**Saturn Returns** Caggie Dunlop, 2023-01-19 'Comforting, wise and so empowering.' Kirsty Gallagher, author of bestseller Lunar Living 'A beautiful, vulnerable and cosmic journey through Caggie's life, lessons and love.' Steven Bartlett, author of Happy Sexy Millionaire What if there was a simple explanation for the turbulence and challenges of your twenties? What if

In *Saturn Returns*, Caggie Dunlop and astrologer Noura Bourni, unpack the astrological phenomenon that holds the answers to these all-important questions. Your Saturn Return occurs in your late twenties as the planet Saturn re-enters the position it was in when you were born. Inspired by her hugely popular podcast, *Saturn Returns* helps you to see the meaning in the madness of your twenties. **Too Much** Terri Cole, MSW, LCSW, 2024-10-15 An empowering new take on codependent behavior, revealing the underlying reasons we struggle with doing it all—and the path to recovery and freedom. Are you the person everyone comes to when they're in a jam? Do you regularly accommodate others' needs and preferences? Does it feel like chaos will ensue if you don't handle the travel plans, divvy up the check at group dinners, sort out your friend's latest crisis, and so on? If these questions resonate, the odds are good that you are one of the over-giving, over-extending individuals struggling with what psychotherapist and boundary expert Terri Cole has termed high-functioning codependency (HFC). When you hear the word codependent, you might think of the traditional enabler framework involving a hapless victim and their selfless rescuer. Terri certainly did. But after years in her therapy practice, she realized that many of her clients were presenting codependent behaviors that fell outside of the classic model. The ironic truth with HFC is that the more capable you are the more codependency doesn't look like codependency. In *Too Much*, you'll discover how to identify your HFC blueprint (or why you relate to others the way you do), the source of the attraction between codependents and narcissists, and how to cultivate emotional resiliency, practice real self-care, and much more. Each chapter includes tips, self-assessments, and exercises to help you transform how you see yourself and the world, avoid relapses, and stay centered in your own experience so that you can relate to others in a healthier way. "How you feel, what you think, what you want matters. In fact, those things need to matter to you the most," writes Terri. "By choosing the path of healing and recovery, you are coming home to yourself." Here is a book for making the shift "from too much to just right," so you can live a life that's full of authenticity, freedom, and joy.

Sovereign Love Dené Logan, MFT, 2024-05-28 From couples therapist Dené Logan comes a new perspective on understanding our inner masculine and feminine energetics as the key to experiencing fulfillment in our partnerships. Does something feel off about your intimate relationships? If you haven't been able to pin down exactly what, you aren't alone. While attempting to connect the dots of her own experience to the patterns she observes within the relationships of her clients, couples therapist Dené Logan came to a vital understanding in the search for relational fulfillment: the answer often lies in the inherent interplay of the masculine and feminine energy that everyone possesses. Both masculine and feminine polarities are present in every person and relationship. When we're out of touch with the energetics within ourselves and those around us, it can create an internal struggle and sense of disharmony in our partnerships. "Understanding these dynamics is the key to ending the unspoken war of the sexes that plays out far too often in our relationships," Logan says. Thankfully, we have the power to work with these polarities, first within ourselves, and then within our relationships. In *Sovereign Love*, Logan helps us understand how to integrate masculine and feminine energetics so we can move away from the codependent, transactional views of what relationships "should" be, toward an interdependent, mutually balanced state where both partners are present, self-aware, and strong in Self. Here you'll discover: • What energetics you've been operating from and why • The polarities that are being created in your partnerships • How to take personal responsibility for shifting your own energy to a more integrated place Logan shares revelations and techniques to support you in experiencing the wholehearted, satiating kind of love that is rooted in self-awareness and interdependence. "By unpacking the historical, cultural, and highly individual reasons why we love the way we do," she explains, "we can understand our motivations and consciously choose to love in a way that serves our growth, our values, and our personal sovereignty."

