Hijos que prosperan Andrés Panasiuk,2021-02-09 Sobre la base de la importancia de llevar a los hijos por el camino de la prosperidad integral, Andrés Pansiuk presenta una guía para los padres, y hace énfasis en que el trabajo debe comenzar desde la niñez. Hijos que prosperan explica las 12 características que los hijos deben poseer para así alcanzar la prosperidad integral. Estas son: la responsabilidad personal, el amor al trabajo, la perseverancia, el orden, la moderación, el ahorro, el amor a la libertad, la humildad, la integridad personal, el respeto a Dios y al prójimo, la generosidad y, finalmente, la sabiduría y el crecimiento continuo. Para explicar estas características, el autor sigue el mismo formato: presenta una historia ejemplificativa del tema que se va a tratar, hace preguntas para pensar en familia, presenta principios de vida, y al final coloca actividades prácticas para educar a nuestros hijos y enseñarlos a ser más sabios. Por último, explica el concepto de prosperidad integral, que no se circunscribe a la esfera económica, sino a todas las áreas de la vida: el negocio, las finanzas, el trabajo, la relación de pareja, los hijos, etc. Con la lectura de este libro, el lector obtendrá las herramientas para encauzar a sus hijos hacia la prosperidad integral, para animarlos a que tengan su Norte claro en cuanto a lo ético y moral, y

a que se enfoquen en adquirir sabiduría por sobre la inteligencia. Children Who Prosper Based on the importance of leading children on the path to integral prosperity, Andrés Pansiuk presents a guide for parents, and emphasizes that the work must begin in childhood. Children Who Prosper explains the 12 characteristics that children must possess in order to achieve integral prosperity. These are: personal responsibility, love of work, perseverance, order, moderation, thrift, love of freedom, humility, personal integrity, respect for God and neighbor, generosity, and finally, wisdom and continued growth. To explain these characteristics, the author follows the same format: he presents an exemplary story of the subject to be treated, asks questions to think about family, presents principles of life, and at the end he places practical activities to educate our children and teach them to be wiser. Finally, it explains the concept of integral prosperity, which is not limited to the economic sphere, but to all areas of life: business, finances, work, relationships, children, etc. With the reading of this book, the reader will obtain the tools to channel his or her children towards integral prosperity, to encourage them to have their North clear as far as the ethical and moral aspects are concerned, and to focus on acquiring wisdom over intelligence.

La Mujer Que Prospera Andres Panasiuk, 2010-05-04 La mujer que prospera es el infalible consejo milenario de la madre del rey Lemuel, que encontramos en Proverbios 31, aplicado a las mujeres del siglo XXI. Su enseñanza te ayudará a alcanzar la prosperidad integral, enfocándote en cinco áreas críticas de tu vida: tu relación de pareja, el desarrollo de tus habilidades personales, un carácter generoso, el legado que dejarás a tus hijos y tu relación íntima con Dios. Con la misma pasión que escribió sus otros éxitos de librería, el Dr. Andrés Panasiuk se une a la psicóloga Melvy de León y a la empresaria Nilda Pérez para ofrecer en este libro una perspectiva equilibrada y práctica orientada a la mujer de hoy, desde el punto de vista de la mujer latina. Aunque no conocemos el nombre de la sabia madre del rey Lemuel, millones de personas alrededor del mundo se han beneficiado de sus sabios consejos desde hace más de tres mil años. Sus palabras, como las de muy pocas mujeres en la historia, han quedado grabadas para siempre en los escritos sagrados de la Palabra de Dios. Un equipo ganador Andrés Panasiuk, 2021-09-28 Muchas parejas tienen serios problemas de disfunción, especialmente en el área del manejo del dinero. Pero en medio de tanto estrés y división, hay esperanza. En Un equipo ganador, el

consejero, economista y autor best seller Dr. Andrés Panasiuk muestra que hay otro camino hacia la salud financiera y cómo ser un equipo ganador. Nadie se casa para divorciarse. Sin embargo, esa es la triste realidad para el 50% de las parejas que hoy en día se comprometen a apoyarse y amarse «hasta que las deudas los separen». El alto nivel de acumulación de deudas desde finales de la década de 1990 y la liberalización del sector financiero han creado una situación en la que las parejas inician sus matrimonios con niveles muy altos de tensión financiera. Los altos niveles de estrés conducen a peleas, mentiras, egocentrismo, abuso verbal y emocional y, finalmente, a la erosión de la relación de pareja. En este libro, el Dr. Andres Panasiuk nos muestra cómo: Crear una «cultura común», lo cual juega un papel muy importante en prevenir la división de la vida financiera de la pareja Tomar un rol adecuado que es favorable para colaborar y no competir el uno con el otro Hacer un fuerte compromiso para tomar control de la vida financiera trayendo paz y orden a la economía familiar Tener un profundo entendimiento por parte de ambos del «ser» y el «hacer» del dinero Desarrollar un marco filosófico apropiado para manejar exitosamente el dinero Aplicar principios y valores al proceso de toma de decisiones financieras a nivel personal y familiar En medio de tanto dolor, hay esperanza: hay otra manera de hacer las cosas. Existe un camino probado hacia la salud financiera y la prosperidad integral. Hay un camino hacia la colaboración en lugar de la rivalidad; la sabiduría en lugar del mero conocimiento. Hay una forma de intercambiar energía por sinergia en nuestras vidas financieras, -y esto es justamente de lo que se trata este libro: de construir un exitoso equipo financiero en casa. A Winning Team Many couples have serious dysfunctional problems, especially in the area of money management. But in the midst of so much stress and division, there is hope. In A Winning Team, counselor, economist, and best-selling author Dr. Andrés Panasiuk shows that there is another path to financial health and how to be a winning team. Although no one gets married to get a divorce. However, that is the sad reality for the 50% of couples today who are committed to supporting and loving each other “until the chips are down.” The high level of debt accumulation since the late 1990s and the liberalization of the financial sector have created a situation where couples start their marriages with very high levels of financial stress. The high levels of stress lead to fighting, lying, self-centeredness, verbal and emotional abuse, and eventually the erosion of the couple's relationship. In this book, Dr. Panasiuk shows us how: Create a “common culture,” which plays a very important role in preventing the division of the couple's financial life Take an appropriate role that is collaborative and not competitive with each other Have a deep understanding by both of the “being” and “doing” of money Develop an appropriate philosophical framework to successfully manage money During so much pain, there is hope. There is a proven path to financial health and integral prosperity. There is a path to collaboration in place of competition; wisdom instead of mere knowledge.
