George Washington on Screen Leigh Ehlers Telotte, 2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington. While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s, far less attention has been paid to portrayals of the first presidency and the character of George Washington in film, television and other formats. This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen. Divided into two parts, the book begins with an analysis of how the Washington character has evolved through time and screen media, from early silent films to modern multimedia products. In Part II, a filmography documents each piece of screen media that features a representation of Washington. It includes silent films, theatrical films, cartoons, television and screen media from the 21st century, such as streaming, video games and multimedia presentations. Arranged alphabetically, each entry includes format type, production details, crew and cast lists and a brief description of Washington's character in relation to the plot.

The Avatar Television Franchise Francis M. Agnoli, 2022-12-29 Nickelodeon's Avatar: The Last Airbender (2005-08) and its sequel The Legend of Korra (2012-14) are among the most acclaimed and influential U.S. animated television series of the 21st century. Yet, despite their elevated status, there have been few academic works published about them. The Avatar Television Franchise: Storytelling, Identity, Trauma, Fandom and Reception remedies this gap by bringing together a wide

range of scholarly writings on these shows. This edited collection is comprised of 13 chapters organized into 4 sections, featuring close readings of key episodes, analyzing how they create meaning as well as illustrating how established theories can guide those readings. Some chapters explore different theories relating to identity as well as considering the repercussions of depicting real-world identities in these shows, while others examine the various manifestations of trauma from throughout the franchise as well as illustrates different scholarly approaches to the topic. Still others utilize fan studies to understand the myriad ways viewers have responded to and interpreted the Avatar franchise.

Cross-Examined Films Matthew King, 2017-12-06 After spending nearly a quarter of a lifetime watching popular and independent films, Matthew King, RN, makes a point to criticize the Christian church for its lack of engagement with films. He believes that the lack of engagement and the strong denunciation of films only because of their sexual or violent content has lost an entire generation because of the inability to speak the millennial language of popular Hollywood films. With searing prose and biting confrontation, King attempts to engage films through the lens of theology, philosophy, and political analysis to assist the church in identifying positive as well as negative examples of the topics within to better engage an entire generation. Through this investigation, Christians and non-Christians alike will be both enlightened and surprised at what popular films have unconsciously taught them from a young age.

Deconstructions Nicholas Royle, 2017-03-10 Deconstructions: A User's Guide is a new and unusual kind of book. At once a reference work and a series of inventive essays opening up new directions for deconstruction, it is intended as an authoritative and indispensable guide. With a helpful introduction and specially commissioned essays by leading figures in the field, Deconstructions offers lucid and compelling accounts of deconstruction in relation to a wide range of topics and discourses. Subjects range from the obvious (feminism, technology, postcolonialism) to the less so (drugs, film, weaving). Backed up by an unusually detailed index, this User's Guide demonstrates the innumerable and altering contexts in which deconstructive thinking and practice are at work, both within and beyond the academy, both within and beyond what is called 'the West'.

Those Thrilling Yarns of Yesteryear Carl "Bud" Paepcke, 2025-08-21 In this fourth book in a series of amazingly colorful short stories, this Marine veteran of the Vietnam War and retired FBI agent continues to masterfully paint many more vivid pictures of his own personal life experiences plus gripping incidents from American history, as well as many fascinating people encountered along life's journey. When telling his stimulating stories the author usually keeps the reader in suspense without revealing the identities of the main characters until the very end. Meticulously recounting his factual, not fictional, "yarns," this proud American patriot unashamedly waves the flag and freely expresses his steadfast love for God and country.

Eva's Cousin Sibylle Knauss, 2003 Berchtesgaden, Germany, is a beautiful place, set among the gentle meadow-clad hills

rising to the sheer heights of bare Alpine peaks. It is here where an elderly woman arrives and recollects her past--and her peripheral role in a chapter of world history. She walks along a beaten path, which has come into being because so many tourists have ventured this way . . . to see something that exists only in her memory. In the summer of 1944, twenty-year-old Marlene is thrilled when her older, more glamorous cousin, Eva Braun, Adolph Hitler's mistress, invites her to come to the Fuhrer's Bavarian mountain retreat. Against her father's wishes, Marlene accepts, and immediately sets forth to Berghof. There, while Hitler is away desperately trying to turn the tides of war, Marlene finds herself in a strange paradise, a world of opulence and imminent danger, of freedom and surveillance. The two women sneak off and skinny-dip in a nearby-lake, watch films in the Fuhrer's private cinema, and flirt with the SS officers at the dinner table--one of whom will become Marlene's first lover. Initially delighted by Eva's attentions, Marlene later tries to understand the elusive connection between her cousin and the man she loves. In quiet defiance, she begins to commit her own acts of subversion, which include listening to BBC radio broadcasts, forbidden by the Fuhrer. But a clandestine mission of mercy will force her to question her allegiance to both her cousin and her country--and to face the chilling reality that exists outside her sheltered world. Based on the true experiences of Eva Braun's cousin, Gertrude Weisker, who has shared her memories with Sibylle Knauss after more than fifty years of silence, *Eva's Cousin* is a novel that illuminates the banality of the domestic face of evil. It casts a special light on the profound questions of innocence and complicity that still haunt much of the world today. From the Hardcover edition.

