

Obey God And Leave The Consequences To Him

Oswald Chambers

In Step With God Charles F. Stanley, 2010-09-12 What is God like? Can I trust Him? Does He know me and can He help me tackle the challenges I face? Most people know a little something about God, but their knowledge of who He is and how He works stops just past the point of an initial introduction. Why is it so important to know the One who knows all about you? The answer is simple: when you come to a point where you understand His ways, your life takes on new meaning. You stop looking at old problems and feeling defeat, fear, and anxiety. Suddenly, you realize that the Person who gave you life has set an amazing course for you to follow. In Step with God offers simple, clear teaching that encourages and challenges you to approach life and its decisions—both big and small—by first knowing and considering God’s character. “The nearer I draw to the Lord,” writes Dr. Stanley, “the more I will know about Him—His love for me and His good plans and desires for my life. Plus, the more intimate I become with God, the better I understand His way, and this understanding leads to a deeper longing to know God better. I learn how to discern His will for my life and the situations I encounter.”

The Wayfaring Mission Forlen Morlen, 2018-01-02 *The Wayfaring Mission* is as current as the latest headlines. It explores the impact of what it means on a personal level to have a mission in an age of terrorism and international conflict. In spite of the dangers posed, there are still persons who feel compelled to go to these restricted areas to minister hope. Whether as aid workers, educators, diplomats, or missionaries, these people risk their lives for their calling. It is their mission. What happens then to those that they leave behind? How do they cope with the loss of their loved one? This story explores the search for meaning from one who was left behind. Ellen Wright thought she had found her safe-haven and rebuilt her life within the thick adobe walls of Wayfaring Mission. When wildfire, government agents, and foreign visitors invade her sanctuary and threaten to overwhelm her, she realizes the faith she had lost is now her only hope to stand.

Give Your All to God Morris Williams, 2019-03-22 God instructs us to give our whole life to him as a holy and living sacrifice. But how do we do this? What does it mean to truly surrender your life to God as a sacrifice? One great way is to pattern yourself after Israel's offerings. Give Your All to God focuses on the burnt offering and explains how while the people of Israel used a physical animal as a sacrifice, today we offer every part of our lives to God. And just as the physical offering was divided into five parts and burned up completely, we can take this unique example and apply it to our own sacrifice of our heart, soul, strength, mind, and everything else. Author Morris Williams presents sixteen worship behaviors that we can offer to God every day, enabling us to be a complete and total offering to God. You must give your all to God, and doing so is what pleases him as you follow his instructions. And likewise, surrendering fully to God is part of his plan of salvation through Jesus Christ—the ultimate sacrifice, who died for you so you could become a valued member of God's family.
