Carlos L.J. Diva,2018-09-15 This series is dedicated to... Jackie Collins is the biggest inspiration in my life when it comes to writing, if not the only inspiration. She had the passion; the brains, the ballsy rollicking attitude, and the kind of life that made me want to be her. And to the three Stefanovic brothers, Carlos, Pedro, and Tomas, without whom I would not have had names for my porn stars. In the tradition of the bonkbustingly good Jackie Collins comes L.J. Diva's Porn Star Brothers series. Follow the meteoric rise of '70s Porn Star, Carlo Stefan, and the rocky path he took to find the life and love he craved in the Porn Star Brothers series. He lives the good life, screwing women of all ages morning, noon and night until one night the good life comes to a screeching halt. On the run with only a suitcase and money, he winds up in Hollywood working in porn movies, with a new name and new look, only to become the biggest porn star around. But the drama follows him wherever he goes, from stalkers to his girlfriend being drugged and killed, to two dramatic kidnappings. And it all comes down to one person... One person who's out to end the life of Carlos Stephanopoulos... My Life as a Pornstar Puma Swede,2014-04-04 The crazy ass Swedish porn star strips down about naughty celebrity sex, the best kept industry secrets and how to take control of a pilot's joystick. *My Life As A pornstar* chronicles Puma's life from her horse-obsessed childhood in Sweden to her rise as one of the best known porn stars in the world. The book details Puma's many crazy experiences which include Hollywood parties, wobbly helicopter sex (as seen on TMZ), drug adventures in Amsterdam, celebrity encounters and all the highs, and lows, of life and love and work in porn's fast lane. It also includes a chapter written by Puma's best friend, Penthouse Pet of the Year Nikki Benz, a how to make it big in the porn industry guide, reviews of porn colleges and letters from the fans. I've already been getting frantic calls from celebs I know, scared I'm going to expose them. I hope they enjoy my book. I hope YOU enjoy my book, said Puma Swede. I don't know what to think of this book. It's not a normal autobiography, it's certainly not literature. It's a tale where every page is covered with four letter words, swearing and body liquids (review in Aftonbladet, Sweden's largest national newspaper)

The Internet Escort's Handbook Book 1: The Foundation Amanda Brooks,2006-10-16 Considered the bible of escorts, sex workers and sugar babies alike, *Book 1: The Foundation* is exactly that. It's an escorting 101 that starts with you to build a safe, sane, successful business. You are the foundation of your success. *Book 1: The Foundation* is a sex work reference written to create a realistic awareness of the pitfalls and rewards of becoming an independent escort (and it works to answer questions for the curious public as well). Start with the most fundamental consideration of all: --Decide whether escort work suits your personality --Maximize your personal appearance for commercial appeal --Discover personal boundaries and how to maintain them --Escort health and hygiene --Get to know and love condoms --How do you have sex on

your period? --Understand the limits of your personal energy --and more! Common newbie questions are addressed; the ones that get asked, repeatedly, on public sex work or escort forums. While sugar babies generally don't want to think of themselves as professional escorts, they interact with their sugar daddies in much the same way and the safety concerns (and questions) are very similar. Ultimately, safe and sane escort work leads to happier, healthier escorts. (And happy escorts make for happy clients.) Written by an escort for escorts.

How to Make Love Like a Porn Star Jenna Jameson, Neil Strauss, 2004-08-17 When the stewardess brought me off the plane in a wheelchair, I lowered my head. I was too scared to even look at my father. I didn't want to see the disappointment and horror on his face. All that hate I had accumulated for him over the years, all the resentment against him for not understanding what I was going through, just released with the tears. So, where are your parents? the stewardess asked me after a few minutes. I can't wait here with you much longer. I looked up and wiped my eyes. My father was standing ten feet away. He didn't even recognize me. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs transformed the gawky, brace-faced Jenna Massoli into the bombshell Jenna Jameson. Today, Jenna Jameson is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager drawn into a chaotic world ruled by rape, abuse, and murder, Jenna plunged into a downward spiral of addiction, even as she became one of the most photographed women in adult magazines. Determined to overcome this past, Jenna rebounded in the adult-film business, where she encountered sadistic directors, experienced lovers of both sexes, amorous celebrities (from Howard Stern to Marilyn Manson to Tommy Lee), bitter rival starlets, and finally, glory, as she went on to become the biggest porn star the world has ever seen. But her struggle for happiness did not end when the accolades began. For years she wrestled with her resentment at her estranged father, the loneliness of growing up from the age of two without a mother, and her enduring childhood desire to find a man who could give her the security and love she never had. Her unforgettable memoir is many things at once: a shocking sexual history, an insider's guide to the secret workings of the billion-dollar adult-film industry, and a gripping thriller that probes deep into Jenna's dark past. An unparalleled exploration of sexual freedom, *How to Make Love Like a Porn Star* ventures far beyond the flesh, into the heart-shredding tragedies and adrenaline-pumping triumphs of a woman who has already lived a hundred lifetimes. Always witty and humorous even as she faces the demons of her past, Jenna offers hilarious anecdotes about one of the most controversial businesses in history, and shares outrageous advice, including her ten commandments of dating and sex, how to become a suitcase pimp, and how to make it in the business as a female (or a male). Add to this never-before-seen photographs from Jenna's private collection and others taken exclusively for this book, and the result is certain to be one of the most talked-about books of the year.
