

Fifty Shades Of Grey Fanfic

Navneet Singh

Fic Anne Jamison,2013-11-26 What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology—about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, Fic sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the literary landscape, but how it already has. Fic features a foreword by Lev Grossman (author of The Magicians) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings. Cyndy Aleo (algonquint; d0tpark3r) V. Arrow (aimmyarrowshigh) Tish Beaty (his_tweet) Brad Bell Amber Benson Peter Berg (Homfrog) Kristina Busse Rachel Caine Francesca Coppa Randi Flanagan (BellaFlan) Jolie Fontenot Wendy C. Fries (Atlin Merrick) Ron Hogan Bethan Jones Christina Lauren (Christina Hobbs/tby789 and Lauren Billings/LolaShoes) Jacqueline Lichtenberg Rukmini Pande and Samira Nadkarni Chris Rankin Tiffany Reisz Andrew Shaffer Andy Sawyer Heidi Tandy (Heidi8) Darren Wershler Jules Wilkinson (missyjack) Jen Zern (NautiBitz)

The Fanfiction Reader Francesca Coppa,2017-03-02 Written originally as a fanfiction for the series Twilight, the popularity of Fifty Shades of Grey has made obvious what was always clear to fans and literary scholars alike: that it is an essential human activity to read and retell epic stories of famous heroic characters. The Fanfiction Reader showcases the extent to which the archetypal storytelling exemplified by fanfiction has continuities with older forms: the communal tale-telling cultures of the past and the remix cultures of the present have much in common. Short stories that draw on franchises such as Star Trek, Star Wars, Doctor Who, James Bond, and others are accompanied by short contextual and analytical essays wherein Coppa treats fanfiction—a genre primarily written by women and minorities—as a rich literary tradition in which non-mainstream themes and values can thrive.

Canon Fanfiction Christine Schott,2023-01-30 Several scholarly fields investigate the reuse of source texts, most relevantly adaptation studies and fanfiction studies. The limitation of these two fields is that adaptation studies focuses narrowly on retelling, usually in the form of film adaptations, but is not as well equipped to treat other uses of source

material like prequels, sequels, and spinoffs. On the other hand, fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon. This book sits in the gap between these fields, discussing published novels and their contribution to the scholarly engagement with their pre- and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom.

ReadUp Free FanFiction Books: Exploring the World of Unconventional Storytelling Navneet Singh, Chapter 1: The Rise of Fanfiction Introduction to Fanfiction: What is fanfiction? An explanation for newcomers. A brief history of fanfiction: How it all started and how it evolved into a massive online phenomenon. The power of fandoms: What makes fanfiction communities so special? The Different Types of Fanfiction: Canon-compliant vs. AU (Alternate Universe) stories. Slash fiction, gender swaps, and original characters. The diversity of genres in fanfiction: From romance to fantasy to horror. Chapter 2: ReadUp and Its Role in the Fanfiction Community What is ReadUp? Introduction to the platform, its purpose, and how it's designed to help authors publish and readers discover. Why ReadUp focuses on free fanfiction books: The democratization of creativity. User Interface and Experience: A breakdown of ReadUp's website and app interface. How to navigate through ReadUp and find free fanfiction books. Key features: Comment sections, ratings, and the community's interaction with the stories. How ReadUp Supports Fanfic Authors: Self-publishing tools and resources. Monetization opportunities, if any (like donations or exclusive content). The freedom to write without editorial constraints. Chapter 3: Why Read Fanfiction? Escaping into Alternate Realities: Why fanfiction provides a unique escape for readers. Revisiting beloved characters and universes. Diversity and Representation: How fanfiction creates space for characters and relationships that mainstream media often ignores. The importance of diversity in fanfiction, whether through LGBTQ+ representation or cultural exploration. Engaging with Interactive Communities: The importance of feedback and critique in the fanfiction world. How fanfic readers and writers create a collaborative, supportive environment. Chapter 4: Discovering Your Favorite Free Fanfiction Books on ReadUp Genres to Explore: Popular genres on ReadUp: Fantasy, Sci-Fi, Romance, Superheroes, and more. Finding niche genres: How ReadUp's categorization helps readers discover new worlds. Finding Hidden Gems: How to browse through the vast library of stories. How to use filters, ratings, and recommendations to find top fanfiction books. Engaging with the Authors: How to communicate with fanfiction authors via comments or social media. What makes feedback valuable for a fanfic writer. Chapter 5: Tips for Aspiring Fanfiction Writers Getting Started with Fanfiction: Writing your first fanfic: How to choose the fandom and develop your plot. Importance of understanding the original source material before writing. Writing Techniques and Tools: Common pitfalls to avoid when writing fanfiction. Using feedback to improve writing skills. How to maintain a consistent writing schedule. Building a Fanbase: How to attract readers on ReadUp. Promoting your fanfiction outside of ReadUp: Social media, Wattpad, etc. Engaging with other writers for inspiration and collaboration.

