**Into the Stars** Thomas James,2010-04-15 Is it better to have loved and lost or to have never loved at all? Let me explain. I just moved to New York City with my daughter, Arianna, to direct a play I had written to get over my ex, Derek. He left me ten years ago. Because of my friend, Sekoya, I have to smile at the images of how things should have gone between Derek and me. However, my move to the city wasnâ€™t a complete mistake. If I hadnâ€™t, I wouldnâ€™t have met Angelo, the hunky father of Ariannaâ€™s classmate. Heâ€™s showing signs of interest, but Iâ€™d been badly hurt by Derek, I donâ€™t know if I can trust someone with my heart again. I have to remember that he is not Derek, though. Heâ€™s kind, considerate, andâ€¦ Did I mention attractive? Am I misreading his signs? Is he the man that will help me forget about Derek and love again? Iâ€™d love to believe thatâ€™s true, but I canâ€™t help but feel that heartache is right around the corner. My name is Orlando. This is my story.

*Maybe Love Maybe Not* Udai Yadla,2025-02-01 When you fall in love, you can never be the same person. Love is the strongest emotion that can transform your life. Love never fails, but what is love is the question. Life is all about sunshine and rain, and love is the rainbow. Love gives you joy and sorrow, pleasure and pain, but if you follow the rainbow, there's always a hidden pot of gold. *Maybe Love Maybe Not* is a journey that explores the shades of love.

**Fearless Love** David Maxwell,2024-02-16 Welcome to Serendipity, a small town where time has no meaning and nothing changes. A town where you can find the most ordinary people living the most ordinary lives. A town where you would never expect to find anything extraordinary. But in this town, there is one exception. Her name is Ava, and she is the most beautiful girl in Serendipity. She works at the local coffee shop, where she spreads joy and warmth to everyone. She dreams of finding true love, a soulmate who can fill her heart and soul with passion and adventure. She never thought he would come to

Serendipity, of all places. His name is Ethan, the hottest guy in Serendipity. He arrives in the town, looking for a place to hide and heal. He has a dark past that haunts him, a past he wants to forget and keep secret. Ethan and Ava are not the only ones who have secrets. Serendipity is not what it seems. It is a town where time is warped, reality is twisted, and nothing is as it seems. They are about to discover the truth behind their existence, a truth that will rock their world and challenge their love.

**This Changes Everything** Sonya Joy Mack, 2022-12-06 What if grief, pain, and loss weren't the end of your story but the beginning of a new chapter? When a mother dies abruptly or before their time, daughters are left with an unmet expectation for a future that no longer exists. This Changes Everything revokes the notion that death has the final say and asks the question, what if grief wasn't the end of your story but the beginning of a new chapter? Every life contains a story that holds tragic, soul-defining chapters deemed unfair, but fairness isn't the rule book for the Author of Life, it's reckless all-consuming love. When grief, especially over the loss of a mother, is viewed through the lens of this unending love, this new view can illuminate a calling or purpose for your life which may otherwise remain locked in the darkness of despair. This Changes Everything: When Death No Longer Has the Final Say is based on a true story of hope, healing, and redemption over life's darkest chapters. It will give readers the courage to follow their God-given calling and help them to see that one choice - to believe their pain has a purpose - changes everything. This Changes Everything is a perfect read for: Those grieving the loss of a loved one Mothers, daughters, and mom's raising daughters Those looking to give their pain a purpose. Find out why author Jennifer Dukes Lee calls Sonya Joy Mack's story, "a magical story that will take you on an incredible journey that will keep you guessing until you reach the final pages." Your pain has a purpose and This Changes Everything could be the beginning of your new chapter.

