Everybody has faced hard times in their life & no one in this world is the happiest person. Everyone has their problems, issues even the rich or poor, male or female, married or single, old or young. Everyone has their own story, own solutions, own regret, own recovery. Time is healer but you are the one who must try to heal. Time will work according with its pace, but it depends on you whether you want to wait for miracles to happen or try to create the miracles. It depends on you either to cry for the pain you must go through or learn to embrace the pain. People remember only successful people & follow them. You don't know the whole story & sufferings of successful people. They are not born special; they are not born

lucky. They have created their miracles. People judged them, comment on them pin point their mistakes & all the negative situation you are facing now. Now it depends on you how you want to live your life & create your future?

SOMETHING RIGHT Rose Fresquez, A divorcée firefighter with trust issues, a fiery interior designer determined to chip away the walls of his house and his heart. Can their friendship survive the sparks of love? Jake Larson is good at everything...except relationships. When his marriage ends, it leaves the firefighter with doubts he's never experienced before. Now he's determined to protect his crushed heart the only way he knows how: avoid falling in love at all costs. And thanks to his friend Ezra, Jake is more than content to fill the hole in his life with a newfound faith in Christ and the hope for a brighter—if single—future. Renee Buchanan is one of the best interior designers Colorado has to offer, and she knows it. She's young, skilled, and confident...except when she's around Jake Larson. Every time Jake steps into a room, her carefully crafted professionalism crumbles, and she finds herself lost. And that's a problem when Jake hires Renee to decorate his fixer-upper of a home. Not only is Jake her brother's best friend, he's also the gentleman of her dreams. And no matter how determined she is to make this the well-designed house of her career, and how thick the walls around Jake's heart are, something new sizzles up between them, something they can't help but be drawn toward. As they work together to chip away at the walls of both Jake's house and his heart, Jake is faced with a life-changing decision: let himself fall for his best friend's beautiful sister, or stay single but keep his friendship intact. Either way, Jake knows he must let go of his past before he can grab hold of the future...or else risk losing the second chance he desperately needs. *Something Right* is a sweet interracial romance between a damaged firefighter and the interior designer determined to make him whole again. *Something Right* is the second book in the standalone in series; *The Buchanan Standalone Series* Read the other books in the Buchanan series 1. *First Site* 2. *Something Right* 3. *New Light* (Novella) 4. *Bright Side* 5. *Short Sighted*

Superpowered J.L. Butterworth, 2013-06-29 It's so easy to hate super heroes. They're arrogant, they're destructive, and they're everywhere. Then there's the spandex. My God...the spandex. Some want to be famous, some want to get rich, and some just want to dispense their own vision of vigilante justice. Then there's Dennis. Married forty something father of three who puts in long hours as a bank executive in Philadelphia. He observes these Supers (general term used for humans with exceptional abilities) daily, cursing as they trash the city, demolish landmarks, and wreak havoc on his insurance premiums. Dennis' biggest problem though, is that he's one of them. He's spent his entire life just trying to be normal. Getting married, raising a family, and having a good job are all he's ever wanted. Is it really too much to ask to just live, love, and retire in

peace? Of course it is! Supers are easily monetized. Comic books, movie deals, television shows, public appearances, and well paid security gigs draw people with any kind of powers to join the limelight with the rest. Dennis comes to find that no matter how much you deny who you are, the world will never stop spinning, and you will eventually be dragged right along with it. Unfortunately for him, that dragging is bloody, painful, and unrelenting. Superpowered is a first person fiction narrative from the eyes of a reluctant, power-wielding human being. Focusing not on super heroes or super villains, but instead on people with extraordinary abilities, this book will take you along for Dennis' tense, thrilling, and gruesome journey through the highs and heartbreaking lows.

Along with many new characters appearances you will also be reacquainted with your favorite heroes and villains. Prepare for the laughs of your life.