Chapter 6: Legal and Ethical Considerations in Fanfiction Copyright and Fair Use: Understanding the legal complexities surrounding fanfiction. Fair use, transformative works, and the grey areas in writing fanfiction. Ethical Storytelling: Respecting creators and fandom communities. How to navigate sensitive topics responsibly in fanfiction. Chapter 7: The Future of Free FanFiction Books Evolution of Fanfiction: How platforms like ReadUp are changing the fanfiction landscape. The potential for fanfiction to influence mainstream media. The Impact of Digital Technology: How the digital age has democratized writing and publishing. The increasing role of AI and interactive storytelling in fanfiction. Chapter 8: Fanfiction: More Than Just a Hobby Fanfiction as a Career: How some fanfiction authors have turned their passion into a full-time career. Success stories of authors who started with fanfiction and moved into traditional publishing. Building a Legacy: The enduring impact of fanfiction writers on the literary world. How fanfic authors contribute to the broader cultural conversation. Conclusion: Celebrating Creativity and Community Fanfiction as a Reflection of Society: How fanfiction offers an unfiltered look at what readers and writers want to see in stories. The role of fanfiction in fostering creativity and encouraging new voices. Final Thoughts on ReadUp and Free Fanfiction: How ReadUp's free fanfiction books contribute to the ever-expanding literary world. Encouragement to embrace the fanfiction community and explore new creative outlets.

Media and Everyday Life Tim Markham, 2022-12-01 Media and Everyday Life offers an accessible overview for students of media, communication and cultural studies looking to explore how modern-day media practices impact on the experience of everyday life, making this the essential companion to introductory media studies courses. This innovative introduction to media studies challenges conventional accounts of what media do to people – focusing instead on what people do with media in the course of everyday life. By rejecting the conventional media studies approach, the book provides a fresh way of thinking about media cultures and provokes thought into how media influences daily social norms. Each chapter offers a broad discussion of various facets of media, such as technology, social media and industries. Key trends and traditions are also considered, helping to define how media has become so entwined in the everyday experience. This second edition has been thoroughly updated to incorporate all the recent developments in media including new social media platforms, new technologies like wearables and smart speakers, and the spread of algorithms into so much of the media we encounter every day. The second edition also takes stock of the environmental impact of digital media and its hidden infrastructures, as well our engagement with social issues and movements from Black Lives Matter to Extinction Rebellion.

Global Perspectives on Digital Literature Torsa Ghosal, 2023-06-22 **Global Perspectives on Digital Literature: A Critical Introduction for the Twenty-First Century** explores how digital literary forms shape and are shaped by aesthetic and political exchanges happening across languages and nations. The book understands global as a mode of comparative thinking and argues for considering various forms of digital literature—the popular, the avant-garde, and the participatory—as realizing and producing global thought in the twenty-first century. Attending to issues of both political and aesthetic

representation, the book includes a diverse group of contributors and a wide-ranging corpus of texts, composed in a variety of languages and regions, including East and South Asia, parts of Europe, Latin America, North America, Australia, and Western Africa. The book's contributors adopt an array of interpretive approaches to make visible new connections and possibilities engendered by cross-cultural encounters. Among other topics, they reflect on the shifting conditions for production and distribution of literature, participatory cultures and technological affordances of Web 2.0, the ever-changing dynamics of global and local forces, and fundamental questions, such as, What do we mean when we talk about literature today? and What is the future of literature?

