

White Trash Gay Porn

Steven Ruszczycky

Hipster Porn Peter Rehberg, 2022-05-08 Hipster Porn examines models of gay hipster masculinity through the lens of the gay fanzine Butt. The book reconstructs an important chapter of recent gay and queer history in order to make sense of the cultural shifts of the last 20 years in the contemporary gay world. Butt exemplifies the changing nature of gay contemporary masculinity as it marked the beginning of a new era of queer fanzines such as They Shoot Homos Don't They?, Kink, Kaiserin, and Meat reflecting a specific cosmopolitan gay lifestyle in the West of the 2000s. The new forms of masculinity and sexuality demanded new ways of thinking about gender and desire. Hipster Porn takes the aesthetics of Butt to find a way of critiquing and rearticulating key concepts from gender, queer and affect theory, and delivers new accounts of subjectivity and sociality as they apply to queer media culture. This book is suitable for researchers in gender studies, queer and masculinity studies, cultural studies, media studies, and sociology.

Secrets of a Gay Marine Porn Star Rich Merritt, 2017-05-31 YES, IT ALL REALLY HAPPENED JUST LIKE THIS... Here's the story of Rich Merritt—the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military—whose complicated sexual past caused an international scandal when The Advocate “outed” him as “The Marine Who Did Gay Porn,” putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity, of a man who refused to allow himself to be defined by the standards of anyone else—gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight and naked truth about: • What it's really like growing up behind the “Fortress of Fundamentalism” and how he ultimately came to despise their views • The harsh realities of military life under the “Don't ask, don't tell” Clinton policy • A real insider's experience of working in the male porn industry—the good, the bad, and the extremely hot • Why he chose not to reveal his porn past to the New York Times journalist • What it felt like to be the most notorious marine in the world and what it took to come through the fire By turns harrowing and heartbreaking, angry and affirming, Secrets of a Gay Marine Porn Star is that rarest of memoirs—a fascinating slice of life that reads like the most absorbing fiction, but is all true.

Porn Studies Linda Williams, 2004 In her pioneering book *Hard Core*, Linda Williams put moving-image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres. Now, fifteen years later, she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching. *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed. With revenues totaling between ten and fourteen billion dollars annually—more than the combined revenues of professional football, basketball, and baseball—visual, hard-core pornography is a central feature of American popular culture. It is time, Williams contends, for scholars to recognize this and give pornography a serious and extended analysis. The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core. Contributors examine varieties of pornography from the tradition of the soft-core pin-up through the contemporary hard-core tradition of straight, gay, and lesbian videos and DVDs to the burgeoning phenomenon of pornography on the Internet. They explore, as examples of the genre, individual works as divergent as *The Starr Report*, the pirated Tommy Lee/Pamela Anderson honeymoon video, and explicit Japanese ladies' comics consumed by women. They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant-garde. To take pornography seriously as an object of analysis also means teaching it. *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form. Contributors: Heather Butler, Rich Cante, Jake Gerli, Minette Hillyer, Nguyen Tan Hoang, Despina Kakoudaki, Franklin Melendez, Ara Osterweil, Zabet Patterson, Constance Penley, Angelo Restivo, Eric Schaefer, Michael Sicinski, Deborah Shamon, Maria St. John, Tom Waugh, Linda Williams

Not Gay Jane Ward, 2015-07-31 A different look at heterosexuality in the twenty-first century A straight white girl can kiss a girl, like it, and still call herself straight—her boyfriend may even encourage her. But can straight white guys experience the same easy sexual fluidity, or would kissing a guy just mean that they are really gay? *Not Gay* thrusts deep into a world where straight guy-on-guy action is not a myth but a reality: there's fraternity and military hazing rituals, where new recruits are made to grab each other's penises and stick fingers up their fellow members' anuses; online personal ads, where straight men seek other straight men to masturbate with; and, last but not least, the long and clandestine history of straight men frequenting public restrooms for sexual encounters with other men. For Jane Ward, these sexual practices reveal a unique social space where straight white men can—and do—have sex with other straight white men; in fact, she argues, to do so reaffirms rather than challenges their gender and racial identity. Ward illustrates that sex between straight white men allows them to leverage whiteness and masculinity to authenticate their heterosexuality in the context of sex with men. By understanding their same-sex sexual practice as meaningless, accidental, or even necessary, straight white men can perform homosexual contact in heterosexual ways. These sex acts are not slippages into a queer way of being or expressions of a

