Kierkegaard and the Problem of Self-Love John Lippitt, 2013-04-25 The problem of whether we should love ourselves - and if so how - has particular resonance within Christian thought and is an important yet underinvestigated theme in the writings of Søren Kierkegaard. In *Works of Love*, Kierkegaard argues that the friendships and romantic relationships which we typically treasure most are often merely disguised forms of 'selfish' self-love. Yet in this nuanced and subtle account, John Lippitt shows that Kierkegaard also provides valuable resources for responding to the challenge of how we can love ourselves, as well as others. Lippitt relates what it means to love oneself properly to such topics as love of God and neighbour, friendship, romantic love, self-denial and self-sacrifice, trust, hope and forgiveness. The book engages in detail with *Works of Love*, related Kierkegaard texts and important recent studies, and also addresses a wealth of wider literature in ethics, moral psychology and philosophy of religion.

This Changes Everything Tyler Merritt,2025-01-14 From the author of *I Take My Coffee Black*, a sobering, humorous memoir about learning to let go and embrace the sanctity of life after being diagnosed with Cancer. When Tyler Merritt was diagnosed with cancer, everything he thought he knew about what mattered in life changed. *This Changes Everything* is a humorous and optimistic love letter to this beautiful life. Though he made it through a highly invasive surgery and thought he was in the clear, Tyler soon realized that the cancer had other plans. It wasn't a question of if the tumor would come back for an encore, his doctors told him. It was a question of when. Laced with Tyler's trademark humor, love of pop culture, and arguably too many musical theater references, *This Changes Everything* is a story about how wrestling with the idea of death can birth a whole new outlook on life, how we live it, and the urgency that comes when you grasp that time is a precious commodity.