Meat Me Halfway Brian Kateman, 2022-04-22 We know that eating animals is bad for the planet and bad for our health, and yet we do it anyway. Ask anyone in the plant-based movement and the solution seems obvious: Stop eating meat. But, for many people, that stark solution is neither appealing nor practical. In Meat Me Halfway, author and founder of the reducetarian movement Brian Kateman puts forth a realistic and balanced goal: mindfully reduce your meat consumption. It might seem strange for a leader of the plant-based movement to say, but meat is here to stay. The question is not how to ween society off meat but how to make meat more healthy, more humane, and more sustainable. In this book, Kateman answers the question that has plagued vegans for years: why are we so resistant to changing the way we eat, and what can we do about it? Exploring our historical relationship with meat, from the domestication of animals to the early industrialization of meatpacking, to the advent of the one-stop grocery store, the science of taste, and the laws that impact our access to food, Meat Me Halfway reveals how humans have evolved as meat eaters. Featuring interviews with pioneers in the science of meat alternatives, investigations into new types of farming designed to lessen environmental impact, and

innovations in ethical and sustainable agriculture, this down-to-earth book shows that we all can change the way we create and consume food.

**Everything Is Horrible and Wonderful** Stephanie Wittels Wachs, 2018-02-26 In the style of *The Recovering*, and *Educated: A Memoir*, Stephanie Wittels Wachs delves into the dark world of loss, grief, and addiction in a heartbreaking but hopeful memoir. With a captivating foreword by Aziz Ansari, one phone call was all it took to change Stephanie Wittels Wachs's life forever... Her younger brother, Harris, a comedy star known for his work on *Parks and Recreation* and for introducing the world to the art of the humblebrag, died of a heroin overdose. How do you make sense of such a tragic end to a life full of so much hilarious brilliance? In beautiful, unsentimental, and surprisingly funny prose, Stephanie Wittels Wachs alternates between her brother's struggle with addiction, which she learned about three days before her wedding, and the first year after his death, in all its emotional devastation. This compelling portrait of a comedic genius and a profound exploration of the love between siblings is *A Year of Magical Thinking* for a new generation of readers. *Everything is Horrible and Wonderful* will make you laugh, cry, and wonder if that possum on the fence is really your brother's spirit animal. A touching memoir that delves into addiction, grief recovery, and healing after loss, this poignant story ultimately showcases the enduring love we have for those we lose too soon.

**Everything I've Learned about Motherhood (From My Single-Parent Dad)** Zeena Moolla, 2021-02-24 'A refreshing, laugh out loud, real talk, tonic of a book written from the heart...will be a comfort to many new parents.' Laura Dockrill 'Uplifting and inspiring' Jo Middleton, slummysinglemummy Motherhood is amazing and the devotion you encounter is staggeringly strong. But when you're in the eye of the shitstorm, veering between love and lunacy, wondering how this tiny, adorable human can wreak so much bedlam in your life, I believe you need a robust sense of humour to help save your sanity. For Zeena Moolla, the early days of being a new mum were a heady cocktail of sleepless nights, acid reflux and aching boobs. But finding the funny in the chaos buffered so much of the stress. And she has her dad to thank... Being brought up solely by

a single dad, one of a foreign, Muslim background, exemplified beautifully that parenting and families come in all different shapes and sizes. His massive-hearted parenting shaped the kind of mother Zeena is, and as the funniest person she knows, he can also turn any situation around with warmth, wit and a cheese sandwich. If that's not a vital skill in parenting, then what is? With top tips for surviving sleep-deprivation (spoiler alert: embrace a cantankerous mood and don't buy crap coffee) to dealing with judgy idiots, getting to grips with shitty mum-guilt and returning to work, Zeena will show you that motherhood won't just get better, it'll be incredible. Laugh-out-loud funny, honest, tender and packed with real life advice - this is essential reading for every new mother not cherishing every moment, feeling like a misfit or simply finding this parenting lark all too much. Read what everyone is saying about Everything I've Learned about Motherhood: 'I honestly wish I had gotten my hands on this book when I was first pregnant with my daughter. This would have gotten me through my pregnancy and my first year with her with a sense of ease that I definitely didn't feel...packed with hilarity on every page...the kind of advice I would have loved hearing... an excellent book... I think I love her dad... Reading his experience as a single father to three kids was inspiring.' Goodreads reviewer 'I honestly couldn't think of a better introduction to this delicate topic than this raw, funny and brutally honest story of two parents who had it rough in their own way...worth every second of your time.' Goodreads reviewer 'I really felt like a family friend reading this...Very funny and perfect for Mums!' NetGalley reviewer
