No other single source provides users with the quality and depth of up-to-date information for all types of research. This national directory and guide gives you access to statistics, images and over 100,000 names and addresses for everything from Airlines to Zoos - updated every year. Each section is a directory in itself, providing robust information on business and finance, communications, government, associations, arts and culture (museums, zoos, libraries, etc.), health, transportation, law, education, and more. Government information includes federal, provincial and territorial - and includes an easy-to-use quick index to find key information. A separate municipal government section includes every municipality in Canada, with full profiles of Canada's largest urban centers. A complete legal directory lists judges and judicial officials, court locations and law firms across the country. A wealth of general information, The Canadian Almanac & Directory also includes national statistics on population, employment, imports and exports, and more. National awards and honors are presented, along with forms of address, Commonwealth information and full color photos of Canadian symbols. Postal information, weights, measures, distances and other useful charts are also incorporated. Complete almanac information includes perpetual calendars, five-year holiday planners and astronomical information. Published continuously for over 160 years, The Canadian Almanac & Directory is the best single reference source for business executives, managers and assistants; government and

public affairs executives; lawyers; marketing, sales and advertising executives; researchers, editors and journalists, and is a must for all Canadian libraries and universities