Fangasm Katherine Larsen, Lynn S. Zubernis, 2013-10-01 Once upon a time not long ago, two responsible college professors, Lynn the psychologist and Kathy the literary scholar, fell in love with the television show *Supernatural* and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the *Supernatural* set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it's all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it's okay to be a fan, especially for grown women with careers and kids. “Crazystalkerchicks”—that's what they heard from *Supernatural* crew members, security guards, airport immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. *Fangasm* pulls back the curtain on the secret worlds of fans and famous alike, revealing *Supernatural* behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who's been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best friend—will want to come along.

The Case for Fanfiction Ashley J. Barner, 2017-08-07 Challenging readers to rethink what they read and why, the author questions the aesthetic assumptions that have led to the devaluing of fanfiction—a genre criticized as both tasteless and derivative—and other guilty pleasure reading (and writing), including romance and fantasy. The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia-old tradition of derivative literature, before modern copyright law established originality as the hallmark of great fiction. Absorbed reading—the practice of immersing oneself in the narrative versus critically reading from a distance—is a strong motive for the appropriation by fanfiction of canon characters and worlds.

A Companion to Media Fandom and Fan Studies Paul Booth, 2018-02-26 A Companion to Media Fandom and Fan Studies offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies. International in scope and written by a team that includes many major scholars, this volume features over thirty especially-commissioned essays on a variety of topics, which together provide an unparalleled overview of this fast-growing field. Separated into five sections—Histories, Genealogies, Methodologies; Fan Practices; Fandom and Cultural Studies; Digital Fandom; and The Future of Fan Studies—the book synthesizes literature surrounding important theories, debates, and issues within the field of fan studies. It also traces and explains the social, historical, political, commercial, ethical, and creative dimensions of fandom and fan studies. Exploring both the historical and the contemporary fan situation, the volume presents fandom and fan studies as models of 21st century production and consumption, and identifies the emergent trends in this unique field of study.

Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre, this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year, and contrary to popular belief, not all of its readers are women: roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure, and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works, themes, and other topics. The articles are written by scholars, librarians, and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries, and bibliographies at the end of each entry, a general bibliography, and a suggested romance reading list allow for further study of the genre.

The Fangirl's Guide to the Universe Sam Maggs, 2020-10-27 From notable geek girl Sam Maggs, *The Fangirl's Guide to the Universe* is the ultimate handbook for teens living the nerdy life. Fandom, pop culture, feminism, cosplay, cons, books, memes, podcasts, vlogs, OTPs and RPGs and MMOs and more—there's never been a better time to be a fangirl, or a better guide to navigate the wide universe of fandoms. This handbook is packed with tips, playthroughs, and cheat codes, including: · How to make nerdy friends · How to rock cosplay · How to write fanfic with feels · How to defeat internet trolls · How to attend your first con And more! Featuring wisdom from Sam and insightful interviews with fangirl faves like Danielle Paige, Rainbow Rowell, and Preeti Chhibber, *The Fangirl's Guide to the Universe* highlights the joys of fandom community and offers a fun, feminist take on the often male-dominated world of geekdom. This refreshed edition updates *The Fangirl's Guide to the Galaxy* including new interviews.

Law and Authors Jacqueline D. Lipton, 2020-08-04 This accessible, reader-friendly handbook will be an invaluable resource for authors, agents, and editors in navigating the legal landscape of the contemporary publishing industry. Drawing

on a wealth of experience in legal scholarship and publishing, Jacqueline D. Lipton provides a useful legal guide for writers whatever their levels of expertise or categories of work (fiction, nonfiction, or academic). Through case studies and hypothetical examples, *Law and Authors* addresses issues of copyright law, including explanations of fair use and the public domain; trademark and branding concerns for those embarking on a publishing career; laws that impact the ways that authors might use social media and marketing promotions; and privacy and defamation questions that writers may face. Although the book focuses on American law, it highlights key areas where laws in other countries differ from those in the United States. *Law and Authors* will prepare every writer for the inevitable and the unexpected.