*Code Name Badass* Heather Demetrios, 2022-09-06 To say Virginia 'Dindy' Hall was ambitious would be an understatement. She was that girl at your high school who makes everyone else look like a slacker, no matter how hard they're working. But how many of them can say they've been on Nazi Germany's Most Wanted list? At a time when most women were expected to become wives and mothers, Virginia craved adventure. And with the world gearing up for a second World War, this fearless woman knew that she had to find a way to get involved. When the State Department proved to be a sexist boy's club that wouldn't allow her in, she went to England to join their Special Operations unit, which was more than

happy to hire this talented, brilliant woman. Even after a terrible accident left her needing a wooden leg, she remained undeterred. Soon Virginia became an essential part of the Allied mission and the French Resistance, earning the dangerous honor of being named 'the most dangerous of all Allied spies' by the Gestapo--Provided by publisher.

**Happy Lies** Melissa Dougherty, 2025-01-28 In this groundbreaking book, popular apologist Melissa Dougherty helps us understand how our society got to be so toxically subjective, why endless positivity is inherently destructive, and how we can live with faithful truth and genuine love in these self-obsessed times. Melissa Dougherty skillfully diagnoses the issue and provides the cure: the authentic and life-giving truth of the Christian worldview. - Wesley Huff Have you ever wondered how we ended up in a world where personal feelings could become the authority for reality? Or why so many of us are on a relentless pursuit for happiness yet somehow feel more exhausted and sadder than ever? You're not alone. Melissa deftly traces the roots of today's social chaos back to a little-known (but very influential) 1800s philosophy known as New Thought. A former follower of its teachings, Melissa provides clarity and compassion mixed with a dash of loving snark as she exposes New Thought's deceptions and its many concerning tendrils within the church and our self-help culture. You'll be shocked, grieved, and encouraged as you learn: How you can experience true freedom, hope, and peace instead of the world's counterfeits How an anti-God ideology so easily hijacked Christian-sounding ideas Why thinking positively is entirely different from the unbiblical and burdensome positive thought movement Why fake authenticity short-circuits real redemption How understanding the New Thought mindset can help us share our faith more effectively Uncover a dangerous ideology that nearly everyone has met, yet few of us can name, in order to better understand our culture and joyfully live faithful to the gospel that is so much better than our world's Happy Lies.

**Untamed: Reese's Book Club** Glennon Doyle, 2020-03-10 #1 NEW YORK TIMES BESTSELLER • OVER THREE MILLION COPIES SOLD! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* A BEST BOOK OF THE YEAR: Oprah Daily, The Washington Post, Cosmopolitan, Marie Claire, Bloomberg, Parade This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: *There She Is*. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

**Cultural Counterfeits** Jen Oshman, 2022-03-03 Jen Oshman Helps Women Reject Idols and Discover God's Good Purpose for Their Lives In today's culture, women and girls are influenced by idols that promise purpose and meaning for their lives—outward beauty and ability, sex, abortion, and gender fluidity. Christian women aren't exempt from these temptations either, and can even elevate good things like marriage and motherhood to the status of idolatry. Women may sense that these idols are hollow and leave them feeling unsettled, but where should they turn instead? In *Cultural*

Counterfeits, Jen Oshman encourages women to reject the empty, destructive promises these idols offer and embrace something much more satisfying. She casts a vision for women to experience real hope and peace in Jesus, calling them to recognize their unshakable and eternal identities in him. This timely and compelling resource will help women find freedom and joy as they explore God's good design and purpose for their lives. Culturally Relevant: Addresses current topics such as the #MeToo movement, LGBTQIA+, social media, and feminism Explains How We Got Here: Gives a brief history of the sexual revolution up to today Written by Jen Oshman: Author of Enough about Me: Find Lasting Joy in the Age of Self For Group or Individual Study: Includes discussion questions at the end of each chapter

*The Crosses I've Carried* Melanie Clark, 2025-04-16 My mother always said, God doesn't give crosses to those who cannot carry them. This is the raw, true life story of the crosses I've carried starting at the age of eighteen. I shared a forbidden love with my high school sweetheart, like Romeo and Juliet, and it ended just as tragically to a game called Trust. I was diagnosed with breast cancer at the age of twenty-four. I went through marriage, cheating, and divorce. I experienced COVID-19 and the pain it plagued my family with. I have carried the weight of the world on my shoulders, and through it all, I have struggled with choices I've made and learned that holding on to pain is a terrible way to live.
