Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say ... **Is it true that "tuppence" refers to a woman's vagina in British ...** Another word for a females Vagina. A man has a winkle and a woman has a tuppence. On one hand, those are two presumably independent contributors giving the same definition. On the ... **Do you need the "why" in "That's the reason why"? [duplicate]** Relative why can be freely substituted with that, like any restrictive relative marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of ... **Contextual difference between "That is why" vs "Which is why"?** Thus we say: You never know, which is why... but You never know. That is why... And goes on to explain: There is a subtle but important difference between the use of that and which in a ... **Why is "pineapple" in English but "ananas" in all other languages?** Nov 7, 2013 · The question is: why did the English adapt the name pineapple from Spanish (which originally meant pinecone in English) while most European countries eventually adapted the ...