A Digital Janus: Looking Forward, Looking Back Dennis Moser, Susan Dun, 2019-01-04 This volume was first published by Inter-Disciplinary Press in 2014. Cyberculture and cyberspace have become part of our realities. This is an inescapable fact. Their digital technologies have come to underpin many aspects of our lives, our history, and our future. Already, these technologies exert considerable influence upon the institutions and structure of our societies, including those that define our concepts of art and aesthetics, our social interactions, societal and individual remembrance, even how we govern and are governed. Cyberculture's ubiquity raises questions of our concepts of being and aloneness. Can we experience solitude if we are all connected? Will the natural state of being soon be 'always on, always connected?' To remember everything, is it a blessing or a curse? Is the promise of digital 'immortality' possible or even desirable? When do we cease mourning, if the dead are memorialized in digital perpetuity? Within this volume is a collection of essays from an international group of scholars, artists, and practitioners who address these and other questions about our future, looking at where we have come in our past.

Fandom Francesca Davis DiPiazza, 2018-01-01 Have you ever finished a book or TV series and wished for more? Created stories, art, or videos based on a game? Dressed up as your favorite character? If so, you've entered fandom. Fan writers expand and mix up stories, like sending the Star Trek crew to Hogwarts. Cosplayers sew Star Wars and Sailor Moon costumes, and fan filmmakers make music video tributes. Fans also enrich invented worlds with greater diversity, creating female and multiracial avatars for games peopled only with white male characters. Tour fandom's history and meet fan writers, video-makers, artists, costumers, and gamers who celebrate the things they love and shape fan communities online and in real life.

Austenatious Holly Luetkenhaus, Zoe Weinstein, 2019-06-03 The amount of fan-generated content about Jane Austen and her novels has long surpassed the author's original canon. Adaptations like *Clueless*, *Pride and Prejudice* and *Zombies*, Jane Austen's *Fight Club*, and *The Lizzie Bennet Diaries* have given Austen fans priceless opportunities to enjoy the classic texts anew, and continue to bring new and younger fans into the fold. Now, through online culture, the amount and type of fan-created works has exponentially multiplied in recent years. Fans write stories, create art, make videos, and craft memes, all

in homage to one of the most celebrated authors of all time. This book explores online fan spaces in search of “Janeites” all over the world to discover what fans are making, how fans are sharing their work, and why it matters that so many women and nonbinary individuals find a haven not only in Jane Austen, but also in Jane Austen fandom. In relatable chapters based on firsthand experience, the authors explore how Austen fandom has and continues to build communities around women, people of color, and the LGBTQ+ community. Whether Janeites are shrewdly picking up on the latent sexual tension between women in *Emma* or casting people of color in leading roles, Luetkenhaus and Weinstein argue that Austen fans are particularly adept at marrying fantasy and feminism.

Strange Novel Worlds Caroline-Isabelle Caron, Kristin Noone, 2024-07-01 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967, close to 900 tie-in novels, anthologies, and omnibus editions have been published. Star Trek tie-in novels have had a significant influence on Western popular culture. The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe, and many stand as near equal builders of the Star Trek franchise, next to Gene Roddenberry, his producers, and the many creators of the later series. With such a vast and varied body of work, tie-in books form a rich and deep cultural phenomenon, the history and content of which are worthy of concerted study. Despite the enduring popularity of the franchise they are based on, no previous essay collection has ever focused on the numerous and widely diverse books of Star Trek tie-in novels. This collection does just that by examining the tie-in works as relevant literature. The essays primarily focus on tie-in books published from 1990 to 2022, and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs. fanfiction and merits of the genre. The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021.

