words and phrases are introduced in fun and interesting articles and stories. So you will learn naturally. Everything is explained in easy to understand English, so you can get used to 'thinking in English' There are 100's of example sentences to help you understand how these words and phrases are used in everyday language. For each topic I have listed useful television shows and YouTube channels to help you practice your new vocabulary. Remember these are all topics that native speakers often talk about. They also tend to use specialised language so it's important that you know it too. If you are in the intermediate level and are looking to really improve then this a great place to start.