desired but unarticulated gay identity. Instead, Ward argues, they reveal the fluidity and complexity that characterizes all human sexual desire. In the end, Ward's analysis offers a new way to think about heterosexuality—not as the opposite or absence of homosexuality, but as its own unique mode of engaging in homosexual sex, a mode characterized by pretense, dis-identification and racial and heterosexual privilege. Daring, insightful, and brimming with wit, *Not Gay* is a fascinating new take on the complexities of heterosexuality in the modern era.

The Feminist Porn Book Tristan Taormino, Constance Penley, Celine Shimizu, Mireille Miller-Young, 2013-02-19 The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving.

De-Centering Sexualities David Shuttleton, Diane Watt, Richard Phillips, 2000 This book of critical rural geography breaks new ground by drawing attention to sex and sexualities outside the metropolis. It explores sexualities and sexual experiences in a variety of rural and marginal spaces with international contributions from a wide range of disciplines. These include: literary and cultural studies, lesbian and gay studies, geography, history and law. Among the topics uncovered are: * a lesbian in rural England * sexual life in rural Wales * sexuality in rural South Africa * scandal in the American South: sex, race and politics * nature and homosexuality.

Perversion for Profit Whitney Strub, 2011 *Perversion for Profit* traces the crucial function of pornography in constructing the New Right agenda, which has emphasized social issues over racial and economic inequality. Whitney Strub vividly recreates the debates over obscenity that consumed ACLU members in the 1950s and revisits the deployment of obscenity charges against purveyors of gay erotica during the Cold War, revealing the differing standards applied to heterosexual and homosexual pornography. He follows the rise of the influential Citizens for Decent Literature during the 1960s and the pivotal events that followed: the sexual revolution, feminist activism, the rise of the gay rights movement, the porno chic moment of the early 1970s, and resurgent Christian conservatism, which currently shapes public policy far beyond the issue of sexual decency. Strub also examines the ways in which the Left failed to mount a serious or sustained counterattack to the New Right's use of pornography as a political tool. As he demonstrates, this failure has put the Democratic Party at the mercy of Republican rhetoric for decades.

Porn on the Couch Ricky Varghese, 2023-03-21 This book considers pornography as a bridge between screen cultures and screen memories. The screen as a conceptual apparatus, in both pornographic production/ viewership and psychoanalysis, becomes important to unpack as such— what does the screen hold in with respect to desire and pleasure? What does it keep out? Are sex and memory interconnected? And if so, what is the status of memory as it informs sexual choices, practices, and fantasies and, thereby, informs the use of porn? Following Eve Kosofsky Sedgwick, might there be the possibility for a reparative or redemptive reading of pornography that is informed by a psychoanalytic emphasis on the study of desire? Who or what are the subjects and objects of desire in the visual field of pornography? What sorts of psychoanalytic

readings are possible of pornographic texts (in any media) and to what end might we undertake such an interpretative approach? How do well- worn psychoanalytic categories, such as loss, lack, mourning, melancholia, attachment, trauma, and the fetish, inform pornographic interpellation in both the producer and viewer? What are the ethical and methodological implications connected to thinking psychoanalytically about pornography? These are but some of the questions that this collection of essays explores. It will be of interest to researchers and advanced students of media and cultural studies, sociology, psychology, and mental health. This book was originally published as a special issue of the journal, Porn Studies.