Beautiful Light Roy M. Anker, 2017-05-24 Though religious films usually don't get much respect in Hollywood, religion still regularly finds its way into the movies. In *Beautiful Light* Roy Anker seeks out the often unnoticed connections between film and religion and shows how even films that aren't overtly religious or Christian in their content can be filled with deep religious insights and spiritual meaning. Closely examining nine critically acclaimed films, including *Magnolia*, *The Apostle*, *American Gigolo*, and M. Night Shyamalan's *Wide Awake*, Anker analyzes the ways in which these movies explore what it means to be human—and what it means, as human beings, to wrestle with a sometimes unwieldy divine presence. Addressing questions of doubt and belief, despair and elation, hatred and love, Anker's work sheds beautiful light on some of Hollywood's most profound and memorable films.

Declining, Yet Shining Richard L. Morgan, 2009-04-01 This book shows how the Bible offers timeless wisdom for any age, but has special guidance for older people. Author Richard Morgan has chosen 120 Scripture readings, in tribute to Moses--recorded as living one hundred and twenty years when he died--and written a series of reflections on Bible characters whose experience of aging speaks across the centuries to us today. Author Jane Marie Thibault asks the question, Would you accept the gift of 120 years with joy and gratitude, or would you respond according to your circumstances? . . . For the first time in the history of humankind many of us may have the opportunity to live that long. We can reasonably expect that we will soon

accept the gift of 120 years. Is this good news or bad news for you? Medical science has extended our years and given us longevity, but medical science cannot give us meaning for these years. The meditations in this book offer stories of older Biblical men and women, like Abraham and Sarah, Elizabeth and Zechariah, Simeon and Ann, who offer wisdom on how to find meaning in these later years. Morgan's book would be good reading for older adults and those who have not yet had to face the challenges of the later years. Its wisdom offers the prayer, May you die young at a very old age.

Not Alone Lynn Donovan, Dineen Miller, 2013-10-10 Moms who are the sole spiritual leader in their home wonder if their influence is enough to impact the spiritual lives of their children. *Not Alone* is encouragement and wisdom for spiritually mismatched moms, whether they are married to a non-Christian, single, divorced or navigating the challenges of a blended family. It is possible to raise children who have a vibrant relationship with Christ. Their insights and stories will help mothers understand how God helps moms do their part and can trust Him to do His. Plus, *Not Alone* includes practical steps to instill children with faith.

Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history, dynamics, and influence of evangelicalism in recent American history, politics, and culture. Readers of *Evangelical America: An Encyclopedia of Contemporary American Religious Culture* will learn the answers to these questions and many more through this single-volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture. Join Jon and Danny as they take a funny and nostalgic look at Britishness at the beach, amusement in the arcades, and friendship on the road.

Seven Minutes in the Warsaw Ghetto and With Raised Hands Richard Raskin, 2013-11-08 *Seven Minutes in the Warsaw Ghetto* is a short stop-motion puppet film that has won awards at international film festivals in a number of countries and has been included in the official selection of more than 120 festivals around the world, from Buenos Aires to Hiroshima. Dealing as it does in less than eight minutes with a subject that is meaningful both in a historical perspective and in relation to

present day horrors, *Seven Minutes in the Warsaw Ghetto* would be an ideal resource in such courses as media studies, history and English. Included in this e-book are: • a shot-by-shot breakdown of the film, with at least one still from every shot; • notes of intention by screenwriter Richard Raskin and director Johan Oettinger, as well as producer Ellen Riis's informative description of the production process; • the brief written record of the actual event which inspired this film; • a chronological overview and fact-sheet concerning the Warsaw Ghetto, from 1939 to its destruction in 1943; • a presentation of a well-known iconic photograph that played a role in the making of this film. This e-book also provides a basis for comparing *Seven Minutes in the Warsaw Ghetto* with another prize-winning short film also portraying a boy trapped in the Warsaw Ghetto: Mitko Panov's unforgettable *With Raised Hands*. In addition to providing the resources mentioned above, the e-book also proposes a number of questions for close study of the film, and which are designed to inspire reflection rather than pointing to one correct answer.

You're Not Alone Michelle Dana Mason Fulton, 2023-01-19 This book is not just a single story from one person; it covers a vast cross section of both bereaved mothers and fathers, from all backgrounds. This highlights to the reader (if they have experienced loss) that they are not alone. They are given a community of support to help strengthen themselves against feelings of shame, guilt, depression, and isolation. They are given ideas about what might help them to manage their pain, and give them hope that the vastness of the despair they feel will not always engulf them so wholly. Not only does the book address aiding those who are grieving, but also, in donated proceeds, it helps to fund the research that will reduce these tragic instances in the future.