The Oxford Handbook of Publishing Angus Phillips, Michael Bhaskar, 2019-04-23 Publishing is one of the oldest and most influential businesses in the world. It remains an essential creative and knowledge industry, worth over \$140 billion a year, which continues to shape our education and culture. Two trends make this a particularly exciting time. The first is the revolution in communications technology that has transformed what it means to publish; far from resting on their laurels and retreating into tradition, publishers are doing as they always have - staying on the cutting edge. The second is the growing body of academic work that studies publishing in its many forms. Both mean that there has never been a more important time to examine this essential practice and the current state of knowledge. The Oxford Handbook of Publishing marks the coming of age of the scholarship in publishing studies with a comprehensive exploration of current research, featuring contributions from both industry professionals and internationally renowned scholars on subjects such as copyright, corporate social responsibility, globalizing markets, and changing technology. This authoritative volume looks at the relationship of the book publishing industry with other media, and how intellectual property underpins what publishers do. It outlines the complex

and risky economics of the industry and examines how marketing, publicity, and sales have become ever more central aspects of business practice, while also exploring different sectors in depth and giving full treatment to the transformational and much discussed impact of digital publishing. This Handbook is essential reading for anyone interested in publishing, literature, and the business of media, entertainment, culture, communication, and information.

Sound Recording Technology and American Literature Jessica E. Teague, 2021-05-20 Phonographs, tapes, stereo LPs, digital remix - how did these remarkable technologies impact American writing? This book explores how twentieth-century writers shaped the ways we listen in our multimedia present. Uncovering a rich new archive of materials, this book offers a resonant reading of how writers across several genres, such as John Dos Passos, Langston Hughes, William S. Burroughs, and others, navigated the intermedial spaces between texts and recordings. Numerous scholars have taken up remix - a term co-opted from DJs and sound engineers - as the defining aesthetic of twenty-first century art and literature. Others have examined modernism's debt to the phonograph. But in the gap between these moments, one finds that the reciprocal relationship between the literary arts and sonic technologies continued to evolve over the twentieth century. A mix of American literary history, sound studies, and media archaeology, this interdisciplinary study will appeal to scholars, students, and audiophiles.

The Bloomsbury Handbook of Rock Music Research Allan Moore, Paul Carr, 2020-07-09 The Bloomsbury Handbook of Rock Music Research is the first comprehensive academic survey of the field of rock music as it stands today. More than 50 years into its life and we still ask - what is rock music, why is it studied, and how does it work, both as music and as cultural activity? This volume draws together 37 of the leading academics working on rock to provide answers to these questions and many more. The text is divided into four major sections: practice of rock (analysis, performance, and recording); theories; business of rock; and social and culture issues. Each chapter combines two approaches, providing a summary of current knowledge of the area concerned as well as the consequences of that research and suggesting profitable subsequent directions to take. This text investigates and presents the field at a level of depth worthy of something which has had such a pervasive influence on the lives of millions.

Children's Literacy Practices and Preferences Jane Sunderland, Steven Dempster, Joanne Thistlethwaite, 2016-03-31 Over the past few decades there have been intense debates in education surrounding children's literacy achievement and ways to promote reading, particularly that of boys. The Harry Potter book series has been received enthusiastically by very many children, boys and girls alike, but has also been constructed in popular and media discourses as a children's, particularly a boys', literacy saviour. *Children's Literacy Practices and Preferences: Harry Potter and Beyond* provides empirical evidence of young people's reported literacy practices and views on reading, and of how they see how the Harry Potter series as having impacted their own literacy. The volume explores and debunks some of the myths surrounding Harry Potter and

literacy, and contextualizes these within children's wider reading.

As recognized, adventure as well as experience just about lesson, amusement, as skillfully as promise can be gotten by just checking out a book **Fifty Shades Of Grey Fanfic** with it is not directly done, you could take on even more in relation to this life, vis--vis the world.

We offer you this proper as without difficulty as easy quirk to get those all. We meet the expense of Fifty Shades Of Grey Fanfic and numerous ebook collections from fictions to scientific research in any way. in the midst of them is this Fifty Shades Of Grey Fanfic that can be your partner.

periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Fifty Shades Of Grey Fanfic full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Fifty Shades Of Grey Fanfic eBooks, including some popular titles.

FAQs About Fifty Shades Of Grey Fanfic Books

What is a Fifty Shades Of Grey Fanfic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Fifty Shades Of Grey Fanfic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Fifty Shades Of Grey Fanfic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic

editing capabilities. **How do I convert a Fifty Shades Of Grey Fanfic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Fifty Shades Of Grey Fanfic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the

circumstances and local laws.