Pornography Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually, culturally, and economically. Divided into two sections, this book covers important debates on the topic and traces the evolution of pornographic film, including comparing its development to that of Hollywood cinema.

Vulgar Genres Steven Ruszczycky, 2022-01-11 Vulgar Genres examines gay pornographic writing, showing how literary fiction was both informed by pornography and amounts to a commentary on the genre's relation to queer male erotic life. Long fixated on visual forms, the field of porn studies is overdue for a book-length study of gay pornographic writing. Steven Ruszczycky delivers with an impressively researched work on the ways gay pornographic writing emerged as a distinct genre in the 1960s and went on to shape queer male subjectivity well into the new millennium. Ranging over four decades, Ruszczycky draws on a large archive of pulp novels and short fiction, lifestyle magazines and journals, reviews, editorial statements, and correspondence. He puts these materials in conversation with works by a number of contemporary writers, including William Carney, Dennis Cooper, Samuel Delany, John Rechy, and Matthew Stadler. While focused on the years 1966 to 2005, Vulgar Genres reveals that the history of gay pornographic writing during this period informs much of what has happened online over the past twenty years, from cruising to the production of digital pornographic texts. The result is a milestone in porn studies and an important contribution to the history of gay life.

Bigger Than Life Jeffrey Escoffier, 2010-10-19 Hardcore porn - both the straight and gay varieties - entered mainstream American culture in the 1970s as the sexual revolution swept away many of the cultural inhibitions and legal restraints on explicit sexual expression. The first porn movie ever to be reviewed by Variety, the entertainment industry's leading trade journal, was Wakefield Poole's *Boys in the Sand* (1971), a sexually-explicit gay movie shot on Fire Island with a budget of \$4000. Moviegoers, celebrities and critics - both gay and straight - flocked to see *Boys in the Sand* when it opened in mainstream movie theaters in New York, Los Angeles and San Francisco. Within a year, *Deep Throat*, a heterosexual hardcore feature opened to rave reviews and a huge box office - exceeding that of many mainstream Hollywood features. Almost all of those involved in making "commercial" gay pornographic movies began as amateurs in a field that had virtually never existed before, either as art or commerce. Many of their "underground" predecessors had repeatedly suffered arrest and other forms of legal harassment. There was no developed gay market and any films made commercially were shown in

adult x-rated theaters. After the Stonewall riots and the emergence of the gay liberation movement in 1969, a number of entrepreneurs began to make gay adult movies for the new mail order market. The gay porn film industry grew dramatically during the next thirty years and transformed the way men - gay men in particular - conceived of masculinity and their sexuality. Bigger Than Life tells that story.

Porn After Porn Aa. Vv., 2014-12-19T00:00:00+01:00 After the “digital turn,” expansion of sexual representations has taken shape quantitatively (thanks to the multiplication of production and distribution channels) and qualitatively (giving rise to a plurality of new representational forms). In this context, several social groups – including women and non-normative sexual subcultures – have obtained full citizenship rights within the “pornosphere,” moving beyond their traditional marginalization or, indeed, exclusion. These “nonconventional” pornographies exist in a dialectical relationship with mainstream production in so far as they are at the same time a development and a repudiation of the latter (on an aesthetic, economic and political level). This volume investigates the emergences of alternative pornographies, highlighting their discursive heterogeneity, their cultural status and connections to identities and non-normative practices, and their role in redefining the very idea of pornography. The publication maps the main areas relating to alternative pornographies, such as alt porn, queer pornography, indie porn, post porn, feminist pornography, and amateur porn. With a foreword by Feona Attwood

Matters of Inscription Christina A. León, 2024-08-13 *Matters of Inscription: Reading Figures of Latinidad* argues that Latinx inscriptions require us to read at the edge of materiality and semiosis, charting a nimble method for reading various forms of Latinx marks and even the word Latinx across art, performance, poetry, plays, and fiction--

