The Owl of Death Row John T. Biggs,2023-06-05 Trickery is magic until you figure out how it's done. Richard Harjo's job is to counsel death row inmates in Oklahoma's notorious McAlester Prison. That usually consists of convincing them heaven is a sort of afterlife work release program, and God is the most gullible parole officer ever. All they've got to do to qualify is have faith as they walk quietly to the execution chamber. No wonder Richard has lost faith in all things supernatural. Everything changes when he meets a Choctaw murderer named Holabi Minco. Native guards say the inmate is a witch... and they might be right. He keeps a popsicle stick calendar in his cell that tells when people are going to die and does so more accurately than the DOC roster. Minco befriends Richard and sends him on a series of extralegal missions to give him insight into the lives of the other death row inmates. The chaplain crosses paths with a pole dancer, white supremacists, and a secret town full of outlaws that isn't on any official map. What's always been a humdrum, hypocritical life is suddenly an adventure. When Holabi Minco's beautiful daughter, Kinta, enters the picture, Richard is hooked. He quickly finds himself drawn into a complicated plot to break her father out of prison. It involves a slice of something called Dead'n'berried pie, a shoot out on the prison parking lot, and a disappearing act that looks too much like magic. Who could possibly resist?

*Take My Hand Again* Nancy Parker Brummet,2015-03-03 The guide the author wishes she had when she took on a caretaker role By 2020, the senior population in this country will number over 115 million. Despite this persistent graying of America, few adult children feel prepared to take on the role of caregiver for aging parents. Those who discover they must now intervene and care for an elder they love are often at a loss. Trying to navigate the transition is like being dropped in a foreign country with no map, no GPS, and no translator—and acting as tour guide. Nancy Parker Brummett knows what they're going through and has the means to help. She shares her own experience of caring for a mother and mother-in-law in assisted living, as well as lessons learned through study of the academic, social, and political issues involved. Each chapter begins with relevant Scripture, but the useful information here is not limited to people of faith. *Take My Hand Again* offers readers the warm feeling of having someone they trust stepping up to hold their hand and share encouragement and hope. Children of the aging don't need a degree in gerontology; they just need for someone to ask the pertinent questions and give them an overview of the pros and cons of common options so they can make informed decisions. Whether they've already had

their wake-up call or just want to be prepared for what's to come, Brummett's sometimes humorous, sometimes poignant book has just what they're looking for.

*Grandma Gatewood Hikes the Appalachian Trail* Jennifer Thermes,2018-05-08 Emma Gatewood’s life was far from easy. In rural Ohio, she managed a household of 11 kids alongside a less-than-supportive husband. One day, at age 67, she decided to go for a nice long walk . . . and ended up completing the Appalachian Trail. With just the clothes on her back and a pair of

thin canvas sneakers on her feet, Grandma Gatewood hiked up ridges and down ravines. She braved angry storms and witnessed breathtaking sunrises. When things got particularly tough, she relied on the kindness of strangers or sheer luck to get her through the night. When the newspapers got wind of her amazing adventure, the whole country cheered her on to the end of her trek, which came just a few months after she set out. A story of true grit and girl power at any age, Grandma Gatewood proves that no peak is insurmountable.

**"I Can't Complain"** M.B. Evans,2017-08-23 Every person has a story, this is only part of hers and part of mine. Grandmother and Granddaughter who are more like soul mates, fated for each other in many things, including the journey through Alzheimer's.

**Prairie Boomer** Brian W. Hesje,2021-07-23 Brian was asked by his daughter to write a book about his childhood on the farm so his grandchildren knew more about the family history. People born in 1946 until 1964 are called baby boomers. I was born in 1946 and left the farm in 1964. It seemed natural to name the book Prairie Boomer. It defines the way I was raised where I grew up and what I learned through all the years. Life on the farm shaped me in countless ways; some I'm aware of and others I'm just starting to realize. And I am sure it shaped me in numerous ways I will never realize. When I go back to the farm today over 70 years later much is the same. I hope my memories bring back memories for you and help you appreciate the importance of history.

*Words of Wisdom* Estella I. Kennedy,2014-11-04 Words of Wisdom presents quotes from everyday life as used by my grandmother and both my mothers. The quotes are supported by scriptures from the Bible.

**Packing Grandma's China** Lana M. Tatom,2013-09 Somewhere along the way in life, you start to listen to that little voice. We are all on this journey together, growing, learning, and changing. As I stood in the kitchen of my dream home, looking out on the still water of the pond, I cried. Warm, salty tears streamed down my face as I told myself I could do this. Just start with one box; don't get overwhelmed. Pack one box; stay focused. I started packing Grandma's china first. As I packed the china set, a flood of memories came of the countless times I had carefully wrapped up each piece and placed them into the box. It was at that moment that I decided to write about this beautiful set of china, all the experiences and lessons I have learned along my journey. It is through my grandmother's journey that I have found my own strength and freedom. Twenty years and thirteen moves later, the china is the only set of dishes I own. When was the last time you used your china? What are you waiting for? Don't leave it locked up, waiting for a special occasion. Make today the special occasion you have been waiting for. In loving memory of my Grandma, Veronica Billetz (January 13, 1922-December 13, 2009)

**It Has Taken a Lifetime** Gene D. Lord,2021-06-16 Writing this book has been in my bucket list for about twenty-five years. I wanted to share my experiences growing up in the country along with my wonderful family. Marrying my wife

Marsha and having our two boys and our four grandchildren have been some of the best blessings a man could have. Sharing my Christian testimony of how God has been with me throughout my life has been so satisfying. God was working on me long before I even realized it. Spending time with my beautiful friends and having experiences with them while hunting, camping, and enjoying the outdoors have been a significant part of who I am. Spending almost fifty years working with Flowers Foods was a wonderful experience that allowed me to meet so many people and share my story with each of them. God has been so good. Some would say I had been successful in life; and as the world may see it, I suppose I have been. However, I believe my most significant success has been "Being right smack dab in the middle of where God wanted me to be."

The Gates of Saint Charles John Allen Resko, 2010-01-19 Professor John Resko's memoir narrates a religious struggle against the backdrop of the Great Depression, World War II, and Pre-Vatican II Catholicism. His dissection of the components of a religious vocation led him in a direction befitting his temperament and natural inclinations rather than the ease of their achievement. He describes his struggle to define a religious vocation and ultimately find the strength to follow his best instincts. It was not easy for a poor boy of uneducated immigrant parents from Austria-Hungary to find his way in the world. But the solid educational foundation provided by the Church proved to be the gateway to a greater purpose. He earned graduate degrees from both Marquette University and the University of Illinois. His doctoral work at Illinois was in the field of reproductive biology. These events portended a successful scientific career in Oregon. The events recorded in *The Gates of Saint Charles* are coupled with the history of the times and the dogma and traditions of the Roman Church. A small window has been opened into the life and education of seminarians during the time covered by the memoir.