A View from the Bottom Tan Hoang Nguyen, 2014-07-29 *A View from the Bottom* offers a major critical reassessment of male effeminacy and its racialization in visual culture. Examining portrayals of Asian and Asian American men in Hollywood cinema, European art film, gay pornography, and experimental documentary, Nguyen Tan Hoang explores the cultural meanings that accrue to sexual positions. He shows how cultural fantasies around the position of the sexual bottom overdetermine and refract the meanings of race, gender, sexuality, and nationality in American culture in ways that both enable and constrain Asian masculinity. Challenging the association of bottoming with passivity and abjection, Nguyen suggests ways of thinking about the bottom position that afford agency and pleasure. A more capacious conception of bottomhood—as a sexual position, a social alliance, an affective bond, and an aesthetic form—has the potential to destabilize sexual, gender, and racial norms, suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame. Thus reconceived, bottomhood as a critical category creates new possibilities for arousal, receptiveness, and recognition, and offers a new framework for analyzing sexual representations in cinema as well as understanding their relation to oppositional political projects.

Rage Lester Fabian Brathwaite, 2024-09-10 A debut book from Entertainment Weekly writer and former Out magazine editor Lester Fabian Brathwaite, *Rage* is a darkly comedic exploration of Blackness, queerness, and the American Dream, at a time when creative anger feels like the best response to inequality. One romantic hopeful had greeted Lester Fabian Brathwaite on a dating app with this gem: “You into race play?” Being young, queer, gifted, and Black, Lester has found that his best tool for navigating American life is gallows humor. If you don’t laugh, you cry—or, you summon your inner rage. With biting wit, Lester’s book *Rage* interrogates all the ways that systemic racism and homophobia have shaped our society. All to pose that proverbial question: Can a gurl live? *Rage* is one part memoir, one part cultural critique, one part live grenade. He contrasts his tragic-comedic love life with the ideals he had formed from bingeing (straight, white) Hollywood depictions. And he is quick to side-eye the misogyny and internalized homophobia that some people reveal in statements like “masc for masc” on dating profiles. Lester also dives deep into representations of queer life from RuPaul’s *Drag Race* to *The Birdcage* (Robin Williams was a snack in Versace), and explores our cultural understanding of Black genius through stories of James Baldwin, Whitney Houston, and Nina Simone. Lester’s razor-sharp voice, coupled with his searing social commentary on topics such as dating, rejection, racism, sexuality, identity, and more, offer an increasingly divided world an engaging and original read.

One Nation, Two Cultures Gertrude Himmelfarb, 2001-01-30 From one of today’s most respected historians and cultural critics comes a new book examining the gulf in American society—a division that cuts across class, racial, ethnic, political and sexual lines. One side originated in the tradition of republican virtue, the other in the counterculture of the late 1960s. Himmelfarb argues that, while the latter generated the dominant culture of today—particularly in universities, journalism, television, and film—a dissident culture continues to promote the values of family, a civil society, sexual morality, privacy, and patriotism. Proposing democratic remedies for our moral and cultural diseases, Himmelfarb concludes that it is a tribute to Americans that we remain one nation even as we are divided into two cultures.

Public Sex Patrick Califia, 2000 A chronicle of the radical sex movement in the United States covers sexual practices, gay and lesbian activism, feminism, censorship, and other important issues. Original.

Public Sex Pat Califia, 2000-07-01 The most intelligent and outspoken commentator on sexual politics writing today, Pat Califia has been fuming and fussing about censorship and the rights of perverts for more than two decades. Whether writing about gender bending and transsexuality, lesbian relationships, S/M and leather sex, sex between lesbians and gay men, eroticizing latex and safer sex, prostitution, or sex in public, Califia’s essays—clear consistent, provocative and eminently readable—set the standard for writing about sex.

Porno feminista Tristan Taormino, Constance Penley, Celine Parreñas Shimizu, Mireille Miller-Young, 2020-08-01 Una apasionada defensa de la pornografía con enfoque feminista. Un análisis crítico sobre la relación entre trabajo sexual e ideología. «Esta nueva antología se retira completamente de la pantalla para situarse en la fábrica donde se produce el

porno. Intérpretes y productores, junto con académicos, proponen un análisis compartido no sólo sobre lo que significa mirar imágenes de actividad sexual de adultos, sino también lo que significa crearlas.» The Guardian

Another Country Scott Herring, 2010-06-01 The metropolis has been the near exclusive focus of queer scholars and queer cultures in America. Asking us to look beyond the cities on the coasts, Scott Herring draws a new map, tracking how rural queers have responded to this myopic mindset. Interweaving a wide range of disciplines—art, media, literature, performance, and fashion studies—he develops an extended critique of how metronormativity saturates LGBTQ politics, artwork, and criticism. To counter this ideal, he offers a vibrant theory of queer anti-urbanism that refuses to dismiss the rural as a cultural backwater. Impassioned and provocative, *Another Country* expands the possibilities of queer studies beyond its city limits. Herring leads his readers from faeries in the rural Midwest to photographs of white supremacists in the deep South, from Roland Barthes's obsession with Parisian fashion to a graphic memoir by Alison Bechdel set in the Appalachian Mountains, and from cubist paintings in Lancaster County to lesbian separatist communes on the northern California coast. The result is an entirely original account of how queer studies can—and should—get to another country.

The Engaging Realm of Kindle Books: A Comprehensive Guide Unveiling the Pros of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and simplicity of access, have freed readers from the constraints of hardcopy books. Gone are the days of carrying bulky novels or carefully searching for particular titles in bookstores. E-book devices, sleek and portable, seamlessly store an wide library of books, allowing readers to indulge in their favorite reads whenever, anywhere. Whether traveling on a busy train, relaxing on a sun-kissed beach, or just cozying up in bed, E-book books provide an exceptional level of ease. A Reading Universe Unfolded: Discovering the Vast Array of E-book White Trash Gay Porn White Trash Gay Porn The Kindle Shop, a digital treasure trove of literary gems, boasts an wide collection of books spanning varied genres, catering to every readers taste and preference. From gripping fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the Kindle Shop offers an exceptional abundance of titles to discover. Whether seeking escape through engrossing tales of fantasy and exploration, diving into the depths of historical narratives, or expanding ones understanding with insightful works of scientific and philosophical, the E-book Store provides a gateway to a bookish universe brimming with limitless possibilities. A Revolutionary Factor in the Bookish Scene: The Lasting Impact of E-book Books White Trash Gay Porn The advent of Kindle books has certainly reshaped the bookish scene, introducing a model shift in the way books are published, distributed, and read. Traditional publication houses have embraced the digital revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a surge in the accessibility of Kindle titles, ensuring that readers have entry to a wide array of bookish works at their fingers. Moreover,

Kindle books have democratized access to books, breaking down geographical barriers and providing readers worldwide with similar opportunities to engage with the written word. Regardless of their location or socioeconomic background, individuals can now immerse themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience White Trash Gay Porn E-book books White Trash Gay Porn, with their inherent ease, flexibility, and wide array of titles, have undoubtedly transformed the way we experience literature. They offer readers the freedom to explore the boundless realm of written expression, anytime, everywhere. As we continue to travel the ever-evolving online scene, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.

White Trash Gay Porn Introduction

In this digital age, the convenience of

accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading White Trash Gay Porn free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has

something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading White Trash Gay Porn free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading White Trash Gay Porn free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading White Trash Gay Porn. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg,

Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading White Trash Gay Porn any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About White Trash Gay Porn Books

What is a White Trash Gay Porn PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a White Trash Gay Porn PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows

you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a White Trash Gay Porn PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a White Trash Gay Porn PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a White Trash Gay Porn PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there

any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
